+ It is expected that the Government will move the date for County elections to 11 June 2009 to coincide with the European Elections; however the decision may not be made until late autumn 2008. Should this happen a proposal will be made for the Council meetings scheduled for 20 May to be held at an earlier date.

Revised draft for re-submission to Council on 21 May 2008. Original dates approved at Council on 21 November 2007 "struck-through" and new dates and times shown in bold italics.
