

## **Appendix 1**

### **Consultation feedback – Gambling Policy Statement**

**“The Remote Gambling Association is the largest online gambling trade association in the world, representing more than 30 of the worlds largest licensed and stock listed remote gambling voice on all issues of importance to regulators, legislators and key decision makers. Its current membership and further details can be found at [www.rga.eu.com](http://www.rga.eu.com)**

**All our Members provide gambling services over the internet and not through licensed premises. Therefore we do not have any comment to make about Eastbourne Borough Council’s Policy**

**Sue Rossiter  
Director of Projects and Policy**

Address: 89 Seaside Rd

Your comments: All Policy is clear and have lot helpful informations for citizens and Eastbourne visitors, but I would like to look for marketing and advertising problem. How to gave to potential clients right information about gambling service avoiding debts, malversation, misunderstanding and problems with debts for example. Also aggressive Internet marketing can be including for that point to.

With compliments
