REPORT OF: Head of Planning

Ward: Upperton

Purpose: To revoke Tree Preservation Order No. 71 – Richmond Place

Recommendation: That Tree Preservation Order No. 71 be revoked

1.0 INTRODUCTION

- 1.1 A tree preservation order was made on 30 July 2001 on all the trees in the new development at Richmond Place under my delegated powers.
- 1.2 It has been established that the map is incorrect, and therefore the order is defective.
- 1.3 A new order has been made, and it is now necessary to revoke the original (incorrect) order, for which the approval of the Committee is required.

2.0 CONCLUSION

- 2.1 The original order is unenforceable and therefore Members are recommended to authorise its revocation.
