Purpose of Report:

Officers Recommendation:

 2. To review the Annual Treasury Management Report for 2016/2017.
-

Reasons for Recommendations

- 1.1 The Council's approved Treasury Strategy Statement requires the Audit and Standards Committee to review details of Treasury Strategy transactions against the criteria set out in the Strategy and make observations to Cabinet as appropriate.
- 1.2 The Treasury Strategy Statement also requires the Audit and Standards Committee to review a formal summary report after the year end before it is considered by Council, in accordance with best practice and guidance issued by the Chartered Institute of Public Finance and Accountancy.

2 Treasury Management Activity

- 2.1 The timetable for reporting Treasury Management activity in 2017/2018 is shown in the table below. This takes into account the timescale for the publication of each Committee agenda and is on the basis that it is preferable to report on activity for complete months. Any extraordinary activity taking place between the close of the

reporting period and the date of the Audit and Standards Committee meeting will be reported verbally at that meeting.

All of the deposits met the necessary criteria. The minimum rating required for deposits made after 1 April 2017 is long term BBB+ (Fitch) (a minimum A- rating applied in 2016/2017).
