Scrutiny Committee - 21 June 2007

6 Work Programme 2007/08

The Committee considered Report No 117/07 which listed work carried forward from the 2006/07 Work Programme together with further suggestions. Councillors, Corporate Management Team and Chairs of Area Partnerships had been canvassed in April 2007 and all councillors elected in May 2007 had received a suggestions form in the Scrutiny information pack. Committee members had additionally been provided with a pack of background papers which included a note on Good Practice for Scrutiny Reviews, a copy of which appears in the minute book. The draft Work Programme appears as an addendum to these minutes.

Resolved:

- 6.1** That the draft Work Programme be submitted for comment to Corporate Management Team and Cabinet; and
- 6.2** That any comments received be considered when items in the Work Programme are prioritised at the next Committee meeting before submission to Council on 28 September 2007.
