General Licensing Committee

Minutes of meeting held in Court Room at Eastbourne Town Hall, Grove Road, BN21 4UG on 7 January 2019 at 6.00 pm

Present:

Councillors Troy Tester (Chair), Pat Rodohan (Deputy-Chair), Colin Belsey, Tony Freebody, Colin Murdoch, Robert Smart and Steve Wallis

Officers in attendance:

Stewart Bryant (Senior Specialist Advisor), Ed Hele (Functional Lead - Quality Environment), Jazmin Victory (Committee Officer) and Michele Wilkinson (Lawyer - Housing and Regulatory)

7 Minutes of the meeting held on 1 October 2018

The minutes of the meeting held on 1 October 2018 were submitted and approved and the Chair was authorised to sign them as an accurate record.

Pursuant to the following resolution set out in minute 5:

“Resolved: (Unanimous) That the Senior Specialist Advisor for Licensing be given delegated authority to undertake a six week consultation exercise with the Taxi trade to draft a proposal on increasing hackney carriage fares for consideration at a future committee meeting.”

Councillors were informed that officers had received further documents from one driver with a suggested tariff of fares and that it was suggested that the trade in general be re-consulted. This was agreed by the committee.

8 Apologies for absence

Apologies for absence were received from Councillors Choudhury, Coles, Hearn, Murray and Robinson.

9 Declarations of Disclosable Pecuniary Interests (DPIs) by members as required under Section 31 of the Localism Act and of other interests as required by the Code of Conduct

There were none.

10 Questions by members of the public

There were none.

11 Urgent items of business

Pursuant to the following recommendation of the General Licensing Committee meeting held on 1 October 2018:

“Resolved: (Unanimous) (2) That the submission from the Eastbourne Disability Group be considered and, where appropriate, incorporated into the draft guidance for consideration at a future meeting.”

The committee was informed that the amended draft which addressed the Eastbourne Disability Involvement Group’s comments would come back to the committee in due course; however it was not yet ready for consideration due to workload pressures which included the Statement of Gambling Principles, the Licensing Act renewal and responding to updates in Legislation. Councillors expressed disappointment that they were not updated before the meeting that there would be a delay, as they were under the impression it would be presented to this meeting.

12 Right to address the meeting/order of business

There were none.

13 Review of Eastbourne Borough Council's Statement of Gambling Principles

The committee received the report which requested that Councillors consider and approve the recently reviewed and revised Statement of Gambling Principles. Councillors noted Appendix B, which set out responses to consultation, and had been published after the agenda report.

The Senior Specialist Advisor (Licensing) referred to Appendix A which detailed the proposed changes to the Council’s Statement of Gambling Principles, these were highlighted in red. In addition, Licensing Officers explained that they had recently attended a meeting with the Gambling Commission, at which it was recommended that all current premises license holders be required to undertake risk assessments and have the assessments available for inspection at the premises. Further Officers also accepted that the Statement had missed out the word “not” which the Officers were content to include in the highlighted part of page 24.

The committee queried whether compulsory CCTV on all gambling premises in Eastbourne could be implemented into the policy as a deterrent for crime. Officers stated they would consider the remit of the Statement and consider whether it was possible to implement this in the future.

Councillors were informed that the April 2019 changes to the maximum bet on fixed-odds betting terminals would not affect the category of machines other than the minimum stake.

The committee queried whether all door supervisors could be SIA licensed and if this could be included in the policy. Officers advised Councillors that they would look into this.

Councillors noted that, following the May election, training would be available which would provide information specific to the Eastbourne Borough.

Resolved: (Unanimous)

1. That the reviewed and revised Statement of Gambling Principles be agreed and recommended to full Council; and
2. That officers noted Councillors queries regarding compulsory CCTV on gambling premises and would look at the remit of Gambling Act and consider ways that it could be implemented in the future.

Reason:

1. To ensure a comprehensive and workable Statement of Principles is in place and that Eastbourne Borough Council complies with the requirements of the Gambling Act 2005; and
2. To enable the General Licensing Committee to consider the proposed changes.

The meeting ended at 6.34 pm

Report to:	General Licensing Committee
Date:	11th March 2019
Title:	Hackney Carriage Fares
Report of:	Director of Service Delivery
Ward(s):	All
Purpose of report:	To consider the proposal for a Hackney Carriage fare increase proposed by the trade.
Officer recommendation(s):	The Licensing Committee to determine the proposal to increase the fares, as set out in Table 2 and Appendix 2, and recommend the same to the PORTFOLIO HOLDER FOR PLACE SERVICE, along with the recommendation to delegate the SENIOR SPECIALIST ADVISOR to comply with the statutory process of publishing the proposal. Or that the Committee reject the proposed increased fares, as set out in Table 2 and Appendix 2.
Reasons for recommendations:	(1) Under Section 65 of the Local Government (Miscellaneous Provisions) Act 1976 the Local Authority has the power to set fares for Hackney Carriages. (2) Guidance advises that where the fares are set by the Local Authority, that Authority has a responsibility to review those fares to ensure they remain fair and reasonable.
Contact Officer(s):	Name: Danielle Ball Post title: Specialist Adviser E-mail: danielle.ball@lewes-eastbourne.gov.uk Telephone number: 01323 415333

1 Background

- 1.1 Under section 65(1) of the Local Government (Miscellaneous Provisions) Act 1976, the Local Authority has the power to set the maximum fares for the hire of a Hackney Carriage vehicle.
- 1.2 The current fares set have been in place for 10 years and the trade has requested a review of the current fare structure. There are currently 114 licensed Hackney Carriages that are allowed to ply for hire in Eastbourne. Fares charged by Hackney Carriages cannot be more than the fare set by Eastbourne Borough Council. The council do not set the fares for private hire vehicles.

- 1.3 Following informal requests made by some Hackney Carriage proprietors all Hackney Carriage proprietors were written to on 1st February 2018 and asked to contact the Licensing team to advise if they were in favour of a fare increase. It was made clear that should more than 50 % of the trade feel an increase is appropriate then a report would be presented to General Licensing Committee. A copy of this letter is included at **Appendix 1**. The letter also requested proposals for a new fare structure.
- 1.4 The Licensing team received 86 positive responses for an increase which is a 76% return.
- 1.5 On the 1st October 2018 a fare increase proposal was presented to the General Licensing Committee. That proposal was from one proprietor and it was unknown if the proposal had the support of the majority of the trade. In addition, the Members considered that the public would be disadvantaged by the proposed increase which would have made Eastbourne the joint third most expensive Hackney Carriage fares in the country. Therefore the proposal on the 1st October 2018 was rejected and Officers were asked to consult with the trade and develop a further proposal, as below.
- 1.6 The Licensing Specialist had a meeting with 5 members of the Hackney Carriage trade who had shown an interest in shaping the new proposal. There was a discussion around producing a new fare proposal that would be favourable to the trade, members and the general public. The members of the trade were advised to get together and return a new proposal that had backing from the wider trade that could be taken to committee.

2 The proposal

- 2.1 A proposal for a change in fares has been received from the trade. 74 Hackney Carriage Proprietors have returned a signed copy of the new proposed increase that is outlined in Table 2, this is a 84%. The proposed fare structure and letters of support are included at **Appendix 2**.
- 2.2 The current fare card is included as **Appendix 3**, but is reproduced below along with the proposal from the trade in Table 2 for easy comparison.

Current Fare Card (Table 1)

2.3 The 'Table of Fares for England' published by the Private Hire and Taxi Monthly magazine published February 2019 shows that based on a two mile fare (national tariff 1) varies from £10.60 (London Heathrow) to £3.50 (South Kesteven) and Eastbourne currently at £5.70 (actually £5.80) which ranks Eastbourne at 215 (198) of 366 councils.

2.4 Other East Sussex Authorities are shown on the Table of Fares for England as follows.

Authority	2 Mile Fare	Ranking
Eastbourne	£5.70	215
Hastings	£6.10	132
Lewes	£6.30	97
Rother	£6.70	47
Wealden	£6.90	23
Average	£6.34	-

2.5 The proposal would place Eastbourne with a ranking of joint 23rd at £6.90 in England and level with bordering neighbour Wealden as equal highest fare for East Sussex.

Options

- 2.6 1. The Committee agree the proposal to increase the fares, as set out in Table 2 and Appendix 2, and recommend the same to the CABINET PORTFOLIO HOLDER FOR PLACE SERVICES, along with the recommendation to delegate the SENIOR SPECIALIST ADVISOR to comply with the statutory process of publishing the proposal, or.
2. That the Committee reject the proposed increased fares, as set out in Table 2 and Appendix 2.

3 Financial appraisal

3.1 This consultation has no direct financial implications. Any subsequent cost of advertising the amended 'Table of Fares' in a local newspaper will be taken from funds already reserved in the Taxi Licensing Budget.

4 Legal implications

4.1 The Local Government (Miscellaneous Provisions) Act 1976 ("the 1976 Act") allows the Council to set the maximum fares and costs for hackney carriages. In this contest the Council means the Executive by virtue of The Local Authorities (Functions and Responsibilities) Regulations 2000 (as amended).

4.2 Under section 65(2) 1976 Act when the Council decides to vary the hackney carriage fares it must publish a notice in a local newspaper stating the proposed new fares and give at least 14 days for any objections to be made. If there are objections the Council must consider them before deciding whether to confirm or modify the proposed fares. If there are no objections the new fares can be brought into force at the end of the objection period. If the Council varies the proposed fares following any objections made within the period it then sets a second date, which cannot be more than two months after the first date specified, when the new fares come into force.

4.3 This Report was considered by the Council's Legal Section on 28 February 2019 (IKEN-8100-MW).
