

Licensing Act Committee

Members of the public are welcome to attend and listen to the discussion of items in the "open" part of the meeting. Please see notes at end of agenda concerning public rights to speak and ask questions.

The Licensing Act Committee meets in the Court Room of the Town Hall which is located on the ground floor. Entrance is via the main door or access ramp at the front of the Town Hall. Parking bays for blue badge holders are available in front of the Town Hall and in the car park at the rear of the Town Hall.

An induction loop operates to enhance sound for deaf people who use a hearing aid or loop listener.

If you require further information or assistance please contact the Local Democracy team – contact details at end of this agenda.

This agenda and accompanying reports are published on the Council's website in PDF format which means you can use the "read out loud" facility of Adobe Acrobat Reader.

Please ask if you would like this agenda and/or any of the reports in an alternative format.

MEMBERS: Councillor Shuttleworth (Chairman); Councillor Ungar (Deputy-Chairman); Councillors Ansell, Coles, Cooke, Hearn, Liddiard, Murdoch, Murray, Stanley, Thompson, Warner and West

Agenda

- 1 Minutes of the meeting held on 14 January 2013.** (Pages 1 - 2)
- 2 Apologies for absence.**
- 3 Declarations of Disclosable Pecuniary Interests (DPIs) by members as required under Section 31 of the Localism Act and of other interests as required by the Code of Conduct (please see note at end of agenda).**
- 4 Questions by members of the public.**

On matters not already included on the agenda and for which prior written notice has been given (total time allowed 15 minutes).

5 Urgent items of business.

The Chairman to notify the Committee of any items of urgent business to be added to the agenda.

6 Right to address the meeting/order of business.

The Chairman to report any requests received to address the Committee from a member of the public or from a Councillor in respect of an item listed below and to invite the Committee to consider taking such items at the commencement of the meeting.

7 Council's Statement of Licensing Policy 2014-2019 and Cumulative Impact Policy. Licensing Act 2003, setting out the Council's approach for the next 5 years. (Pages 3 - 118)

Report of Senior Specialist Advisor.

Inspection of Background Papers – Please see contact details listed in each report.

Councillor Right of Address - Councillors wishing to address the meeting who are not members of the Committee must notify the Chairman in advance.

Public Right of Address – Requests by members of the public to speak on a matter which is listed in this agenda must be **received** in writing by no later than 12 Noon, 2 working days before the meeting e.g. if the meeting is on a Tuesday, received by 12 Noon on the preceding Friday). The request should be made to Local Democracy at the address listed below. The request may be made by letter, fax or e-mail. For further details on the rules about speaking at meetings please contact Local Democracy.

Disclosure of interests - Members should declare their interest in a matter at the beginning of the meeting, and again, at the point at which that agenda item is introduced.

Members must declare the existence and nature of any interest.

In the case of a DPI, if the interest is not registered (nor the subject of a pending notification) details of the nature of the interest must be reported to the meeting by the member and subsequently notified in writing to the Monitoring Officer within 28 days.

If a member has a DPI or other prejudicial interest he/she must leave the room when the matter is being considered (unless he/she has obtained a dispensation).

Further Information

Councillor contact details, committee membership lists and other related information is also available from Local Democracy.

Licensing Act Committee

MEMBERS: Councillor SHUTTLEWORTH (Chairman) Councillor UNGAR (Deputy Chairman), Councillors Mrs COLES, COOKE, Mrs HEARN, MURDOCH, STANLEY, TAYLOR, WARNER and Mrs WEST.

(Apologies for absence were reported from Councillors Mrs Ansell, Murray and Thompson).

1 Minutes.

The minutes of the meeting held on 23 April 2012 were submitted and approved and the Chairman was authorised to sign them as a correct record.

2 Declaration of Disclosable Pecuniary Interests (DPIs).

None were received.

3 Gambling Policy (Statement of Principles) 2013-2016.

The Committee considered the report of the Licensing Manager regarding the Council's revised Gambling Policy (Statement of Principles) 2013-2016.

The Licensing Officer gave an overview of the Gambling Act, which came into force on 1 September 2007. The legislation established the Gambling Commission, which advised both central and local government on issues related to gambling.

As a statutory requirement under the Act, the authority is required to formulate a three year Gambling Policy, which proposed how it would exercise its functions under the Act. The Policy is required to be reviewed at least every three years. The revised version, appended to the report would be effective from 20 February 2013, if approved. The revised Policy is required to be considered by the Full Licensing Committee before being referred to a future Cabinet meeting, before approval at Full Council.

Consultation for the revised Policy took place between 1 October and 24 December 2012. The Council had received two responses from the Remote Gambling Association and Quality UK. The responses were appended to the report.

The Licensing Officer detailed the proposed amendments to the current Policy that more clearly defined the role of the Council as a Licensing Authority. The revised Policy would ensure that the concentration is focused on the potential impact of licensed premises, with particular regard to the three licensing objectives, detailed in section 1.6 of the report. Key changes

(2012/2013 Minutes)

included an updated background and introductory information, new section on illegal gaming machines and a change to how the authority handled personal details of interested parties.

Additional revisions to the Policy had been made to improve understanding and accessibility for Borough residents, businesses and other interested parties. It was designed to allow them to contribute effectively in relation to the operation of licensed premises in the area and give them an understanding of how they can express their concerns in relation to gambling matters.

RESOLVED: (1) That the changes to the Council's Gambling Act Policy (Statement of Principles) 2013-2016 be noted and endorsed.
(2) That the matter be referred to a future Cabinet meeting and then Full Council for formal adoption.

The meeting closed at 6.10 p.m.

**A Shuttleworth
(Chairman)**

Agenda Item 7

- BODY:** Licensing Act Committee
- DATE:** 7th October 2013
- SUBJECT:** Council Statement of Licensing Policy 2014 -2019 and Cumulative Impact Policy. Licensing Act 2003, setting out the Council's approach for the next 5 years.
- REPORT OF:** Jay Virgo, Senior Specialist Advisor
- Ward(s):** All
- Purpose:** To provide an update to the Full Licensing Act Committee regarding public consultation and feedback on the Draft Statement Of Licensing Policy (including revised Cumulative Impact Policy) for the period 2014 – 2019. This Policy sets out the Council's approach to matters under the Licensing Act 2003 for the next 5 years.
- Contact:** Jay Virgo, Senior Specialist Advisor, Telephone 01323 415933 or internally on extension 5933
E-mail address jay.virgo@eastbourne.gov.uk
- Recommendations:**
- (i) Members are invited to note the response to the consultation on the draft Statement of Licensing Policy 2014 – 2019 and the proposed timetable leading up to the policy coming into force on 1st January 2014.
 - (ii) Members are asked to delegate any further revisions to the draft Policy to the Senior Head of Infrastructure in consultation with the Chair of the Licensing Act Committee and the relevant Cabinet Portfolio Holder, prior to and following consideration by Cabinet and up to final consideration and approval by Full Council.

1.0 Background

- 1.1 From 7th February 2005, the Licensing Act 2003 transferred liquor licensing functions from the Licensing Justices sitting within the Magistrates Court to Eastbourne Borough Council, which became the Licensing Authority. The Licensing Act 2003 came into force on 24th November 2005 and provided a more flexible licensing regime.
- 1.2 As the Licensing Authority, in accordance with Schedule 5 of the Licensing Act 2003, Eastbourne Borough Council must prepare, consult and publish its Statement of Licensing Policy. As noted in the council's constitution, the Licensing Act 2003 requires that the policy is approved by Full Council.
- 1.3 The purpose of the Statement is to promote the Licensing Objectives. It sets out the general approach taken by the Authority when considering and determining applications under the Licensing Act 2003. The Licensing Objectives are:
- The prevention of crime and disorder;

- Public safety;
- The prevention of public nuisance;
- The protection of children from harm.

- 1.4 The Licensing Authority must carry out its functions with a view to promoting the Licensing Objectives. Regard must also be had to Section 182 Guidance, issued in June 2013 to Local Authorities by the Secretary of State, Department For Culture, Media and Sport. Where the Licensing Authority decides to deviate from this Guidance, it must have justifiable reasons for doing so.
- 1.5 The Statement of Licensing Policy provides guidance to Local Authorities, of matters to be considered when determining applications under the Licensing Act 2003. It also assists applicants, Responsible Authorities, and all those making representations (objections) in conjunction with the decision making process.
- 1.6 The scope of a Licensing Policy Statement covers the following:
- Retail sales of alcohol;
 - The supply of alcohol by or on behalf of a Club or to the order of a member of the Club;
 - The provision of regulated entertainment;
 - The provision of late night refreshment;

2.0 Consultation

- 2.1 Public consultation of the Draft Licensing Act Policy Statement took place between the 27th June 2013 and the 19th September 2013 in accordance for the requirements for a 12 week consultation.
- 2.2 A range of organisations and individuals have been directly consulted about the proposals, including:
- Responsible Authorities;
 - Ward Councillors;
 - All Premises Licence and Club Premises Certificate holders in the Borough;
 - Neighbourhood Panels and Residents Groups;
 - Hospitality and Trade associations.
 - Various forums of Representative Groups
- 2.3 The Draft Policy was posted on the Council's website:
<http://www.eastbourne.gov.uk/about-the-council/consultations/licensing-policy/>
 and www.eastbourne.gov.uk/council/consultations/licensing-policy/
- A copy of the Draft Licensing Policy Statement is included in **Appendix 1**.
- 2.4 Site Notices were also placed at the Town Hall, the Council Offices and the Public Library on Grove Road.
- 2.5 All premises licence holders and club premises were sent correspondence informing them of the consultation was sent on 27th June 2013.
- 2.6 Following a request from the Chair of the Town Centre Panel, Mr Virgo presented the draft policy to the Town Centre Panel on the 25th July 2013.

3.0 **Overview of feedback**

3.1 To date, the Authority has received 2 responses to the Draft Licensing Policy Statement.

3.2 A copy of the feedback is included at **Appendix 2**, however a summary appears below:

Town Centre Manager

I am sure you are aware of the increasing opportunity, through both new and existing planning regulation changes, for the major supermarket chains to increase their high street presence, i.e. Tesco in Grove Road and Sainsbury's proposals in Old Town.

I would be concerned that the cumulative impact policy on alcohol sales for the town centre is robust enough to determine future applications in the light of likely increases in planning applications.

Town Centre Neighbourhood Panel Chair

On behalf of the Town Centre Neighbourhood Panel I am writing to give our views on the proposed Statement of Licensing Policy. The Panel fully supports the proposed policy and is particularly appreciative of the provisions of the Cumulative Impact Policy. We know from experience the value of these policies and value highly the provisions to address the licensing objectives and the application of the Cumulative Impact Policy to improve the quality of life for Town Centre residents.

4.0 **Timetable For Implementation**

4.1 The table below demonstrates the timetable for implementation to replace the previous Licensing Act Policy Statement

4.2

Procedure	Dates
Public consultation	Public Consultation 27 th June 2013 - 19 th September 2013
Full Licensing Act Committee: <ul style="list-style-type: none">- Results of consultation- Revise as appropriate- Delegate any further revisions prior to approval by Full Council to the Senior Head of Infrastructure in consultation with the Chair of the Licensing Act Committee and the relevant Cabinet Portfolio Holder	7 th October 2013
Seek Cabinet Comments	23 rd October 2013
Seek Full Council Approval	20 th November 2013
Publication of Policy	November 2013

Policy in force	1 st January 2014
-----------------	------------------------------

5.0 Links to The Strategic Vision

- 5.1 The Licensing Authority will continue to work in partnership with business, interested parties, local residents and stakeholders to effectively maintain the objectives of the Licensing Act 2003.
- 5.2 The Corporate Plan 2010-2015 (refreshed in 2013) sets out the Council's priority themes and aims for the authority.

This is can be found via:

<http://www.eastbourne.gov.uk/EasysiteWeb/getresource.axd?AssetID=215854&type=full&servicetype=Inline>

- 5.3 The Statement of Licensing Policy is instrumental in delivering the aims of the Corporate Plan.

6.0 Recommendations

- 6.1 Members are recommended to agree the recommendations above:

7.0 Financial & Resource Implications

- 7.1 The cost of administering the Licensing Service is met through licence fees.

8.0 Human Rights

- 8.1 The provisions of the Human Rights Act, 1998, must be borne in mind by the Committee when taking licensing decisions under the Licensing Act, 2003. Particular regard should be had to Article 1 of the First Protocol, which relates to the protection of property and the peaceful enjoyment of possessions and property.
- 8.2 Article 8 relates to the right to respect for private and family life, home and correspondence - should also be borne in mind. While the Human Rights Act makes it unlawful for a local authority to act or to fail to act in a way that is incompatible with a Convention right, Article 1 of the First Protocol and Article 8 are both qualified rights which means that interference - to a justifiable extent - may be permitted as long as what is done:

- Has a basis in law;
- Is intended to pursue a legitimate purpose
- Is necessary and proportionate; and
- Is not discriminatory;

Background Papers:

LICENSING ACT 2003 SUB COMMITTEE PROCEDURE	105

Executive Summary

In accordance with the revised Guidance from the secretary of State, the Licensing Authority is required by the Licensing Act 2003 to produce every five years, a Statement of Licensing Policy, which sets out how it will exercise its licensing functions in respect of applications for the retail sale of alcohol, the supply of alcohol to members of a club, the provision of regulated entertainment and the provision of late night refreshment in the Eastbourne Borough area. The following is a summary of the key provisions of the Council's Statement of Licensing Policy.

The Policy explains the approach the Council intends to take in order to meet the four Licensing Objectives stated in the Act as follows:-

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

In the Policy, the Council recognises that longer, more flexible trading hours can contribute to easing crime and disorder problems by ensuring that large numbers of customers do not leave licensed premises at the same time.

This often helps reduce congestion at taxi ranks and late night fast-food outlets. The policy does not therefore set fixed trading hours, although the Council recognises that stricter conditions may be necessary in certain instances, for example with regard to noise, additional control mechanisms and conditions may need to be applied in more densely populated residential areas.

The Policy does not seek to artificially introduce staggered closing times. Shops and supermarkets will generally be permitted to sell alcohol at any time during their normal trading hours, unless there are very strong reasons for restricting those hours.

The Act gives licensed premises the opportunity to operate for longer periods. However, with these opportunities come additional responsibilities and the Council will have regard to its obligations under Section 17 of the Crime and Disorder Act 1998 when dealing with licensing applications. That law places a duty on the Council to do all it

reasonably can to exercise its functions with due regard to the likely effect on crime and disorder, alongside the need to prevent it. The Policy also identifies that the Council will bear in mind its duties in relation to closure orders under the Anti-Social Behaviour Act 2003. That power can be used if it is reasonably believed that a public nuisance is being caused by noise emanating from licensed premises, or premises subject to a temporary event notice where closure is necessary to prevent that nuisance.

The Council welcomes proposals that enhance the range of cultural and entertainment opportunities available to as wide a range of age groups as possible. It recognises that as part of implementing local strategies, proper account should be taken of the need to encourage and promote live music and dancing for the wider cultural benefit of the community, the Council seeks to encourage the provision of theatre and the dramatic and performing arts in the Borough.

The Council also welcomes proposals for the provision of regulated entertainment which does not involve the sale and supply of alcohol, or to which such sale and supply of alcohol is genuinely ancillary to an activity. The Council envisages that this offers a wider choice of entertainment to local residents, businesses and visitors.

The Council recognises the importance of the provision and variety of venues for entertaining young people. This can be a factor in reducing anti-social behaviour and youth related disturbances that cause problems for local residents and businesses. It welcomes proposals for the provision of regulated entertainment for persons under 18 years of age, subject to the necessary controls being put in place to safeguard children and young people.

The Council does not seek to limit the access of children to licensed premises, unless it is necessary for the prevention of harm. The wide range of premises that require licences means that children can be expected to visit many licensed venues for food or entertainment.

Crime and disorder associated with licensed premises can cause significant concern to licence holders, customers and the community. The Policy identifies key areas of concern, such as drugs, alcohol-related crime, under age sales and the inappropriate promotion of alcohol, which can lead to binge drinking. These are issues licence holders must consider as part of the application process, and throughout the currency of any licence or permissions.

The Policy considers the implications of nuisance on the local community and customers. This includes noise from the licensable activities, noise from those attending, smoking areas, vibration from the activity, noxious smells, light pollution, and accumulations of rubbish and litter.

The Policy outlines when conditions should be imposed and what is expected to be included in an Operating Schedule.

The Policy points out that in determining applications, the Council will consider each case on its individual merits.

The Council expects that in the majority of cases, it will not receive representations about the effect of an applicant's proposals on one or more of the Licensing Objectives. In these cases, the Council will grant the licence subject to conditions which reflect the applicant's proposals and any mandatory conditions required by law.

Where the Council does receive relevant representations, it will seek to focus on the steps required to promote the particular Licensing Objective(s) which has given rise to the specific representation and avoid straying into undisputed areas. The Council will therefore grant the application, if it can do so, subject to such conditions considered necessary to promote the four Licensing Objectives and any mandatory conditions.

Such conditions will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned. Alternatively, the Council may decide to exclude a particular licensable activity or reject the application if it considers it necessary to do so to promote the four Licensing Objectives.

The Policy sets out the way that the Council will integrate the Statement of Licensing Policy with other national, regional and local strategies in order to promote the Licensing Objectives.

The Policy outlines how the Council intends to extend its joint enforcement protocol with Sussex Police, based on a risk assessment basis. The Council aims to co-ordinate inspections and the deployment of its enforcement resources. The Protocol also deals with our shared responsibility for enforcing the law in relation to the sale of alcohol to underage persons. The Council, in carrying out its duties in relation to

regulatory inspections and enforcement, is mindful of the principles set out in the Hampton Review and the Better Regulation Delivery Office.

The Policy points out that the Council will expect premises to be properly controlled and managed by responsible operators. This should prevent or minimise problems being caused to any other groups involved in the licensing process, including residents. The Council will continue to work closely with the Responsible Authorities and other Partners to ensure legislation and local standards are met. It will intervene where the provision of licensable activities is carried on in a manner that does not promote the four Licensing Objectives, and falls into conflict with the Council's strategic aims and vision.

The Policy recognises that it will not be easy for the Council to reach a decision that satisfies everyone. A balancing exercise will be conducted to allow an operator to carry on licensable activities in such a way that those who would otherwise be affected by the operation are adequately protected. Alternatively, the Council may decide to exclude a particular licensable activity, or to reject the application if this is considered necessary to promote the Licensing Objectives.

However, it is hoped that all those involved in the licensing process will continue to work together in a spirit of co-operation and partnership that has existed since the Council became responsible for this area of licensing.

In this respect, the Policy states that regular liaison between licence/certificate/authorisation holders and local residents, local businesses and their representative organisations is to be expected.

The Council recognises the legislative changes brought about by the Police Reform and Social Responsibility Act 2011, including;

- The maximum amount of time permitted each year under Temporary Events Notices (TENS) and the introduction of short notice TENS
- The introduction of Licensing Authorities and Primary Care Trusts as responsible authorities

At present the Council does not propose to introduce an Early Morning Restriction Order or Late Night Levy as per the Police Reform and Social Responsibility Act 2011.

In accordance with The Legislative Reform (Minor Variations to Premises Licences and Club Premises Certificates) Order 2009 the Council recognises and welcomes the introduction of minor variations to enable businesses to alter minor aspects of their premises licence without the necessity to lodge a full variation application, thereby reducing bureaucracy for the business concerned.

The Council recognises the deregulation of certain aspects of public entertainment in accordance with the Live Music Act 2012 that states that live music is no longer regulated by the Licensing Act 2003 if:

- Live music takes place between 08:00 hours and 23:00 hours
- Live Music takes place at a licensed premises or workplace
- The audience is less than 200 people

Permission under a premises licence for live unamplified music is not required at all between 08:00 and 23:00 hours

The Council is also aware of the Licensing Act (Descriptions of Entertainment) (Amendment) Order 2013 which proposes to:

- Deregulate plays and dance for audiences of up to 500 people, between the hours of 08:00 and 23:00 (with the exception of sexual entertainment)
- Deregulate indoor sport for audiences up to 1000 people between the hours of 08:00 and 23:00 hours
- Clarify that Mixed Martial Arts and other combined fighting sports are a form of boxing and wrestling for entertainment purposes

1.0 Introduction and Purpose

1.1 Eastbourne Borough Council (the Council) is the Licensing Authority under the Licensing Act 2003 (the Act) and is responsible for granting premises licences, club premises certificates, temporary event notices and personal licences in the Borough in respect of the sale and/or supply of alcohol, the provision of regulated entertainment and late night refreshment.

1.2 The Act requires the Licensing Authority to publish a 'Statement of Licensing Policy' which sets out the policies the Licensing Authority will generally apply to promote the Licensing Objectives when making decisions on applications made under the Act.

1.3 This 'Statement of Licensing Policy' has been prepared in accordance with the provisions of the Act and Government Guidance issued by the Secretary of State for Culture, Media and Sport under Section 182 of the Act, as revised in **June 2013**.

1.4 Licensing is about the regulation of licensed premises, qualifying clubs and temporary events within the terms of the Act. Conditions, where attached to the various permissions, will focus on matters that are within the control of individual operators and others granted relevant permissions.

1.5 These matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places. Whether or not incidents can be regarded as being "in the vicinity" of licensed premises or places is ultimately a matter of fact to be decided by the Courts in cases of dispute.

1.6 In addressing such matters consideration will primarily focus on the direct impact of the activities taking place at the licensed premises on members of public living, working or engaged in normal activity in the area concerned.

1.7 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises and, therefore, beyond the direct control of the individual licensees. There are a range of mechanisms including:

- Planning controls

- Positive measures to create a safe and clean town centre environment in partnership with local businesses, transport operators and other departments of the local authority the provision of Closed Circuit Television (CCTV)
- Police enforcement of the general law concerning disorder and anti social behaviour, including the issuing of fixed penalty notices
- The prosecution of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk
- The confiscation of alcohol from adults and children in designated areas
- Police powers to close down instantly for up to 24 hours any licensed premises or temporary event on grounds of disorder, the likelihood of disorder or noise emanating from the premises causing a nuisance and
- The power of the police, other Responsible Authorities, Ward Councillor or a local resident or business to seek a review of the licence or certificate in question.

1.8 The Licensing Authority expects every holder of a licence, certificate or permission to accept and be responsible for minimising the impact of their activities and anti-social behaviour by their patrons within the vicinity of their premises by taking appropriate measures and action consistent with that responsibility.

1.9 This Licensing Policy does not:

- undermine the right of any individual to apply for a variety of permissions and to have each application considered on its individual merits,
- Override the right of any person to make representations on an application, or seek a review of a licence or certificate, where the 2003 Licensing Act allows,

1.10 This Policy will be used as a basis in coming to consistent and transparent decisions in respect of licence applications.

1.11 The Licensing Authority has taken full account of the Guidance issued to it by the Secretary of State under Section 182 of the Licensing Act as revised in **June 2013**.

1.12 Where it is considered necessary to depart from that Guidance, the Licensing Authority will give its reasons for doing so. Additionally, in formulating this Policy, the Licensing Authority has had regard to a range of legislation, including the provisions of the European Convention on Human Rights and Act 1998, the Race Relations Act 1976, amended in 2000, and has taken into account the provisions of the Crime and Disorder Act 1998 and the Police Reform and Social Responsibility Act 2011.

2.0 Policy Consultation and Review

2.1 The Policy should be re-published every 5 years. During the five year period, the policy will be kept under review, and may be revised if the Licensing Authority considers it appropriate. The previous policy was approved in February 2011.

2.2 For example, where there has been feedback from the local community, Responsible Authority or other interested party on whether the licensing objectives are being met. Before revising it or determining its Policy for any 5 year period, the Licensing Authority must consult with:

- the chief officer of police for the area;
- the fire and rescue authority for the area;
- each local authority's Director of Public Health in England (DPH) or Local Health Board in Wales for an area any part of which is in the licensing authority's area;
- persons/bodies representative of local premises licence holders;
- persons/bodies representative of local club premises certificate holders;
- persons/bodies representative of local personal licence holders; and
- persons/bodies representative of businesses and residents in its area.

2.3 The Licensing Authority shall foster ownership, co-ordination and partnership. It will involve partners from the Licensing Authority, including Planning, Environmental Health and Safety Authorities, the Police, the Fire Authority, Crime Reduction Partnerships, town centre managers, local business, local people and their representatives, local transport providers, and those involved in child protection. Consultation will also take place with entertainment and licensed business managers to encourage understanding and ownership of the Policy and good practice.

3.0 Fundamental Principles

3.1 In carrying out its licensing functions, the Licensing Authority will aim to promote the four Licensing Objectives set out in Section 4 of the Act:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

3.2 This Policy is not intended to duplicate existing legislation and regulatory regimes that already place obligations on employers.

3.3 The Licensing Authority will not take 'need' for premises into account when considering matters. This is interpreted for the purposes of this policy as the commercial demand for premises offering a particular type of licensable activity. 'Need' is not a matter that the Licensing Authority can take into consideration when discharging its licensing function. It is a matter for the local Planning Authority and for the market to decide.

3.4 Conditions attached to licences and certificates will be tailored to the individual style and characteristics of the premises, and the events concerned. Conditions will relate to the licensing objectives and will be restricted to matters within the control of individual licence holder.

3.5 Licence holders will be required to ensure compliance with any conditions attached to a licence. The Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.

3.6 All relevant representations will be considered during the decision making process, unless they are considered to be frivolous, vexatious or repetitious.

3.7 Each application will be considered on its own merits. Nothing in this Policy will undermine the right of any individual to apply for the variety of permissions needed to operate or the right of any person to make representations on an application or to seek a review of a licence or certificate where provision has been made for them to do so in the Licensing Act 2003.

3.8 Changes to statute, statutory instruments and case law may give rise to binding legal considerations that may appear to invalidate a part or parts of this statement. If this occurs, the policy overall is deemed to continue in effect, following the minimum amount of amendment. The requirement for a full consultation will be determined with reference to the material changes to the statement.

4.0 Local Features and Characteristics of the Borough

4.1 Eastbourne is a thriving seaside town and a spectacular gateway to the South Downs National Park and beauty spot, Beachy Head. It has a resident population of approximately 98,500 persons and is the fastest growing town for families in the South East.

4.2 Eastbourne has five miles of beaches, an extensive marina complex and over 4,000 acres of South Downs countryside. Tourism is crucial to this cosmopolitan area and is Eastbourne's primary industry. Generating over 4.8 million visitors and 7,464 jobs, tourism is worth over £343 million to the local economy every year, and brings over £11 million in conferencing business.

4.3 One of the largest accommodation stocks in the South East, Eastbourne has approximately 7,500 bed spaces. The town stages a busy events programme which includes international tennis, theatre shows direct from the West End and an international four day air show, Airbourne, bringing over 800,000 visitors.

4.4 In addition, a 10 year Tourism Strategy seeks to secure investment in the town. It develops new marketing initiatives which will add new audiences for Eastbourne in the future, targeting 35+ age groups with higher spending capability.

5.0 Decision Making Process

5.1 The types of applications covered by the Act and relevant to this policy are:

- Personal licences
- New Premises licence applications
- Provisional statements
- Full and Minor Variations to Premises Licence
- Transfers
- Temporary Event Notices
- Interim Authorities
- Reviews
- Club Premises Certificates
- Matters involving the Designated Premises Supervisor

5.2 Licensing decisions and functions may be taken or carried out by the appropriate Licensing Committee of Eastbourne Borough Council, except for those relating to the making of a Statement of Licensing Policy, or delegated to the Licensing Sub-committee, or in appropriate cases to Officers of the Authority.

5.3 Many of the decisions will be largely administrative and it is anticipated that they will be made by Officers, in the interests of speed, efficiency, and cost effectiveness.

5.4 The terms of delegation of licensing functions are set out below.

Matter to be dealt with	Full Licensing Committee	Sub-committee	Officers
Application for personal licence		If a police objection	If no relevant representation made
Application for personal licence With unspent convictions		If a police objection	
Application for premises licence/club premises certificate		If a relevant representation made	If no relevant representation made

Application for provisional Statement		If a relevant representation made	If no relevant representation made
Application to vary premises licence/club premises certificate		If a relevant representation made	If no relevant representation made
Application to vary designated premises supervisor		If a police objection	All other cases
Request to be removed as designated personal licence holder			All cases
Application for transfer of premises licence		If a police objection	All other cases
Application for interim authorities		If a police objection	All other cases
Application to review premises licence/club premises certificate		All cases	
Decision on whether a complaint is irrelevant, frivolous, vexatious, etc.			All cases
Decision to object when local authority is a consultee and not the relevant authority considering the application			All cases
Minor variation			All cases
Determination of a police objection to a temporary event notice		All cases	

5.5 The power to grant licences and permissions includes the power to renew, vary, refuse, suspend or revoke such licence or permission and the power to impose conditions.

5.6 The role of the Licensing Authority is primarily to regulate the carrying on of licensable activities. It recognises the differing specific interests of those involved in the licensed trade, the carrying out of those activities and their likely impact. The Licensing Authority is keen to ensure that the licensing objectives are promoted, taking account of the wider interests of the community.

6.0 Integration and the Promotion of Other Strategies

6.1 The Licensing Authority shall secure the proper integration of this Policy with local crime prevention, planning policy, transport, tourism and cultural strategies by undertaking a range of functions including:-

- Liaising and consulting with the East Sussex Fire & Rescue Service;
- Liaising and consulting with the Local Strategic Partnerships, Safety Advisory Groups and other Community Safety Partnerships;
- Liaising and consulting with the Planning and Highways Authority;
- Liaising and consulting with tourism, stakeholder groups, such as the Business Forum and the economic development functions for the Council;
- Having regard to any future documents issued relating to the Private Security Industry Act 2001, for example liaison or information sharing protocols;
- Liaising and consulting with the Trading Standards Team, for example with regard to test purchasing codes of practice;
- Liaising and consulting with the Sussex Police, Community Safety Partnerships and following the guidance in community safety and crime and disorder strategies;
- Having regard to local and national strategies to promote safer socialising, responsible drinking and alcohol treatment services.
- **Liaising with the local authority's Director of Public Health in England (DPH)**

6.2 The Licensing Authority shall have due regard to the need to eliminate unlawful discrimination, and to promote equality of opportunity and positive relations between persons of diverse backgrounds, in line with statutory requirements and the Council's Equality and Fairness Strategy. This includes communities of interest such as; disabled people; racial and ethnic groups and faith groups.

6.3 The Policy supports the Eastbourne Tourism Strategy. It recognises the benefits for the local economy of creating a safe and more attractive town centre. The Licensing Committee may receive any reports relevant to the needs of the local economy for the area in order to ensure that it considers all relevant matters. It may also receive information relating to the employment within the Borough,

and the demand for new investment and employment where appropriate.

7.0 Other Regulatory Regimes and Avoidance of Duplication

7.1 This Policy avoids duplication with other regulatory regimes wherever possible. The following are generally considered under separate regimes:

- **Health and Safety:** Certain premises will be the subject of health and safety enforcement by the Local Authority or the Health and Safety Executive (HSE). If other existing law already places certain statutory responsibilities on an employer or operator of premises, for example the Management of Health and Safety at Work Regulations 1999, it will not be necessary to impose the same or similar duties on the premises licence holder or club under the Licensing Act 2003.

However, existing duties will not always adequately cover specific issues that arise on the premises in connection with, for example, certain types of entertainment. Additional conditions or supplementary measures may be considered appropriate to effectively promote the licensing objectives.

- **Fire Safety:** Premises and their operators must have regard to current fire safety regimes and the Regulatory Reform (Fire Safety) Order 2005.
- **Food Hygiene:** Licensed premises engaged in a food business will be registered and subject to risk-based food hygiene inspections by the Council's Specialist Advisors.
- **Noise:** Statutory and Public nuisances are dealt with by the Council's Specialist Advisors and Customer Case Workers under the Environmental Protection Act 1990 and associated legislation. Noise from commercial premises may often fall under this regime in addition to closure powers as set out in other legislation designed to control the conduct of licensed premises.
- **Public Sector Equality Duty:** requires public authorities, in the exercise of their functions, to have due regard to the need to: eliminate unlawful discrimination, victimisation and harassment; advance equality of opportunity; and foster good relations between people who share a relevant protected characteristic and those who do not share it. The local authority has a written

statement in regard to these obligations which this Licensing Policy Statement has taken account of.

- **Community Relations:** Integration of corporate strategies with the Policy recognises the Council's role, as a community leader, to promote community cohesion and good relations between diverse communities.
- **Anti-Social Behaviour Act 2003:** Provides that if the noise from any licensed premises is causing a public nuisance, an authorised Officer has the power to issue a closure order in respect of it effective for up to 24 hours. This complements the Police powers under the act to close licensed premises for temporary periods for violent or disorderly conduct.
- **Litter and Smoking:** Authorised Officers of the Council have powers to enforce premises operators' responsibilities under smokefree legislation and duties to keep external areas clear of litter.
- **Equality Act 2010:** Applicants for new premises, or for variations involving changes to the layout of premises, must have regard to this legislation.
- **Gambling Act 2005:** Where the principal purpose is gaming, the sale of alcohol and the provision of entertainment in such premises is generally incidental to gaming. However, in some instances, permissions may be required under the Licensing Act. Applicants will have regard to the licensing objectives of both regimes, but duplication of conditions will be avoided where possible.
- **Planning:** The Licensing Authority will not duplicate matters considered as part of a planning application. Licensing decisions will take into account any relevant planning decisions and will not normally cut across this. It is for individuals to ensure that they have the relevant planning permission in place before trading.

8.0 Cumulative Impact

8.1 The impact of the number, type and density of licensed premises in a given area may lead to problems of noise, nuisance, crime and disorder outside of, or a distance from licensed premises. Cumulative Impact is defined as the "potential impact upon the Licensing Objectives of a significant number of licensed premises concentrated in an area," and is a proper matter for consideration by the Licensing Authority.

8.2 The Licensing Authority may receive representations from a Responsible Authority or 'interested party' that the cumulative effect of licences is leading to an area becoming saturated. This creates exceptional problems of disorder and nuisance, over and above the impact from individual premises which undermines the promotion of one or more of the licensing objectives.

8.3 This should not be confused with "need" which relates to the commercial demand for a particular type of operation in an area. "Need" is a matter for the market to decide, and does not form part of this Policy.

8.4 In July 2007, the Licensing Authority determined that the concentration of licensed premises in a specified area of the town centre causes crime, disorder and public nuisance. In 2007, it was agreed that this area should be subject to Cumulative Impact Policy.

8.5 A full copy of the Council's latest Draft Cumulative Impact Policy is included at Appendix 2.

8.6 The absence of a Cumulative Impact Policy in an area does not prevent any Responsible Authority or 'interested party' making representations in respect of an application for a new or variation to a premises licence. This could be on the grounds that the premises will give rise to a negative cumulative impact on one or more of the licensing objectives. The Policy applies to all new and variation applications under the Licensing Act 2003, and can be applied to a wide range of premise type, including where alcohol is to be made available either on or off the premises, and late night refreshment houses.

8.7 In reaching decisions regarding cumulative impact, the Council will have regard to other mechanisms falling outside of the licensing regime which may also be available to address this issue, including;

- Planning controls, where development or change of use is involved, or where trading hours are limited by planning controls;
- Police enforcement of the law concerning disorder and anti-social behaviour, including the issue of fixed penalty notices.
- The prosecution of any personal licence holder or member of staff at such premises which is selling alcohol to people who are drunk or under the age of eighteen.
- Police and Council powers to instantly close for up to 24 hours any licensed premises or temporary events on grounds of disorder, the likelihood of disorder or excessive noise emanating from the premises.
- The power of the Police, other Responsible Authorities or a local resident or business to seek a review of the licence or certificate in question at any time.

8.8 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of licensed site or operator. The Licensing Authority will primarily focus on the direct impact of the activities taking place at or immediately outside the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.

8.9 The Licensing Authority will not impose 'blanket' standard conditions on granted licences, save for the Mandatory Licensing Conditions covered by the Act. Conditions attached to licences shall be on a case by case basis, tailored to the individual styles and characteristics of the premises and events concerned.

8.10 Conditions will be used to reflect the circumstances and needs of any particular operation insofar as they are necessary for the promotion of one or more of the four licensing objectives. Many conditions supporting these objectives arise from the applicants' Operating Schedule and will be incorporated in licences as a matter of course.

9.0 Trading Hours

9.1 The Licensing Authority recognises that longer, more flexible licensing hours can contribute to easing crime and disorder by avoiding large concentrations of customers leaving premises simultaneously. This, in turn, reduces congestion and potential conflict at other locations, for example, taxi ranks and fast food outlets.

9.2 This Policy does not set fixed trading hours and does not seek to artificially introduce staggered closing times. The Council will consider each particular case on its merits having regard to representations, including:

- Are the licensed activities likely to cause an adverse impact on local residents and businesses, for example crime, noise and disturbance. If there is potential to cause an adverse impact, what, if any, measures will be put in place to prevent it;
- Will there be a substantial adverse increase in the cumulative impact from these or similar activities, on adjacent residential areas;
- Is there a suitable level of public transport and taxi/private hire provision accessible at the appropriate times to facilitate dispersal of patrons;
- The representations of the Police, or other relevant agency or representative.

9.3 The Licensing Authority will closely scrutinise extended hours applications to ensure that the Licensing Objectives are met.

9.4 The Licensing Sub-Committee may decide that the circumstances are such that a restriction on hours is the only appropriate means to promote the Licensing Objectives.

9.5 It will be the normal Policy of the Licensing Authority to allow shops, and supermarkets to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there is evidence for restricting hours.

10.0 Mandatory Licensing Conditions

10.1 The Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010 sets out the five additional mandatory licence conditions relating to irresponsible marketing of alcohol that apply to all licensed premises and those with a club premises certificate. From 6th April 2010, these conditions:

- Ban irresponsible promotions;
- Ban the dispensing of alcohol directly into the mouth; and
- Ensure that customers have access to free tap water so that they can space out their drinks and not get intoxicated too quickly.

10.2 Substantially similar activities to those described are also prohibited.

10.3 From 1st October 2010, these conditions will also:

- Require an age verification policy to be in place to prevent underage sales; and
- Ensure that customers have the opportunity to choose small measures of beers, ciders, spirits and wine.

10.4 In respect of on-trade premises, such as a pub, hotel or bar, or a member's club, all five conditions apply. In the case of off-trade premises, such as an off-licence or supermarket, then only the conditions relating to age verification apply.

10.5 The legislation makes clear that an irresponsible promotion is one that is "carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children."

10.6 If there is any doubt as to whether the promotion planned falls foul of the mandatory conditions, operators are advised to discuss proposals with Eastbourne Borough Council and/or Sussex Police beforehand.

11.0 The Operating Schedule

11.1 The Operating Schedule sets out how the premises propose to operate when carrying on licensable activities. It also enables the Licensing Authority, any Responsible Authority or “interested party” to assess whether the steps taken to promote the licensing objectives are satisfactory. It must include the following information:

- the licensable activities to be carried out and whether these are on or off the premises
- the proposed hours during which the relevant licensable activities are to take place
- the proposed hours that the premises are to be open to the public
- the duration of the licence (if it is to have a fixed term)
- details of who is to be the designated premises supervisor if the licensable activities include the sale or supply of alcohol
- where alcohol is to be supplied, whether the supplies are proposed to be for consumption on and/or off premises
- Details of the type of any regulated entertainment to be provided
- The Operating Schedule, detailing the steps the applicant proposes to take to promote the Licensing Objectives

11.2 The Licensing Authority will seek to ensure that licensed premises are designed and run in a way which promotes the licensing objectives. Applicants are advised that Operating Schedules should be considered by professional experts in the relevant field and that applicants consult with all Responsible Authorities when Operating Schedules are being prepared. This may limit opportunities for dispute and negate the need for hearings.

11.3 In order to minimise representations and the necessity for hearings, applicants are advised to consult with all Responsible Authorities when preparing an Operating Schedule.

11.4 Operators of licensed premises will have to comply with a variety of other regulatory regimes including; planning, environmental health, fire safety, licensing and building control legislation when opening or adapting licensed premises.

11.5 The Council will seek to avoid confusion and duplication by not imposing licence conditions relating to matters that are regulated

under other legislation, except where they can be exceptionally justified to promote the Licensing Objectives.

12.0 Prevention of Crime and Disorder

12.1 In the Operating Schedule, the Licensing Authority will require the applicant to detail the steps proposed to ensure the deterrence and prevention of crime and disorder, on and in the vicinity of the premises. This should also take account of the location, character, condition, the nature and extent of the proposed use and the persons likely to frequent the premises.

12.2 The Licensing Authority will require the licence holder to take all reasonable steps to promote responsible drinking, and put mechanisms in place to control excessive consumption of alcohol, under age sales and drunkenness on licensed premises.

12.3 This reduces the risk of anti-social behaviour occurring on the site and elsewhere after customers have left the premises.

12.4 In considering licence applications, the Licensing Authority will have regard to:

(i) The physical security features installed in the premises including: design and layout of the premises in minimising the opportunities for crime and conflict, provision of CCTV and associated recording equipment, display of crime prevention material raising patrons awareness of crime, noise, nuisance and safety issues, adequate lighting levels in the premises, metal detection and search facilities, the use of toughened /shatterproof and plastic drinking vessels within the area covered by a premises licence.

(ii) Procedures for risk assessing promotions such as 'happy hours', and cheap drink promotions which may contribute to the impact on excessive alcohol consumption as well as associated crime and disorder, and plans for minimising such risks. This will need to be considered in conjunction with the mandatory licence conditions.

(iii) The measures employed to prevent the consumption or supply of illegal drugs, including any search procedures and entry policies;

(iv) Where premises are subject to age-restrictions, the procedures in place to conduct age verification checks.

- (v) The likelihood of any violence, public order or policing problem if the licence is granted.
- (vi) The measures taken to control admission to the premises, including the use of Security Industry Authority (SIA) licensed door supervisors.
- (vii) Any other such measures as may be appropriate, including; participation in a local Pubwatch or Nightwatch scheme, or other body designed to ensure effective liaison and partnership with the local community, the use of 'music wind-down policies' and 'chill out areas' .
- (viii) Measures to effectively control the premises during key events, for example; during sporting events, during Freshers Week, Airbourne and other significant times.
- (ix) Other examples of industry Best Practice.
- (x) Any representations made by the Police, or other relevant agency or representative.
- (xi) Steps taken to train staff in licensing law and raise awareness of issues in relation to licensed premises, including; excessive consumption of alcohol, underage and proxy sales of age restricted products, drug misuse and associated crime prevention strategies.

12.5 Where applicable, applicants must show that they can comply with the Home Office guidance in relation to the control of illegal drugs on their premises. They shall also adhere to the protocol with the Police on the handling of illegal drugs found on their premises.

12.6 The Licensing Authority expects that the Designated Premises Supervisor (DPS) will spend a significant amount of time on the licensed premises. When not on the premises, it is essential that the DPS is contactable, has given their written consent and has left a competent, authorised person in charge to act in their absence. It is expected that this person, will normally be a personal licence holder.

12.7 The Licensing Authority will keep itself well briefed on the nature, location and type of premises where alcohol related violence,

disorder and nuisance are occurring so it can take full account of the facts and avoid exacerbating problems.

12.8 Where licensed premises are found to cause nuisance or be associated with disorder, unreasonable disturbance, powers of revocation or the imposition of conditions may be considered. Conditions may include:

- The installation and use of CCTV and associated recording equipment to a standard specification
- Inclusion of a drugs and search policy of customers
- The use of SIA registered door supervisors
- Earlier closing times or last admissions time
- Action Plans for premises failing to meet the required standards
- Closure Orders
- Review and revocation proceedings
- Use of other mechanisms to effectively control an area where there is alcohol related crime and disorder, including powers under the Violent Crime Act 2006.

12.9 Such action to restrict the operation of sites in order to promote the licensing objectives may be taken for trial periods to allow businesses an opportunity to remedy existing instances of disorder, nuisance and/or disturbance.

13.0 Public Safety

13.1 The Licensing Authority will require the applicant to detail the steps taken to address the issue of public safety in the relevant licensed premises or place.

13.2 Conditions may be imposed in accordance with Operating Schedule to protect public safety including:-

- Specified maximum occupancy limits on the premises licence or certificate where considered necessary for the promotion of public safety or the prevention of crime and disorder.
- Provision of CCTV and associated recording equipment installed to a standard specification
- Use of shatterproof drinking vessels and bottles, requiring the use of toughened glass or plastic throughout the licensed premise.
- The use of SIA Registered Door Supervisors, and a requirement of a minimum of such, namely 1 per 100 customers where the event is attended by persons over 18 and 1 per 50 customers where the event is attended predominantly by persons under 18.
- The provision of designated and suitably qualified and trained first aiders.
- Strategies to prevent binge drinking and promote 'safer socialising' and responsible drinking.
- Systems in place to prevent the theft of items and 'spiking' of drinks.
- SIA Registered Door staff to maintain order inside and outside venues, protecting customer safety as well as participation in Nightwatch/ Pubwatch schemes to alert Police and other venues where customers and staff are perceived to be at risk
- The provision of chill out rooms/quiet areas to allow patrons to relax and unwind.

13.3 The Council would expect relevant places or premises to have carried out a risk assessment with regard to the promotion of the Licensing Objectives. A separate Fire Risk Assessment should also be undertaken to ensure that any protective and preventive measures identified are taken to ensure the safety of any relevant persons. This may include the provision of fire-fighting equipment, emergency lighting and an appropriate means of raising the alarm in the event of an emergency. Applicants and responsible persons should make themselves aware of the Regulatory Reform (Fire Safety) Order 2005.

13.4 The Licensing Authority may review what measures are in place to aid the dispersal of patrons in a quick and safe manner in order to avoid opportunities for disorder and disturbance. This may include the availability of taxis, location of taxi ranks and other late night transport systems, as well as the use of registered staff to control queues and external areas.

13.5 Where appropriate, licence holders or their authorised representatives will attend Safety Advisory Group Meetings and other planning meetings prior to large scale events which take place within licensed premises and/or in an open space. Applicants should have regard to relevant guidance and publications.

13.6 Prior consent will be required for; performance of stage Hypnotism, fireworks and lasers. Applications should contain details prescribed by the Licensing Authority. Conditions may be applied to any consent.

14.0 Prevention of Public Nuisance

14.1 The Licensing Authority will require operators to demonstrate how matters will be addressed to limit public nuisance, prevent disturbance and protect amenities.

14.2 In considering an application, the Licensing Authority will consider the adequacy of proposed measures to remove or effectively manage the potential for noise, nuisance and anti-social behaviour.

14.3 Amplified music or other entertainment noise from within the premises shall be inaudible within any residential premises. The test for compliance with 'inaudibility' will be that noise should be no more than barely audible outside of nearby business and residential properties.

14.4 The Licensing Authority will take into consideration a range of issues, and consider the imposition as appropriate of conditions, including:

- The proximity of residential accommodation.
- The type of use proposed, including the likely numbers of customers, proposed hours of operation, nature of regulated entertainment and the frequency of activity.
- Steps taken or proposed to be taken to prevent noise, disturbance and vibration breaking out from the premises. This may include music, noise from ventilation equipment, and human voices.
- Steps taken to prevent disturbance by customers arriving at or leaving the premises will also need to be detailed. This will usually be of greater importance between 10.30 p.m. and 7 a.m. than at other times of the day.
- The steps taken or proposed to be taken by the applicant to prevent customers queuing. If queuing is inevitable, then queues should be diverted away from neighbouring premises and residential accommodation or be otherwise managed to prevent disturbance or obstruction.
- The steps taken to ensure staff and customers leave the premises quietly, including the provision of appropriate "leave quietly" signage.
- Arrangements made or proposed for parking by customers specific to the licensed premises where relevant, and the effect of parking by patrons on local residents.

- The provision for public transport in the locality, including taxis and private hire vehicles for customers to facilitate dispersal.
- The level of likely disturbance from associated vehicular movement.
- The delivery and collection areas and delivery/collection times.
- The siting of external lighting, including security lighting which may cause light pollution and/or disturbance to neighbouring properties.
- The impact on refuse storage and litter.
- The history of previous nuisance complaints proved against the premises, particularly where statutory notices have been served on the present premises licence operators.
- The history of the applicant in controlling anti-social behaviour and preventing nuisance.
- The generation of odour, e.g. from the preparation of food.
- Any other relevant activity likely to give rise to nuisance.
- Any representations made by the Responsible Authorities or other relevant agency/representative.
- The use and control of gardens and other open-air areas.

14.5 Such measures may include:

- Keeping windows and doors shut save for access and egress.
- The installation of soundproofing, air conditioning, acoustic lobbies, acoustic devices and sound limitation devices.
- Operators to undertake regular checks and assessments in the vicinity of the premises and take steps to limit disturbance and noise breakout
- Limiting the number of patrons at any one time in any external areas, particularly where it is in close proximity to residential accommodation.

15.0 Protection of Children from Harm

15.1 The Licensing Authority will require the details and measures taken in relation to the protection of children from harm. This includes moral, psychological and physical harm which may be associated with licensed premises and certificated club premises. This may include exposure to strong language and sexual expletives, in the context of film exhibitions or where adult entertainment or material is provided.

15.2 It is intended that the admission of children to premises holding a premises licence or club premises certificate should normally be freely allowed, without restricting conditions unless the 2003 Act itself imposes such conditions or there are good reasons to restrict entry or to exclude children completely.

15.3 It is recognised by the Licensing Authority that drink related disorder frequently involves under 18's. To prevent illegal purchases of alcohol by such persons, the Licensing Authority recommends that all operators should implement a suitable 'Proof of Age' scheme, for example 'Challenge 25' and ensure that appropriate photographic identification is requested prior to entry and when alcohol is requested by a person appearing to be under the age of 18.

15.4 Appropriate provenance forms of identification are currently considered to be those recommended by the Police, Licensing Authority, and Trading Standards Officers.

15.5 The Licensing Authority expects that all staff responsible for the sale of intoxicating liquor receive information and training on the licensing laws relating to children and young persons in licensed premises. Licensed premises staff are required to take reasonable steps to prevent under age sales and proxy purchasing.

15.6 The Licensing Authority will not seek to limit the access of children to any premises unless it is necessary for the prevention of physical, moral or psychological harm to them. Each application will be considered on its own merit.

15.7 To reduce alcohol-induced problematic behaviour by under 18 year olds, to enforce underage purchases and to assist in the protection of children from harm, the Licensing Authority supports the following measures:-

- Police to exercise powers to remove alcohol from young people on the street as well as the implementation of Dispersal Orders.
- Test purchasing operations and the carrying out age challenges to reduce underage drinking in pubs and licensed venues.
- Further take-up of proof of age schemes will be promoted, for example "Challenge 25."
- In-house, "mystery shopper" type schemes operated by local businesses will be supported.
- Providers of licensed events specifically catering for persons under the age of 18 should consider the ratio of SIA accredited Supervisors to children, normally 1:50 to assist in the control and supervision of events, and whether all staff at such events need to be Criminal Record Bureau checked.
- Measures to prevent proxy purchase of alcohol.

15.8 The following areas give rise to concern in respect of children, who will normally be excluded from premises:-

- where there have been convictions for serving alcohol to minors or with a reputation for underage drinking;
- with a known association with drug taking or dealing;
- where there is a strong element of gambling on the premises;
- where entertainment of an adult or sexual nature is commonly provided;
- where premises are used primarily or exclusively for the sale and consumption of alcohol and there is little or no seating for patrons.

15.9 The Licensing Authority may consider the following:-

- limitations on the hours when children may be present;
- age limitations as required by mandatory condition, for example film exhibitions;
- limitations or exclusions when certain activities are taking place;
- requirements for an accompanying adult;
- full exclusion of people under 18.

15.10 Nothing in this policy shall seek to override child supervision requirements contained in other legislation or regulations. The Licensing Authority recognises the Children, Families and Schools Section as being competent to advise on matters relating to the protection of children from harm.

15.11 Applicants shall copy their applications to the Local Safeguarding Children Board (LSCB) in its capacity as the Responsible Authority.

15.12 The Licensing Authority will expect Operating Schedules to specify the measures and management controls in place to prevent alcohol being served or supplied to children, other than in those limited circumstances permitted by the Licensing Act 2003.

16.0 Entertainment of an Adult or Sexual Nature

16.1 Section 26 of the Policing and Crime Act 2009 introduces a new category of 'Sex Establishment' under Schedule 3, known as a 'Sexual Entertainment Venue' which is defined as 'any premises at which relevant entertainment is provided before a live audience for the financial gain on the part of the organiser or the entertainer'.

16.2 The new provisions were adopted by the Council on the 23rd February 2011:

It allows:

- Local people to oppose an application for a Sex Establishment Licence if they have legitimate concerns that a Sexual Entertainment Venue would be inappropriate given the character of an area.
- The Local Authority to reject a licence application if it considers it would be inappropriate given the character of a particular area.
- Setting of a limit on the number of Sexual Entertainment Venues that they think is appropriate for a particular area.
- Impose a wider range of conditions on the licences of Sexual Entertainment Venues than currently able to under the Licensing Act 2003.

16.3 'Relevant Entertainment' is 'any live performance or any live display of nudity which is of such a nature that, ignoring financial gain, it must be reasonably assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience.' This includes pole dancing, lap dancing, and striptease.

16.4 However, there is an exemption for premises which provide this type of entertainment infrequently. The Act still permits sexual entertainment to be provided in premises on no more than eleven occasions a year, with at least a month's other entertainment in between without the need for it to be registered as a sexual entertainment venue.

16.5 Entertainment provided at lap-dancing clubs which is 'integral' to the provision of the lap-dancing, such as music and dancing, will be regarded as "regulated entertainment" under the Licensing Act 2003 and will also need the relevant consents in order to be licensed appropriately.

16.6 Regard will be given to the Councils Policy in relation to Sex Encounter Establishments when applications are considered.

16.7 A code of conduct for dancers and patrons and associated procedures should be developed in consultation with the Police and the Council Licensing Team and include:

- (i) Rules of conduct for dancers and patrons, developed in consultation with the Police and the Councils Licensing Authority.
- (ii) Procedures to ensure that all staff employed in the premises have pre-employment checks including suitable proof of identity, age and, where required, appropriate permission to work.
- (iii) The exclusion of persons under 18 from the premises when such activities are taking place.

16.8 Conditions to regulate physical contact between customers and performers may include:

- Dressing room security
- Controls on advertisements, and their content
- The provision of Closed Circuit Television and appropriate recording equipment to a standard specification

17.0 The Health Act 2006 & Associated Smokefree Issues

17.1 Since the introduction of Smokefree legislation under the Health Act 2006 on the 1st July 2007, Environmental Health have received an increase in the number of noise complaints concerning noise from people smoking outside of licensed premises. This includes noise from people congregating on the public highway, and from outside areas which form part of the licensed premises for example beer gardens. This is in addition to noise breakout as people enter and leave premises to smoke.

17.2 In addition to the increase in complaints, licence variations have been received to vary the use of outdoor areas to incorporate a smoking area and/or erect a smoking shelter. Environmental Health, in conjunction with the Council's Smokefree Lead Officer, will assess each application on its merits and may, where the matter forms part of an area or activity governed by the Licensing Act 2003, make representations as appropriate.

17.3 Applicants considering the provision of a smoking area and/or shelter should consider reasonable controls to minimise the noise impact and could include the following steps:

- Develop a management plan on how to manage smoking on the premises and ensure that all staff are aware of the contents of this plan, and that it is effectively implemented.
- Noise from people smoking and talking can be intermittent, vary in character and volume and be intrusive. An effective smoking management plan will help prevent neighbours being disturbed.
- Comply with any planning conditions restricting the use of outdoor areas
- Ensure that any structures used by smokers comply with the design criteria and requirements detailed in the Heath Act 2006 and that any structures, awnings, retractable canopies, etc have the relevant planning permission.
- Any new lighting to outdoor areas must be designed so as not to cause a light nuisance to neighbours and again have the relevant planning permission and building control consent.
- Ensure that the conditions on the premises licence are complied with.
- Consideration is given to the siting of any smoking areas, to protect against the potential of second hand smoke drifting back into the premises or adjacent properties so as not to cause a nuisance to patrons and neighbours.
- Signage in the designated areas asking customers to keep noise levels to a minimum.
- Consideration given to the availability, type and siting of litter bins to cater for smoking related litter.
- Conditions restricting the hours of use of gardens and outdoor areas. Having reviewed the contents of the premises licence, applicants may find it necessary to request a variation of the premises licence.
- Any tables and chairs on the Public Highway require a tables and chairs licence under the provisions of the Highways Act 1980. Again these licences may have conditions restricting the times that the area can be used.
- Controls on drinks, glasses and bottles being removed from the premises.
- Steps to discourage smokers from remaining in gardens and outdoor areas, including conditions on the premises licence or the premises management policy may include a requirement that

- drinks are prohibited in outside areas, or prohibited after a certain time.
- A system could be introduced that after a certain time the number of smokers outside are restricted to a maximum number.
 - Staff positioned on the doors can help to encourage customers not to cause a noise problem.

18.0 Premises Licences

18.1 An application for a premises licence under the Licensing Act 2003 must be made in the prescribed form to the Licensing Authority. The application must be accompanied by:

- The required fee,
- An Operating Schedule,
- 2 plans of the premises in a prescribed form, including any external areas,
- Copies of the appropriate certificates
- If the application involves the supply of alcohol, a form of consent from the individual who is to be specified in the licence as the Designated Premises Supervisor (DPS). This person will normally have been given day to day responsibility for running the premises by the premises licence holder and the person through whom all alcohol sales are authorised.

18.2 The Licensing Authority of the Council has a helpful booklet, "Licensing Act 2003: A Guide," and a comprehensive website to assist applicants.

19.0 Planning Permission

19.1 The Licensing Authority recognises that planning, building control and licensing regimes should be properly separated.

19.2 Applications for premises licences for permanent commercial premises should normally be from businesses with planning consent already in place for the property concerned.

19.3 The Licensing Authority recognises that Licensing applications should not be a re run of the planning process, and should not cut across decisions taken by the Local Authority Planning Committee or following appeals against decisions taken by that Committee.

19.4 Similarly the granting by a Licensing Sub Committee of any variation of a licence which involves a material alteration to a building would not relieve the applicant of the need to apply for planning permission or building control or other consents where appropriate.

19.5 Proper integration should be assured by the Licensing Committee, where appropriate, by providing regular reports to the Planning committee on the situation regarding licensed premises in the area, including the general impact of alcohol related crime and disorder.

20.0 Applications for Personal Licences

20.1 In order to obtain a personal licence the requirements are that the applicant must:

- be aged 18 or over;
- complete the necessary application form
- possess a licensing qualification accredited by the Secretary of State;
- not have forfeited a personal licence within five years of his or her application;
- produce a Criminal Record Bureau certificate;
- pay the appropriate fee to the Council's Licensing Authority;
- not have a representation from the Police about the grant of a personal licence following notification of any unspent relevant offence or foreign offence; or must show that that such an offence should not lead to refusal on crime prevention grounds. This matter will be determined, if proceeded with, by a Licensing Sub Committee.

20.2 The Licensing Authority will normally refuse an application if there are any relevant unspent convictions unless the applicant can demonstrate any special circumstances to justify a departure from this Policy.

20.3 Applicants with 'unspent' criminal convictions for relevant offences set out in the Licensing Act are strongly encouraged to first discuss their intended application with the Police and the Licensing Authority before making an application.

20.4 A personal licence is valid for 10 years. A Designated Premises Supervisor must hold a personal licence.

21.0 Temporary Event Notices

21.1 A temporary event notice (TEN) is required if you wish to hold an event, involving less than 500 people, at which one or more licensable activities will take place that are not authorised by an existing premises licence or club premises certificates.

21.2 A TEN is a notification to the licensing authority that an individual intends to carry on licensable activities for a period not exceeding 168 hours or 7 days.

21.3 Who can give a TEN:

- A TEN can be given by any individual aged 18 or over, but cannot be given by a business or organisation;
- The individual giving the notice is 'the premises user';
- An individual who holds a personal licence under the Licensing Act 2003 may give up to 50 TENs in any calendar year, up to 10 of which may be 'late' TENs;
- Individuals not holding a valid personal licence are restricted to 5 TENs in any calendar year, up to 2 of which may be late TENs;
- Standard and late TENs, in any combination count towards these overall total limits for TENs;
- A TEN which relates to an event taking place within 2 calendar years counts against the limits for that individual in respect of both calendar years;
- A maximum of 12 TENs can be given in relation to the same premises in any calendar year; and
- Any premises cannot be used for activities authorised by TENs for more than 21 days in any calendar year.

21.4 The notice has been given on the licensing authority (or licensing authorities where the premises is situated in more than one authority area), with copies to the police and the local authority exercising environmental health functions - This must normally be done no later than 10 working days prior to the proposed event although there is provision for a limited number of late TENs to be served up to 5 working days, but no earlier than 9 working days, prior to the event.

21.5 A TEN can be sent electronically to the licensing authority which will forward it to the police and local authority exercising environmental health functions by the end of the working day after which the TEN was received.

21.6 The prescribed form of a TEN must be used and all required information provided. There must be a minimum of 24 hours between event periods in relation to the same premises.

21.7 On receipt of a TEN, the licensing authority must acknowledge receipt of the notice before the end of the first working day after the day of receipt (or the day after where the TEN is served on a weekend day).

21.8 The police and local authority exercising environmental health functions (relevant persons) have three working days to give an objection to a TEN where they consider that the proposed activities will undermine a licensing objective.

21.9 The objection notice must give reasons for the objection and must be given to the licensing authority, other relevant persons and the premises user.

21.10 In the case of a standard TEN, where an objection is received, the licensing authority must hold a hearing to consider the matter unless all parties agree that no hearing is necessary. The licensing authority must send a counter notice to the premises user if it considers it appropriate for the promotion of a licensing objective. In the case of late TENS, the licensing authority must issue a counter notice if objections are received from the police or local authority exercising environmental health functions.

21.11 Organisers of temporary events are strongly advised to contact the Licensing Authority and other appropriate agency for advice at the earliest opportunity when planning events. This may avoid any unnecessary objections being made that may arise from misunderstandings or confusion concerning the proposed event.

22.0 Appeals

22.1 Entitlements to appeal for parties aggrieved by decisions of the Council are set out in Schedule 5 to the Licensing Act 2003. Appeals must be made to the Magistrates' Court and made within 21 days beginning with the day on which the Appellant was notified of the Council decision. An appeal can be made by any party involved in the decision. This includes applicants, Responsible Authorities and 'interested parties.'

22.2 The Act also covers appeals in relation to temporary event notices, personal licences and closure orders. In relation to temporary event notices, premises users may appeal against the decision by a Council to give a counter notice. Applicants for personal licences may appeal against the decision to reject an application for or application to renew a licence. Where the Police lodge an objection notice to the grant or renewal of a personal licence and the Council grants or renews the licence, the Police may appeal.

23.0 Problem Premises

23.1 The Council expects licensed premises to be properly controlled and managed by responsible operators. This should prevent or minimise problems to any of the other groups affected by it, including residents and businesses in the vicinity, as well as Responsible Authorities.

23.2 However, legitimate concerns will sometimes be raised about particular operations. In those instances the Council will encourage the individuals or groups affected to raise those concerns directly with the operator in the first instance. In the Council's experience this approach can often be successful as the operator may not be fully aware of the problems and can introduce changes to improve the situation.

23.3 Where concerned individuals or groups do not wish to approach operators directly (perhaps fearing abuse or reprisals,) the Council will approach the operator to discuss the concerns and seek improvements, if required.

23.4 The Council works closely with Responsible Authorities and will intervene at an early stage where it is found that the provision of licensable activities is being carried on in a manner which does not promote the four Licensing Objectives.

23.5 The Council expects all licensees to co-operate with the agencies concerned and to deal promptly and properly with the concerns raised. Where a premises fails to meet the required standards or comply with legislation, they may be placed on an "Action Plan" or face prosecution proceedings.

23.6 The Council has a joint enforcement protocol with Sussex Police on enforcement and inspection issues to provide for the efficient and effective deployment of its staff and police officers in enforcing licensing law. This includes the targeting of resources where 'hotspot' crime and disorder premises and/or areas have been identified.

23.7 When necessary, the enforcement action will be taken in accordance with the principles of Eastbourne Borough Council's Enforcement Policy.

23.8 The Council recognises that once away from premises a minority of consumers will behave badly and unlawfully. However, licensing law

is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned.

23.9 However, the Council recognises that there are mechanisms both within and outside of the licensing regime that are available for addressing such issues. These are detailed within points 12.0 - 15.0 of this policy.

23.10 The Council does not seek to prevent any individual or group from using the formal procedures for review of a premises licence or club premises certificate. Neither does it seek to constrain the powers of the police to close premises where they consider it necessary to do so in the interests of public safety or to prevent a public nuisance.

23.11 However, the Council believes that by working in partnership with all the groups involved in the licensing process the formal review procedures and exercise of the police powers to close premises should be instituted in general after voluntary measures have been attempted.

24.0 Enforcement Policy

24.1 Premises that; generate disorder, threaten public safety, generate public nuisance or pose a risk to the well being of children will be targeted for enforcement action. Action will be focused on those responsible at the premises for its management.

24.2 The Council has an established Enforcement Policy based around the principles of consistency, transparency and proportionality in accordance with the Regulators Compliance Code.

24.3 A graduated response will be taken where offences against legislation are found, or where premises licence conditions have been breached. The action taken may range from verbal advice, written warnings, placement of the premises on an Action Plan and/or Formal Caution. Enforcement action may include prosecution proceedings.

24.4 Enforcement action is generally progressive. This does not prevent the Licensing Authority or any of the other enforcement Partners, taking more robust action where it is considered appropriate.

24.5 The Licensing Authority will seek to work with the Police, East Sussex Fire and Rescue Service and Trading Standards and other enforcement partners in the enforcement of licensing and other legislation.

24.6 Enforcement will be focused on premises or persons found to be failing to promote the Licensing Objectives and/or those where it is identified that premises or persons are failing to meet Council standards.

24.7 Attention is drawn to the targeting of agreed problem and high risk premises which require greater attention. A number of other Council and government policies, strategies and guidance documents must also be taken into account to complement the policy, including:

- Community Safety & Crime Reduction Strategies
- Drugs and alcohol Strategies
- Aims and objectives of the Private Security Industry Authority
- The Anti Social Behaviour Act 2003
- The Health Act 2006
- The Violent Crime Reduction Act 2006
- Section 182 Guidance as revised in **June 2013** in conjunction with ammendments to the Licensing Act 2003

25.0 Dealing with Representations

25.1 Where a representation is made to the Licensing Authority, it will consider whether it is valid. In determining whether a representation is valid, the Licensing Authority will first consider if the representation made appears irrelevant, vexatious, frivolous or repetitious.

25.2 Where an 'interested party' such as a local resident, business or their representative or a Responsible Authority has made a valid representation about a licensed premises, or a valid application for a licence to be reviewed, then the Council's Licensing Team may initially arrange a mediation meeting to facilitate communication between all parties and attempt to address, clarify and resolve the issue of concern.

25.3 This process will not override the right of the Licensing Authority to consider a valid representation in a committee environment or for any licence holder or other party to refuse to participate in a mediation meeting.

25.4 At any stage, following the grant of a premises licence, a Responsible Authority, such as the Police or the fire authority, or an interested party, such as a resident living in the vicinity of the premises, may ask the Licensing Authority to review the licence/certificate because of a matter arising at the premises in connection with any of the four licensing objectives.

25.5 Where the Licensing Authority considers that action under its statutory powers is necessary it may seek to:

- Modify the conditions/hours of the premises licence/certificate;
- Exclude a licensable activity from the scope of the licence;
- Remove the DPS where the sale or supply of alcohol is a feature;
- Suspend the licence for up to 3 months;
- Issue a warning, verbal or written
- Issue a Simple Caution
- Initiate prosecution proceedings;
- Revoke the licence/certificate.

26.0 Reviews

26.1 A key protection for the community is contained within the Licensing Act 2003. This is a review of the premises licence, or club premises certificate. It can be initiated at any time, where it can be shown that the licensing objectives of crime and disorder, public safety, public nuisance or the protection of children from harm are being undermined.

26.2 At any stage following the grant of a premises licence a 'Responsible Authority' which includes the Police, Council's Noise Team, Trading Standards or an 'Interested Party' such as a local resident, residents' association, Ward Councillor, local business or trade organisation may ask the Licensing Authority to review a premises licence at any time because of a matter arising at the premises in connection with the promotion of the four Licensing Objectives.

26.3 Revocation or suspension of premises licences or certificates will normally be considered where offences, such as sale of alcohol to persons who are drunk or sale of alcohol to persons under 18, occur on a regular basis. Review proceedings are often the last stage in a process where other steps have failed to address the issues that may arise:

- Action needed should seek to promote the licensing objectives but be balanced against the financial impact on the business.
- Action should be proportionate.
- Action should support the local community safety, crime reduction and drugs strategies, particularly those relating to alcohol misuse.

26.4 A review of a premises licence would normally follow any action by the Police to close down a premises for up to 24 hours on the grounds of serious crime or disorder or noise nuisance as following a closure notice, issued by a Magistrates' Court which is then sent to the Licensing Authority.

26.5 The Secretary of State has recommended that ordinarily no more than one review should be permitted by a Licensing Authority from an "interested party" unless in compelling circumstances or arising following a closure order.

26.6 Section 182 Guidance, the Guidance, issued in connection with the Licensing Act 2003 stipulates that any representation made must be in writing, relate to particular licensed premises and be relevant to the promotion of the four licensing objectives.

26.7 The value of detailed evidence to support a representation cannot be over emphasised. Persons making a representation can attend the Review hearing. The person making the representation can amplify this at the hearing, but not extend this to other matters outside of the original representation.

26.8 Partnership working and warnings:

The Guidance further states that the promotion of the licensing objectives relies heavily upon partnership working with licence holders, authorised persons, "interested parties" and Responsible Authorities in the pursuit of common aims and objectives. Reviews should not be used as a mechanism to create divisions between these groups to the extent that it undermines the benefits of co-operation and partnership working.

The Guidance recognises that it would be good practice for authorised persons and responsible authorities to give licence-holders early warning of their concerns about problems identified at the premises or in the vicinity of the premises where this can be linked back to the site and of the need for improvement. Failure to respond to these warnings or a Premises Action Plan is expected to lead to a decision to request a review of the premises licence or certificate.

26.9 When a written request for a review comes from an 'interested party,' for example a local resident, residents' association, local business or trade organisation, the Licensing Authority must first consider whether the complaint is not relevant, is vexatious, frivolous or repetitious.

26.10 'Not relevant'

A request would not be considered relevant where the matter complained of did not relate to the promotion of at least one of the licensing objectives at the licensed premise. Similarly, a general complaint over crime and disorder in a locality that is not tied or linked by a causal connection to particular licensed premises would not be considered relevant.

26.11 'Vexatious'

Vexatious requests for a review may arise out of disputes between businesses.

26.12 'Frivolous'

The national guidance notes that frivolous requests would be noticeable by their lack of seriousness. A trivial complaint may not always be frivolous, but it would have to be pertinent in order to be relevant.

26.13 Repetitious

A repetitious representation is one that is identical or substantially similar to:

- a ground for review specified in an earlier application for review made in respect of the same premises licence which has already been determined; or
- representations considered by the Licensing Authority when the premises licence was first granted, or
- representations which would have been made when the application for the premises licence was first made and which were excluded and
- in addition to the above grounds, that a reasonable interval has not lapsed since that earlier review or the grant of the licence.

26.14 Arranging the Hearing

Following receipt of a request for a review or following a closure order, the Licensing Authority will arrange for a hearing in line with the Licensing Act 2003 and regulations prescribed by the Secretary of State.

26.15 The Licensing Authority has a range of actions it can take resulting from the hearing, including:

- take no action;
- issue an informal warning to the licence holder and/or recommend improvements over a particular time period;
- modify the premises licence/certificate;
- exclude a licensable activity from the licence;

- remove the Designated Premises Supervisor (DPS) in case of poor management or other reason;
- suspend the licence for up to 3 months;
- Revoke the licence.

27.0 Administration, Exercise and Overview of Functions

27.1 The Licensing Committee will consist of 15 Councillors who will sit at least annually to discuss policy, review delegated decisions and administrative matters. The Council will review the Statement Of Licensing Policy at least every 5 years. Any changes to the Policy will include full consultation with the Responsible Authorities and other 'interested parties.'

27.2 Sub Committees of 3 Councillors will determine applications when representations have been received from interested parties and/or Responsible Authorities. A 'Hearings Procedure' has been developed to assist; decision makers, applicants, interested parties and the Responsible Authorities with the process. This is included at Appendix 5.

27.3 A Sub Committee may also refer to the Full Licensing Committee any matter it is unable to deal with because of the number of its members who are unable to take part in the consideration or discussion of any matter or vote on any question with respect to it.

27.4 Each decision of the Licensing Committee or its Sub Committee(s) shall be accompanied with clear reasons for the decision.

27.5 The Council's Authorised Officers will deal with all other licence applications where either no representations have been received, or where representations have been received and it is agreed by the parties that a hearing is not necessary.

27.6 Council Officers will make the decisions on whether representations or applications for licence applications should be referred to the relevant Licensing Committee and whether representations are frivolous, repetitive or vexatious. When representations are rejected, the person making that representation will be given a written explanation as to why that is the case.

Appendix 1:

Glossary of terms

The Act, the Guidance, the Regulations, the Council's Statement of Licensing Policy and this website may contain words and phrases with which you are not familiar. To assist you, we have set out an overview of what they mean:

Word / phrase Meaning

Act The Licensing Act 2003

<http://www.eastbourne.gov.uk/licensing>

<http://www.dcms.gov.uk>

Club Premises Certificate

This is a licence granting 'qualifying club' status to specific premises, according to a number of qualifying conditions, including the provision that there are at least 25 members and that alcohol is only supplied by or on behalf of the club.

Current applications

A schedule of all applications currently under consideration.

DCMS Department of Media Culture & Sport

<http://www.culture.gov.uk>

Designated Premises Supervisor (DPS)

The Personal Licence Holder named on the Premises Licence as being in day-to-day control of the premises through whom all alcohol sales must be authorised.

Full Licensing Committee

A Committee of 15 elected Councillors who determine Eastbourne Borough Councils overall approach to matters under the Act, with particular reference to Policy and Strategy.

Guidance

Guidance issued by DCMS under Section 182 of the Licensing Act 2003, as revised in 2010

Licensing Act 2003 – Guidance Booklet

A guide to applicants to assist in the preparation of their applications.

Hearing

When an application for a new licence or to vary an existing licence goes to a Licensing Sub- Committee for consideration.

Interested party

A resident or business in the vicinity of premise where an application for a premises licence or qualifying club certificate has been made, or where one already exists.

Justices Licence

A licence issued by the Magistrates Court under the Licensing Act 1964.

Late night refreshment

Under the terms of the Licensing Act 2003, the supply of hot food or hot drink between 11pm and 5am whether for consumption on or off the premises e.g. will cover late night takeaways and fast food outlets but also restaurants open after 11pm. See also late night refreshment.

Licensing Authority

This is the Council body which determines matters under the Act.

Licensable activities

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Licensing objectives

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

Each objective is of equal importance.

Licensing qualification

A qualification accredited by the Secretary of State (or one which is certified as if it is such a qualification or is considered equivalent)

Licensing Sub Committee

A panel of 3 elected Councillors, taken from the Full Licensing Committee who will determine matters put before it within the terms of the Act, to include new applications, variations, reviews and other representations

Mandatory Conditions

The Act sets out certain conditions that must be imposed on a premises licence in specified circumstances.

Minor Variation

Process by which minor changes can be made to a premises licence, with certain exceptions.

Negotiation

The Act, the Guidance, the Regulations and the Council's Statement of Licensing Policy all encourage those concerned with an application to resolve their differences by negotiation to avoid the necessity for hearings

Objection notice

A procedure whereby the Police can object to the grant of a premises licence, variation for a premises licence or personal licence or to a Temporary Event Notice. (See also Relevant representation)

Operating Schedule

A document in a prescribed form that sets out information about how the applicant for a premises licence intends to operate his business when carrying on licensable activities. Where an applicant for a premises licence submits an operating schedule, and there are no relevant representations (objections), Eastbourne Borough Council must grant the application and can impose only those conditions on the licence which are mandatory, and that are consistent with the operating schedule.

Personal Licences

A licence granted to an individual and authorises that person to supply alcohol or authorise the supply of alcohol in accordance with a premises licence. The licence lasts for 10 years and can be renewed

Premises

“Any place and includes a vehicle, vessel or moveable structure” providing licensable activities under the Licensing Act 2003

Premises Licence

A licence granted in relation to specific premises and will specify the nature of the licensable activity and any applicable conditions.

Premises User

The person applying for a Temporary Event Notice (TEN)

Procedure and policy

The regulations to be applied at hearings for matters under the Act

Registered club activities

Licensable activities carried on at premises holding a Club Premises Certificate

Regulated entertainment

See regulated entertainment under the Act.

Regulations

Regulations and Order to be made under the Licensing Act 2003

Relevant Representations

The Act does not use the term "objections". Instead authorised persons, interested parties and responsible authorities may make relevant "representations" about an application for a licence. Representations must relate to the licensing objectives and where made by an interested party must not be frivolous or vexatious.

Responsible Authority

Responsible Authorities are bodies that the Act says have a role in licensing and that will see all applications to vary a licence. A responsible authority can make a relevant representation about an application to vary a licence. The Responsible Authorities are:

Sussex Police
Fire Authority
Health and Safety
Environmental (Noise) Pollution
Planning
Protection of Children from Harm
Trading Standards
Licensing Authority
Primary Care Trust

Review

The proceedings set out in the Act for reviewing premises licences where problems associated with crime and disorder, public safety, public nuisance or the protection of children from harm are occurring

Second Appointed Day

The date upon which the Act and all licences issued under it come into full effect (24th November 2005)

Statement of Licensing Policy

A document that sets out how Eastbourne Borough Council will carry out licensing for the next 5 years and how it proposes to uphold the four licensing objectives and other initiatives at a local level.

Steps

The Act refers to “steps” that Eastbourne Borough Council Council can take where relevant representations have been made about an application. These are the grant subject to conditions; exclusion of licensable activities; restriction on such hours for licensable activities, rejection of the proposed premises supervisor; and rejection of the application.

Temporary Event Notices (TENs)

A TEN can be used for one-off events with less than 500 people and for less than 168 hours or 7 days. No more than 12 can be held per premises and can only be held for 21 days aggregate,

Vary/Variation

To vary a licence, or apply for a variation of a licence, means to change to a licence under the terms of the Act

Vicinity

Ultimately this will be decided by the courts but Eastbourne Borough Council will consider whether a resident or a business would be directly affected by the carrying on of licensable activities on the premises.

Appendix 2

Eastbourne Borough Council Cumulative Impact Policy 2014 – 2019

1.0 Legislative Framework

1.1 Eastbourne Borough Council, as the Licensing Authority, has a duty to comply with its obligations under Section 17 of the Crime and Disorder Act 1998, and to promote the Licensing Objectives contained within the Licensing Act 2003, namely:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

1.2 Due regard is had to guidance issued under Section 182 of the Licensing Act 2003, as revised in April 2012, concerning the cumulative impact of licensed premises within an area, and the resultant impact on the promotion of the licensing objectives.

1.3 The cumulative impact of licensed premises on the promotion of the licensing objectives under the Licensing Act 2003 is a proper matter which the Licensing Authority can take into account.

1.4 This should not, however, be equated with the 'need' for a licensed premises. This relates to the commercial demand for a particular type of premises. The issue of 'need' is a matter for the market to decide, and does not form part of the Cumulative Impact Policy or wider Licensing Policy Statement.

2.0 Definition

2.1 For the purposes of the Eastbourne Borough Council Statement of Licensing Policy, cumulative impact is defined as:

“The potential impact on the promotion of the licensing objectives where there are a number of licensed premises concentrated in one area.”

2.2 Where the number, type and density of licensed premises are unusually high, serious problems of noise, nuisance and disorder can

occur outside or some distance away from the licensed premises in question. This is described as the cumulative impact of all premises taken together.

2.3 It is recognised that the impact on surrounding areas in relation to the behaviour of patrons from a number of premises located in close proximity to one another is greater than the impact of individual premises.

2.4 The issue of cumulative impact is also linked to:

- Any material increase in the occupant capacity of the premises;
- Any change in the nature of the operation of the premises. This may include a change to layout, the provision of vertical drinking,* the inclusion of regulated entertainment, the addition of other licensable activities, extension to the times regulated entertainment and alcohol is sold or supplied, both on or off the premises;
- Consideration will also be given to applications for premises seeking to provide late night refreshment between the hours of 11.00pm –5.00am.

3.0 Context

3.1 The Licensing Authority may receive relevant representations from either a 'Responsible Authority' or an 'interested party,' that the cumulative impact of new premises licences, material changes and variations to existing permissions is leading to an area becoming saturated with licensed premises.

3.2 The issue of cumulative impact will be taken into account when considering the individual merits of an application. The onus is on the person or organisation making representations to prove any assertion by way of evidence, that the addition of the premises concerned and/or a variation to activities, hours or a change in nature of operation will undermine the promotion of the licensing objectives.

3.3 The Licensing Authority will not operate a quota of any kind which would predetermine an application, nor will it seek to impose general limitations on trading hours in particular areas unless there are clear, evidence based reasons for doing so.

3.4 Regard will be given to the individual characteristics of the premises concerned within a given area. It is recognised that pubs,

nightclubs, restaurants, hotels, theatres, and other clubs all sell alcohol, serve food and provide regulated entertainment, but with contrasting styles and characteristics.

3.5 Proper regard will be made to those differences and the impact they are likely to have on the local community. It is recognised that it may not always be possible to attribute issues to a particular premise, or patrons from a particular premises, but that cumulatively there can be a negative effect.

4.0 Adoption of Cumulative Impact Policy

4.1 Eastbourne Borough Council as the Licensing Authority adopted a Cumulative Impact Policy for the town centre in July 2007. It is mindful of the problems that can arise when numbers of premises providing licensable activities are located in close proximity to one another, or where the density of premises is out of character with the locality.

4.2 Consideration will be given to the infrastructure in place to facilitate the dispersal of patrons from an area, including the availability of late night bus services, taxis and street cleansing services when establishments offering food, alcohol and regulated entertainment close.

4.3 A major concern for the Council is the "binge drinking culture." This is particularly apparent in the town centre and its impact on policing the evening and night time economy. "Binge drinking" has increased markedly in recent years with the advent of:

- Alcopops
- Marketing focusing on young people
- Cut price alcohol promotions in venues
- Cut price alcohol obtained from off licences and an increase in the practice of drinking at home prior to attending licensed venues, known as "preloading "
- Large scale vertical drinking establishments where the primary intention of patrons is the consumption of alcohol
- Venues seeking to diversify the activities available, their mode of operation, enabling them to be open until the early hours, with the provision of regulated entertainment encouraging patrons to attend for longer periods.

4.4 In agreeing its continuation within the Licensing Policy Statement for the period 2014 – 2019, the Council considered:

- Evidence of serious and chronic concern regarding the concentration of licensed premises in undermining the promotion of the licensing objectives from a Responsible Authority, namely Sussex Police and the Council’s Officers delegated to deal with Noise issues.
- Evidence from ‘interested parties,’ to include local businesses, residents and representative groups regarding noise, nuisance and disorder where a particular concentration of licensed premises in an area of Eastbourne is considered to be causing a negative impact on one or more of the licensing objectives.

5.0 What Does The Policy Do?

5.1 The effect of adopting a Cumulative Impact Policy is to create a re-buttable presumption that applications for new premises licences, club premises certificates or material variations to such will normally be refused if relevant representations are received.

5.2 Applicants must address the Cumulative Impact Policy and produce evidence to demonstrate how the application will:

- (a) Not add to cumulative impact, and challenges already being experienced in the area or
- (b) Undermine the promotion of the licensing objectives.

5.3 The applicant must produce evidence to rebut the presumption to refuse an application within the Cumulative Impact Policy area. This Policy takes effect where a relevant representation is received.

5.4 It must be stressed that the presumption to refuse an application does not relieve Responsible Authorities or ‘interested parties’ of the need to provide supporting evidence in conjunction with a relevant representation. This must be submitted before the Licensing Authority may lawfully consider giving effect to the Cumulative Impact Policy.

5.5 Where there is evidence that a particular area of the Borough is already suffering adverse effects arising from a concentration of licensed premises, and it can be demonstrated that communities are under pressure because of it, this will be taken into account in determining any further applications or material changes to licensed premises within the area identified. This includes:

- the character of the surrounding area;
- the impact of the licence on the surrounding area, both individually, and cumulatively with existing licences;
- the nature and character of the proposed operation;
- The availability of suitable public transport, private hire vehicles and taxis to facilitate dispersal at key times;
- The availability of other support services at key times, for example street cleansing services.
- The impact upon the policing of an area

6.0 Integration of Strategies

6.1 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises and beyond the control of the licence holder but is still a key aspect of such control and will be part of a holistic approach to the management of the evening economy in towns' and city centres.

6.2 The Licensing Authority recognises that as well as licensing legislation, there are a number of other mechanisms for addressing issues of noise, nuisance and anti social behaviour which occur in the vicinity of licensed premises.

These include:

- Planning controls
- Ongoing measures to provide a safer and cleaner environment in partnership with residents, local businesses and others
- Powers to designate parts of the city which restricts the consumption of alcohol in designated public places
- confiscation of alcohol in designated areas
- Police enforcement of the law with regard to disorder and anti-social behaviour
- Police powers to close some premises for up to 24 hours in extreme cases of disorder or excessive noise
- The power of police, local businesses or residents to seek a review of the premises licence
- Enforcement action against those selling or supplying alcohol to people who are underage or already drunk.

6.3 The Licensing Authority may address a number of these issues through Community Safety Partnerships in line with the strategic objectives for crime and disorder reduction within the Borough.

6.4 The Council and Partner organisations already employ a range of mechanisms to prevent or limit cumulative impact relating to the problems arising from licensed premises and their customers causing noise, nuisance, disturbance or behaving unlawfully at, outside or in the vicinity of the premises.

6.5 The Licensing Authority and Sussex Police are aware of the problems associated with the town centre area in respect of alcohol related crime and disorder and have launched a number of initiatives to combat this including intelligence sharing about problem premises, joint licensing visits and targeted activity.

6.6 The standard shift pattern operated in the Eastbourne Borough has been altered to ensure extra resources are available to Police in the town centre at key times to tackle crime, disorder and associated nuisance.

6.7 The Police a Fixed Penalty Ticket system to ensure efficient use of resources, speed up the judicial process and ease the pressure on the Courts dealing with the results of the alcohol related crime, disorder and nuisance problems.

6.8 There is an established alcohol treatment referral scheme for those individuals who come into custody at Eastbourne Custody Centre and investment in diversionary activities for young people.

6.9 Work has been undertaken to promote safe, sensible and social drinking campaigns, including the strategic drink campaigns undertaken by Easr Sussex County Council. The Licensing Authority recognises that the Cumulative Impact Policy is one of a range of mechanisms to regulate activities of both premises and individuals.

6.10 Other measures include; the presence of Street Pastors on the town centre late at night and at weekends to assist people who may be in difficulty, an established Nightwatch Radio Scheme to facilitate communication between licensed premises and exclude problem individuals from venues, CCTV coverage and monitoring of the town centre, regular joint operations to monitor licensed premises, active use of dispersal orders, provision of facilities for young people to offer

diversionary activities and the active targeting of irresponsible drinks promotions.

7.0 Where does the Cumulative Impact Policy Apply?

7.1 Since 2007, the Licensing Authority has applied a special Cumulative Impact Policy to an area within Eastbourne Town Centre. This is identified within Appendix A along with supporting statistical information and a statement received from Sussex Police and Eastbourne Community Safety Partnership.

7.2 Following consideration of the latest evidence, the Licensing Authority has revised its Cumulative Impact Policy, taking account of relevant feedback.

7.3 The Licensing Authority believes that, following evidence from Sussex Police, in conjunction with the Crime Reduction Partnership, the cumulative impact of licensed premises in this area continues to undermine the promotion of the licensing objectives.

7.4 Within Eastbourne Town Centre, there is strong evidence of an impact on crime and disorder caused by the number of people attending licensed premises. Data has been provided in respect of the number of crimes within this area.

7.4 This area accounts for over 50% of all licensed premises in the Borough. Significant proportions of these are pubs, clubs and off licences. Although the licensed premises have differing closing times, it is evident that there is an accumulation of individuals in the town centre as a result of the services provided by the night time economy.

7.5 The capability of the transport system to disperse these numbers rapidly with minimum impact on crime and disorder and public nuisance is limited.

7.6 The Licensing Authority takes the view that problems associated with the licensing objectives are caused by the number of people attending licensed premises in this area, their movement to and from these premises and their dispersal home.

7.7 The data analysis and statements of Sussex Police and the Eastbourne Community Safety Partnership, contained in Appendix A, support the continuation of the Cumulative Impact Policy and zone.

8.0 Conclusion

8.1 The conclusion drawn in respect of the evidence is that where relevant representations are submitted, the Cumulative Impact Policy should aim to continue to limit the number of new or material variations to licensed premises. The rebuttable presumption to refuse such remains in place.

8.2 The Licensing Authority believes that the presence of a Cumulative Impact Policy in the designated area since 2007 supports and assists the range of strategies in place to tackle crime, disorder, noise and nuisance.

8.3 Accordingly, the Licensing Authority has resolved to maintain the Cumulative Impact Policy. The Policy will come into effect where relevant representations are received, will seek to prevent a further increase in the number of licensed premises and when appropriate to limit material changes to licences within that area.

8.4 The Licensing Authority wishes to encourage the provision of a range of entertainment in the area and to reduce the dominance of pubs, off licences, bars and nightclubs. Any future expansion of licensed premises and the evening or night time economy should be consistent with the wider regeneration aspirations of the Council and its partners and should actively promote an inclusive town centre for all that is a safe and pleasant place to be in. This will be balanced against any likely negative impact on the licensing objectives.

8.5 The Licensing Authority has resolved that the Cumulative Impact Policy is one such measure to facilitate this, and ensure that the correct balance is sought.

Appendix A

Cumulative Impact Strategy Policy Data 2014-2019

1.0 Introduction

1.1 This report contains information provided by Sussex Police and Eastbourne Community Safety Partnership relating to Crime and Disorder in Eastbourne and in particular the area in the town centre that has been highlighted as the Cumulative Impact Zone (CIZ).

1.2 Sussex Police have provided data and an associated statement that supports the continued existence of the CIZ.

1.3 The data provided by Sussex Police is for rolling years from March 2010 until February 2013 and includes the following crime:

- Theft & Handling
- PPVC
- Violence Against the Person (VAP)
- Criminal Damage
- Burglary
- Vehicle
- Fraud & Forgery
- Drugs
- Other Offences
- Section 27 Notices
- Antisocial Behaviour (ASB) Incidents

2.0 Sussex Police: Cumulative Impact Strategy Report: 2012/3

2.1 The report contains data to end of February 2013.

2.2 Area Analysed: The area analysed is the Neighbourhood area called Eastbourne Town Centre. The map below shows the area this encompasses:

3.0 All Recorded Crime

There have been 20,933 crimes in Eastbourne since March 2010, of which 32.6% have been in the area analysed. This is broken down by PPY below:

3.1 All Periods

All Periods	Area	Other	Eastbourne	% In Area
March '10 - February 13	6821	14112	20933	32.6%

3.1 PPY

Performance Year	Area	Other	Eastbourne	% In Area
April '10 - March '11	2398	5232	7630	31%
April '11 - March '12	2254	4612	6866	33%
April '12 - February '13	1990	3865	5855	34%

3.2 There is still one month left in the current PPY so the numbers are not directly comparable. The proportion of offences in the analysed area has increased over the last two PPY years.

4.0 Rolling Year

Rolling Year	Area	Other	Eastbourne	% In Area
March '10 - February '11	2417	5198	7615	32%
March '11 - February '12	2208	4665	6873	32%
March '12 - February '13	2196	4249	6445	34%

4.1 The number of reported crimes in Eastbourne as a whole and within the area analysed have fallen over the last two rolling years, although the decrease is slowing.

4.2 When looking at the rolling year totals, the numbers fell by 742 in 2011-2 and 428 in 2012-3. The proportion of offences occurring in the analysed area has increased from 32% in 2010-1 and 2011-2 to 34% in 2012-3.

5.0 Rolling Year (March- February): Reported Crime by Offence Type

The below shows a comparison between 2010-1, 2011-2 and 2012-3 for the period March-February:

5.1 Theft & Handling

Theft & Handling	Area	Other	Eastbourne	% In Area
March '10 - February '11	969	1697	2666	36%
March '11 - February '12	1024	1699	2723	38%
March '12 - February '13	1052	1488	2540	41%

The proportion of offences in the analysed area has increased over the last two rolling years.

5.2 PPVC

PPVC - RY	Area	Other	Eastbourne	% In Area
March '10 - February '11	586	685	1271	46%
March '11 - February '12	426	526	952	45%
March '12 - February '13	411	495	906	45%

PPVC - PPY	Area	Other	Eastbourne	% In Area
April '10 - March '11	578	693	1271	45%
April '11 - March '12	432	517	949	46%
April '12 - February '13	380	451	831	46%

The number of Violent Crimes with a Public Place marker has decreased over the last 2 rolling years both in the area analysed and Eastbourne as a whole. The proportion within the analysed area has remained fairly static.

5.3 VAP

Violence Against Person	Area	Other	Eastbourne	% In Area
March '10 - February '11	704	1210	1914	37%
March '11 - February '12	526	993	1519	35%
March '12 - February '13	495	963	1458	34%

5.4 Criminal Damage

Criminal Damage	Area	Other	Eastbourne	% In Area
March '10 - February '11	302	1207	1509	20%
March '11 - February '12	228	903	1131	20%
March '12 - February '13	245	814	1059	23%

5.5 Burglary

Burglary	Area	Other	Eastbourne	% In Area
March '10 - February '11	128	444	572	22%
March '11 - February '12	113	455	568	20%
March '12 - February '13	135	446	581	23%

5.6 Vehicle

Vehicle	Area	Other	Eastbourne	% In Area
March '10 - February '11	54	451	505	11%
March '11 - February '12	44	384	428	10%
March '12 - February '13	45	338	383	12%

5.7 Fraud & Forgery

Fraud & Forgery	Area	Other	Eastbourne	% In Area
March '10 - February '11	59	149	208	28%
March '11 - February '12	41	126	167	25%
March '12 - February '13	44	116	160	28%

5.8 Drugs

Drugs	Area	Other	Eastbourne	% In Area
March '10 - February '11	141	281	422	33%
March '11 - February '12	171	277	448	38%
March '12 - February '13	148	240	388	38%

5.9 Other Offences

Other Offences	Area	Other	Eastbourne	% In Area
March '10 - February '11	61	72	133	46%
March '11 - February '12	51	101	152	34%
March '12 - February '13	28	49	77	36%

5.10 Time Pattern of PPVC

The data is based on the earliest time at which the offence could have occurred.

The graph below shows the time and number of offences reported in the March '10 - February '13 period, for both the analysed zone and the remainder of Eastbourne:

Time of Reported PPVC Offences: March '10 - February '13

This shows that although reports of PPVC within the analysed area are low during the day, they start to rise significantly at around 2300, before falling back to low levels after 0400.

In the remainder of Eastbourne, the peak is lower and occurs earlier in the day, with the peak lasting from about 1500 to 0000.

Between 1100 and 0400, 65% of all PPVC in Eastbourne occurred in the analysed area.

The below graph shows data for just the current PPV (April '12 - February '13), and reflects similar peaks:

Time of Reported PPVC Offences: April '12 - February '13

5.11 Day Pattern of PPVC

The data is based on the earliest day at which the offence could have occurred.

The graph below shows the number of offences reported on each day in the March '10 - February '13 period, for both the analysed zone and the remainder of Eastbourne:

Days of Reported PPVC Offences: March '10 - February '13

The peak day for offences in both the analysed zone and the rest of Eastbourne is on a Saturday night, although this is not surprising as it encompasses both after midnight on Friday night and pre-midnight of the evening on the Saturday.

The high level of offences on Sunday is largely due to offences late on Saturday night (between midnight and 4am), especially within the analysed zone where it is responsible for 70% of offences on Sunday. In the other parts of Eastbourne 54% of offences on Sunday occurred between midnight and 4am.

The below graph shows data for just the current PPY (April '12 - February '13), which shows a similar pattern:

Days Of Reported PPVC Offences: April '12 - February '13

5.12 Section 27 Notices

These are notices issued by a constable where they believe it necessary, proportionate and justified to remove or reduce the likelihood of there being alcohol related crime or disorder in the locality.

It is worth noting the high volume issued and that this level has remained static.

Section 27	EE1	EE2	EE3	Eastbourne
March '11 - February '12	170	5	4	179
March '12 - February '13	168	0	0	168

5.13 ASB Crimes

ASB Crimes	Area	Other	Eastbourne	% In Area
March '10 - February '11	502	1565	2067	24%
March '11 - February '12	407	1148	1555	26%
March '12 - February '13	366	1019	1385	26%

5.14 ASB Incidents

ASB Incidents	Area	Other	Eastbourne	% In Area
March '10 - February '11	1400	4146	5546	25%
March '11 - February '12	1513	4391	5904	26%
March '12 - February '13	1455	3320	4775	30%

ASB Signal Incidents (Comparison data Jan-Jan)

Density of Incidents

Map shown produced under Ordnance Survey Crown.
East Sussex County Council, 100019601, 2006

Ward	Jan '11	Jan '12	Jan '13	Change	%
Devonshire	111	99	112	13	13.1%
Hampden Park	53	46	25	-21	-45.7%
Langney	42	30	25	-5	-16.7%
Meads	41	40	61	21	52.5%
Old Town	24	21	15	-6	-28.6%
Ratton	22	20	19	-1	-5.0%
Sovereign	34	19	16	-3	-15.8%
St. Anthony's	37	23	23	0	0.0%
Upperton	38	35	31	-4	-11.4%
Eastbourne Total	402	333	327	-6	-1.8%

ASB Type	Jan '11	Jan '12	Jan '13	Change	%
Street Drinking	12	10	39	29	290.0%
Vehicle Nuisance	33	33	34	1	3.0%
Noise Nuisance	7	5	10	5	100.0%
Rowdy Neighbours	58	53	52	-1	-1.9%
Rowdy Inconsiderate	260	215	171	-44	-20.5%
Other	32	17	21	4	23.5%
ASB Total	402	333	327	-6	-1.8%

5.15 It is worth noting that reports of ASB in Eastbourne saw a rise in January '13 to 327 incidents, up 85 (35%).

Reports of "Street Drinking" rose from December '12 to 39 (225%), which is the highest total seen in the last 12 months. Large increases were also seen in Rowdy/Inconsiderate Behaviour (up 38 reports) and Youth Related Behaviour (up 23 reports).

The largest increase of reported incidents of ASB occurred in both the Devonshire and Meads areas with all other areas remaining static or reporting a reduction.

6.0 Statement of the Police

6.1 Overall, crime has reduced throughout Eastbourne District in the rolling year figures. It is worth noting that the proportion of offences occurring within the saturation area has increased, albeit the number of Public place violent crime offences remained fairly static. We believe that this is due to the Cumulative Impact Policy currently in place which has also been used to good effect to control the extension of licensing hours.

6.2 Section 27 (Violent Crime Reduction Act 2006) figures have also been included in this document. The large amount of notices issued demonstrates the fact there are issues around alcohol related crime and disorderly conduct that require police intervention.

6.3 Weekends in the town centre continue to offer a high level of risk which is largely mitigated by some the partnership measures in place; however the link between place of purchase and impact is now often blurred by distance and time. We have particular concerns regarding the proliferation of off-licensed premises in town centre. The impact upon the community is also evidenced by the rise of reported ASB incidents involving "Street Drinkers".

6.4 Pre-loading and public space drinking after the purchase of alcohol from off-licences creates new challenges within any acceptable walking distances of the town centre, and this applies to the end of a night out when further purchases of food and alcohol are made, as well as the start.

6.5 Affordability and availability of alcohol as well as other cultural issues present an ongoing threat of harm.

6.6 It is felt that the current policy provides proportionate and effective measures to address these issues and assists both the Police and Partnership to manage the threat around violent crime, whilst also supporting the local economy and social choice.

7.0 Eastbourne Community Safety Partnership: Cumulative Impact Strategy Report: 2012/3

7.1 This report contains information on Crime and Disorder in Eastbourne and in particular the area in the town centre that has been highlighted as the Cumulative Impact Zone. Following on from the previous report that covered the period April '06 to March '10, this report covers the past 3 performance years (2010/11 to 2012/13).

It will also look at the following crime types:

- Theft
- PPVC
- Other Violence Against the Person (VAP)
- Criminal Damage
- Burglary
- Vehicle
- Fraud & Forgery
- Drugs
- Other

7.2 Data has been selected for Eastbourne as a whole and the Cumulative Impact Zone which is defined later in the document. Also to note is that the PPVC time and date figures have been taken from the 'Time From' and 'Day From' fields in the crime data and represent the earliest possible time and day that the offences could have occurred.

7.3 Finally, the Sale of Alcohol section of this report will be based on data within the 'Location Type' field, which will look at premises that are responsible for selling alcohol; Off Licences, Convenience Stores, General Stores, Newsagents and Supermarkets.

7.4 The data represents a reflection of crime rather than the authorised and fully verified "Performance Data". The data is stripped and sanitised, cleaning addresses so locations can be mapped. Only those offences where there is sufficient location information are included in the data in order to highlight and hotspot the reflection of crime and disorder in an area. Therefore the offences shown are sanitised, locations have been aggregated to comply with data protection, thereby allowing the information to be shared with outside agencies.

7.5 Methodology and Definition of ASB

The data contained within this report was supplied by Sussex Police. Prior to the 16th November 2010 all Disorderly Behaviour incident data collected by Sussex Police was collated via OIS. This was then replaced by a new system, STORM, which introduced a number of changes in the way incidents were recorded. Initial investigations revealed a reduction of approximately 13% in the number of incidents available for analysis.

It is therefore recommended that any comparison of incident data across the three periods described above be treated with caution, as any apparent patterns in the data may be related to the changes described above, rather than an actual change in patterns of ASB across the county.

It is important to note that incidents are based on details given by the caller, so may depend on their perception rather than what is actually occurring. However it is important to consider these calls because they add to the overall pattern of Crime and Disorder, especially in relation to so called low level incidents that are not recorded as an offence but nevertheless impact on people's lives and perceptions of their area.

7.6 Compliance with Freedom of Information Act 2000

Section 31 of the above act stipulates that information is exempt if its disclosure under this act would, or would be likely to, prejudice:

- a) the prevention or detection of crime
- b) the apprehension or prosecution of offenders

This report is based on data that has been supplied solely for the purposes of analysis and problem solving. As such, this report is not suitable for public dissemination without express consent of the data owners.

7.7 Area Analysed

The area covers 0.7km² and includes approximately 35 licensed pubs, clubs and bars, just over half (55%) of the total for Eastbourne as a whole. The borders of the area are as follows: From Grand Parade at its junction with Burlington Place, along to Marine Parade at its junction with Bourne Street, up Bourne Street to Ashford Road, along

Ashford Road to Terminus Road, along Terminus road to Grove Road, along Grove Road to South Street, along South Street to Cornfield Terrace, along Cornfield Terrace to Burlington Place.

The map below shows the area that has been analysed for the purpose of this report:

Map shown produced under Ordnance Survey Crown.
East Sussex County Council. 100019601, 2006

7.8 All Recorded Crime

There were 20,627 crimes reported in Eastbourne between April '10 and March '13, and 31% took place within the Cumulative Impact Zone (CIZ).

In all of the performance years analysed, the numbers of reported crimes in both Eastbourne as a whole and within the Cumulative Impact zone have fallen. When looking at the performance year totals, although the numbers of offences reported in the zone fell by 162 (-7%) in 2011/12, the proportion of offences in the area had risen to 31%.

Table 1: All Recorded Offences: Performance Year (PY) Comparisons

Performance Year	CIZ	Other	Eastbourne	% In Area
April '10 to March '11	2,261	5,323	7,584	29.8%
April '11 to March '12	2,099	4,739	6,838	30.7%
April '12 to March '13	2,001	4,204	6,205	32.2%
April '10 to March '13	6,361	14,266	20,627	30.8%

This compares with a reduction of 99 reports (-5%) in the CIZ in 2012/13, which was though an increase again in the proportion of offences in the area to 32%. The decreases in reported crime seen in the CIZ for 2011/12 and 2012/13 were consequently not as great as those recorded in Eastbourne as a whole, which were 10% and 9% respectively.

Table 2: Changes in Recorded Offences: 2010 – 2013

Performance Year		CIZ	Other	Eastbourne
2010/11 to 2011/12	No. Change	-162	-584	-746
	% Change	-	-	-9.8%
2011/12 to 12/13	No. Change	-98	-535	-633
	% Change	4.7%	11.3%	-9.3%

The tables above confirm that in the 2011/12 and the 2012/13 performance year totals, the numbers of crimes reported in both Eastbourne and the Cumulative Impact Zone have fallen.

7.9 Performance Year (April – March): Reported Crime by Offence Type

Performance year trends appear to follow a similar pattern to the previous reports. The tables below once again show that the crimes reported with the highest frequency were Theft (of which shoplifting accounted for 40%), Public Place Violent Crime (PPVC) and Criminal

Damage, with Theft and PPVC accounting for a significant proportion of all crimes reported within the zone.

- Between April '12 and March '13, 66% of all crimes reported within the analysed zone can be attributed to Theft (47%) and PPVC (19%).
- PPVC, Burglary and Violent Crime, all saw a rise in reports from 2011/12.
- All other crime types listed below have seen a reduction when compared to the previous performance year (2011/12) with the exception of Other Violence Against the Person, which remained unchanged.
- This follows a similar trend to the previous report, when Other Violence Against the Person and Burglary had both seen an increase.

Table 3: Performance Year by Offence Type: 2010 - 2013 Comparison

Theft

Performance Year		CIZ	Other	Eastbourne	% In Area
April '10 to March '11		916	1,294	2,210	41.4%
April '11 to March '12		947	1,375	2,322	40.8%
April '12 to March '13		934	1,187	2,121	44.0%
April '10 to March '13		2,797	3,856	6,653	42.0%
Performance Year		CIZ	Other	Eastbourne	
2010/11 to 2011/12	No. Change	31	81	112

7.10 Public Place Violence Crime (PPVC)

The largest numbers of Violence Against the Person offences, marked with the Public Place marker and reported within the Cumulative Impact Zone, were reported in the 2010/11 performance year. The numbers of PPVC reports during this period in both the analysed area and Eastbourne as a whole are the highest recorded in the 36 month period. However, since 2010/11, PPVC has seen a year on year reduction in Eastbourne as a whole but saw a rise in the CIZ in 2012/13 by 1%. This followed a decrease of 29% in reports from 2010/11 to 2011/12.

The numbers of PPVC offences reported within the CIZ between April '12 and March '13 increased by just 4 reports (1%) from the same period in the previous year. However, the proportion of PPVC offences committed within the CIZ has risen from 44% to 49% over the same period. This is a result of PPVC in Eastbourne seeing a reduction of 9%, while the number of reports in the area outside the zone have fallen by 17% during the 12 months to March '13.

7.11 Time Pattern of PPVC

In line with the previous reports, the PPVC offences committed within the Cumulative Impact Zone are largely concentrated at night time and at weekends, which suggests that the violence in the area is linked to the night time economy. The rest of Eastbourne follows a different pattern with only a slight variation between the days of reported violence. There is a less distinct peak recorded on Tuesdays and the peak time periods remain more erratic.

The graph below shows the time and number of offences reported in the April '12 – March '13 period, for both the analysed zone and the remainder of Eastbourne. From this it is apparent that although reports of PPVC within the analysed area are low during the day, they start to rise from 2000hrs, with a sharp peak being noticeable at 0200hrs. The peak period for offences of this nature is between 2200hrs and 0400hrs, with 57% of all PPVC crimes in the zone being reported during this 6 hour period. However, based on the nature of the area, this peak period could potentially be linked to the closing times of various pubs and clubs in the vicinity.

Graph 1: Time of Reported PPVC Offences: April '12 – March '13

The remainder of Eastbourne displays very different peaks which are more erratic throughout the 24 hour period, with random and unexplained peaks being evident throughout the day. Spikes in reporting are apparent at 1300hrs, 1400hrs, 1800hrs, 2100hrs and 0000hrs, with just under half (49.6%) of all PPVC offences being reported between 1500hrs and 2200hrs. When looking at the peak period for the zone and applying it to the rest of the district, only 28% of PPVC offences were reported elsewhere in Eastbourne between 2200hrs and 0400hrs.

When looking at PPVC in Eastbourne over a longer period of time, the peak within the Cumulative Impact Zone starts earlier at 0100hrs and continues onto 0200hrs. However, although the number of PPVC offences reported in other areas of Eastbourne start to build from about 1300hrs and peak at 2100hrs, 71% of the PPVC committed within the analysed zone occurred between 2000hrs and 0400hrs. The numbers of reports then drop off sharply into the early hours of the morning.

Graph 2: Time of Reported PPVC Offences: April '10 – March '13

7.12 Day Pattern of PPVC

The days that the offences were reported also infer a link to the night time economy, and more specifically, licensed premises within the area. Although the largest numbers of PPVC offences within the analysed zone were reported on a Saturday, 57% of all PPVC within the area occurred between Friday and Sunday. However, 72% of the offences on a Sunday were reported between 0000hrs and 0400hrs, which could imply that they occurred as a result of a Saturday night.

Graph 3: Days of Reported PPVC Offences: April '12 – March '13

Overall the days of reported PPVC in the CIZ follows the same trend as with the previous report from 2010. Both saw Saturday as the peak day with another noticeable peak on Tuesday. However, the proportion of reports from Fridays has seemed to increase while dropping slightly on Thursdays.

The remainder of Eastbourne follows a different pattern:

- Offences peaked on Tuesday and Saturday, when 66 and 62 offences were reported respectively.
- In contrast to the designated area, only 43% of offences reported outside the zone were reported between Friday and Sunday.
- 64% of all PPVC offences reported within the Cumulative Impact Zone on a Saturday were reported between 0000hrs and 0400hrs, which can be seen as a continuation of a Friday night.
- The 64% recorded within the CIZ is 35% higher than the reported PPVC committed elsewhere in Eastbourne on the same day and during the same time period.

7.13 Sale of Alcohol

When looking at the shops in Eastbourne where alcohol could be purchased, there were 510 crimes reported in the 12 months to March '13, which is a reduction of 65 (-11%) when compared to the same period in the previous year (2011/12). Just over a quarter (26%) of the offences in 2012/13 were reported within the Cumulative Impact Zone, which is no change when compared to the April '11 – March '12 period. However, the 26% of reported offences from premises that sell alcohol within the CIZ in both periods is an increase from the 23% recorded in the last report from 2009/10.

The crime that these premises reported with the highest frequency was Shoplifting, which made up 77% of all reports between April '12 and March '13. However, as the table below shows, just over a quarter (27%) of these reports were within the analysed area. Other thefts reported by premises within the zone include theft from the person, theft by an employee and theft of personal property such as a purse, wallet, mobile phone or bag.

Table 4: Offences Reported by Premises that Sell Alcohol : April '12 – March '13

Type of Crime	CIZ	Other	% in Area
Shoplifting	105	290	26.6%
Other Theft	10	40	20.0%
VAP	9	16	36.0%
Burglary OTD	*	7	30.0%
Criminal Damage	*	7	30.0%
Fraud & Forgery	*	11	8.3%
Drug Offences	*	*	33.3%
Other	*	*	100.0%
Robbery	*	*	0.0%
Total	133	377	26.1%

NB – Figures have been replaced by a '*' where totals are 5 or less

Although the numbers of the other offences are low, the proportions of crimes being reported within the analysed area are broadly similar across all crime types, ranging between 20% and 36%. The only exceptions were Fraud & Forgery, where the majority of offences were committed outside of the zone, and Robbery and other offences which both recorded a low number of reports.

7.14 Sussex Police ASB Incidents

ASB incidents are made up of calls made to Sussex Police which have not been recorded as a crime. These include such types as Street Drinking, Vehicle Nuisance, Noise Nuisance, Nuisance Neighbours and Rowdy Inconsiderate Behaviour, amongst others.

Just over a quarter (27%) of all incidents reported in Eastbourne in the 12 months to March '13 occurred within the Cumulative Impact Zone. This is an increase from 24% which was recorded in 2009/10 at the time of the previous report. However, the area has seen a reduction of 86 (-6.5%) when compared to the same period in the previous year (2011/12).

The most common incident type reported was Rowdy/Inconsiderate behaviour.

- These made up over half (56%) of all of the incidents reported in Eastbourne in the 12 month period.
- 31% of all reports categorised as Rowdy/Inconsiderate behaviour were reported in the Cumulative Impact Zone.
- The type of incidents frequently reported within the CIZ that fell into the Rowdy/Inconsiderate behaviour category concerned fights, assaults, drunken individuals, noisy disturbances, abusive and aggressive individuals and nuisance youths.
- Over half of all incidents categorised as Street Drinking (65%) and Begging (60%) also took place within the designated zone.

Table 6: Reported ASB incidents: April '12 – March '13

Incident Type	CIZ	Other	% In Area
Street Drinking	206	113	64.6%
Begging	*	*	60.0%
Trespass	9	11	45.0%
Abandoned Vehicle	8	84	8.7%
Vehicle Nuisance	13	300	4.2%
Noise Nuisance	30	114	20.8%
Environmental Damage/Littering	7	33	17.5%
Fireworks	*	8	20.0%
Nuisance Neighbours	160	838	16.0%
Rowdy/Inconsiderate	796	1749	31.3%
Other	*	48	2.0%
Total	1235	3300	27.2%

NB – Figures have been replaced by a '*' where totals are 5 or less

Incidents within the analysed zone were largely concentrated in the latter part of the day with 42% of all incidents being reported between 2000hrs and 0400hrs though there was also a fairly large concentration between 1500hrs and 1900hrs (31%).

- Just under a third (32%) of the incidents were reported on a Friday and Saturday, though Tuesday saw the 2nd highest number of reports (16%) during the period.

- On a Sunday, 40% of all incidents were reported between 0000hrs and 0400hrs, which could potentially suggest that they occurred as a result of a Saturday night.
- Tuesdays saw reports spread throughout the day though peaks were evident at 3am and 5pm with 44% being reported between 1500hrs and 2200hrs.
- Due to the nature of the area and the peak time and days of the incidents, it is evident that the night time economy is having an impact on incidents in the area.

7.15 Summary

Although the total numbers of reported offences and incidents have seen a reduction in both the CIZ and Eastbourne as a whole, the proportion of offences that occurred within the CIZ has risen. Consequently, while both reported crime and ASB incidents have fallen within the zone they have not fallen in line with the rest of Eastbourne.

Based on the 2012/13 performance year total, the crimes reported with the highest frequency were Theft, PPVC and Criminal Damage. The incident that was reported the most can be categorised as Rowdy/Inconsiderate Behaviour. PPVC, Criminal Damage and Rowdy/Inconsiderate Behaviour can all infer a link to the night time economy.

The time and day that PPVC and Rowdy/Inconsiderate behaviour was reported was mainly concentrated at night time and at weekends. The report shows that the main times and days of these events are broadly the same for both sets of data within the Cumulative Impact Zone. The peak times have widened slightly from the previous report and are now between 2000hrs and 0400hrs on a Saturday, with Rowdy/Inconsiderate Behaviour spiking at 0100hrs and PPVC an hour later. It is also important to note that over 70% of all PPVC crimes and 42% of reported Rowdy/Inconsiderate Behaviour on a Sunday were recorded in the early hours of the morning, which could potentially be seen as a continuation of a Saturday night.

Statement of the Community Safety Partnership

EASTBOURNE
COMMUNITY SAFETY
PARTNERSHIP

Licensing Review

Cumulative Impact Policy Eastbourne Community Safety Partnership Statement

The Eastbourne Community Safety Partnership (ECSP) supported the introduction of the Cumulative Impact Zone (CIZ) to reduce the incidents of overall crime, including, Public Place Violent Crime (PPVC) and Criminal Damage (CD) in the town centre area covered by the CIZ, with an overall objective to reduce the crime impact of the night time economy.

It was agreed by the ECSP at its Strategy Meeting on the 24.04.13 to recommend that the CIZ continues in place as a strategic tactic to continue to drive down crime, thereby improving community safety in the relevant zone.

It is clear from the recent Cumulative Impact Strategy Report (Appendix A to this Statement) that crime has reduced in Eastbourne in excess of 16% in the last two performance years (April to March) and the crime in the CIZ impacts this reduction capability in view of the fact that 30% of all crime occurs within the CIZ.

The CIZ has also contributed along with other tactics in a reduction in overall crime (in excess of 10%) within the zone, over the last two performance years. In addition targeted offences like PPVC and Criminal Damage have seen major reductions within the CIZ, 29% reduction and 20% reduction respectively for the 2010/11 performance year.

It is contended that if the Cumulative Impact Policy was rescinded or if the CIZ was substantially reduced in area, there would be a risk of a crime increase in Eastbourne and an even higher risk of crime increase in the current CIZ geographical area.

The ECSP also considers the policy and its effective implementation has a positive effect on the fear of crime within the town centre area as evidenced by Town Centre Panel support.

Ian Fitzpatrick
Senior Head of Community
Chair of ECSP

Appendix 5

LICENSING ACT 2003 SUB COMMITTEE PROCEDURE

1. The Chairman will open the meeting by introducing the other members and by identifying those wishing to address the meeting. This will include those representing or assisting any parties to the hearing as well as the parties themselves.
2. The Chairman will outline the Licensing Act 2003 Sub Committee's usual procedure and will consider any representations to vary it in the interests of fairness to the parties.
3. All parties at the hearing must be allowed equal maximum periods of time in which to exercise their rights. To ensure this, the Chair may in consultation with the other persons present at the Sub Committee set maximum amounts of time for each party to address the meeting.
4. The Specialist Advisor will then present his/her report.
5. The Chair will then invite the parties to address the meeting in turn. S/he will usually start with either the Responsible Authorities or the Applicant and will conclude with the Interested Parties. This order may however be varied at the Chair's discretion in the interests of fairness to the parties and/or to ensure the proper running of proceedings.
6. All parties are permitted both to attend and to be represented and also to provide further information or explanation on any matter the Sub Committee has asked for by way of clarification under the regulations. They may address the Sub Committee on any matter that is relevant to the application or review. They may also call witnesses to support their case, provided that they have first given the required period of notice in advance, in accordance with the regulations.
7. The Sub Committee will normally give the parties the opportunity to ask questions of each party in turn. Questions all of which must be relevant to the application or review - will normally be asked of each party immediately after they have made their representations.
8. The hearing is to take the form of a discussion led by the Sub Committee. Cross-examination is not permitted.
9. Once all of the parties have made representations and answered any questions, the Chairman will invite closing remarks from each party in turn. While this will normally

- follow the same order as established previously, the order may be varied at the Chairman's discretion.
10. The Sub Committee may then retire to deliberate in private.
 11. The Sub Committee may invite the Legal Advisor to advise them whilst in private session. While the Legal Advisor will assist with queries of a legal nature, any clarification of factual matters will be done by reconvening the Sub Committee meeting in open session.
 12. If legal advice has been provided in private then the Legal Advisor will summarise the advice given to the Sub Committee immediately before the Chair announces the decision.
 13. The Sub Committee will be reconvened in open session, with the Chair normally announcing the decision in its entirety as well as the reasons for reaching it, this with reference to the licensing objectives.
 14. The parties' rights of appeal will normally be stated orally as well as on the written notification of the decision that will be despatched subsequent to the hearing.

NOTES:

Written or documentary evidence. If the parties wish the Sub Committee to take into account documentary evidence then they should provide it in advance, in accordance with the regulations, so that the other parties have prior notice of it. If they do not do so, then it may only be taken into account by the Sub Committee if all of the other parties agree.

Witnesses: Parties may call witnesses if they are given permission by the Sub Committee, following a request in a notice of intention.

Adjournments and postponements: Every effort is made to convene Sub Committee hearings as soon as possible after the closing date for representations and to determine them as soon as possible thereafter, preferably at the conclusion of the Sub Committee. The Sub Committee however has discretion to postpone if it feels it to be necessary in the interests of justice. If this happens then a notice of adjournment must be given forthwith.

Absence of parties: The Sub Committee may proceed in a party's absence if s/he has indicated that s/he would not be attending. If s/he did not confirm whether or not s/he intended to attend then the

hearing may either be adjourned or the Sub Committee may proceed in his/her absence.

Proceeding in absence: If proceeding in the absence of any party, then the Sub Committee will nonetheless consider the application or representations made by that party.

Hearings will normally be held in **public session**, although the public may be excluded if the public interest in excluding the public outweighs the public interest in having a public hearing.

Disruptive persons may be excluded from the hearing, or conditions may be imposed on their return.

NB: All references to 'the regulations' in this procedure are to the regulations made pursuant to the 2003 Licensing Act, including the Licensing Act 2003 (Hearings) Regulations 2005 (2005 No. 44). The regulations detail the rights of the parties to the hearing and - amongst other things - the timescale to be observed in such matters and the calling of witnesses.

Subject: RE: Draft Licensing Policy Statement and Cumulative Impact Policy Statement Consultation 2014-2019
Thanks Jay,

I have forwarded this to partners and asked them to feed back through the link.

I am sure you are aware of the increasing opportunity, through both new and existing planning regulation changes, for the major supermarket chains to increase their high street presence, ie Tesco in Grove Road and Sainsburys proposals in Old Town.

I would be concerned that the cumulative impact policy on alcohol sales for the town centre is robust enough to determine future applications in the light of likely increases in planning applications.

Kind regards

Chris

Subject: Draft Licensing Policy Statement and Cumulative Impact Policy Statement Consultation 2014-2019
Importance: High

Dear All,

Please find attached Eastbourne Borough Councils draft Licensing Policy Statement and Cumulative Impact Policy Statement 2014-2019.

A twelve week consultation phase has commenced that ends on the 19th September 2013. The feedback of the consultation will be presented to Councillors who may amend accordingly.

Please feel free to disseminate this information to colleagues, partners and customers as appropriate.

Feedback concerning the consultation can be given via:

Subject: Licensing Consultation
Dear Jay

On behalf of the Town Centre Neighbourhood Panel I am writing to give our views on the proposed Statement of Licensing Policy. The Panel fully supports the proposed policy and is particularly appreciative of the provisions of the Cumulative Impact Policy. We know from experience the value of these policies and value highly the provisions to address the licensing objectives and the application of the Cumulative Impact Policy to improve the quality of life for Town Centre residents.

Regards

Adrian Ley
Chairman
Eastbourne Town Centre Neighbourhood Panel.
