Subject:Objection to licensing application

Hi

We are writing to object to the licensing application at the Rosy Lee cafe, Seaside, Eastbourne.

We live at REDACTED and have done for 42 years, this has always been a cafe and now want to open until 23.00 is totally unacceptable, we have enough noise and anti social behaviour with out the sale of alcohol on and off the premises.

When the basketball courts were built REDACTED it was on the proviso that the gates were locked at 10.30 every night but this never happened and parties/gatherings are held there especially in the summer, if alcohol is sold on & off the premises this will only get worse.

Regards

REDACTED
