Accessibility Statement for the Modern.Gov App

This is an accessibility statement from Civica UK Ltd, regarding the Modern.Gov App.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. The Modern.Gov App is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations:

We are currently assessing and scoping any accessibility gaps of our paperless meeting Apps, and have plans to ensure conformance to WCAG 2.1 Level AA into our next major release.
