

To whom it may concern

REDACTED

I'm objecting against a licence to sell alcohol at Dem Food Stores for the following reasons.

1. There are already 2 shops on Grove Road (Tesco's express and Morrisons Daily) that are open late daily selling alcohol. And these already have an effect on residents living in close proximity with anti-social behaviour and noise into the evening. The street doesn't need another shop open late selling alcohol.

2. There is already an issue with noise during the evening from people spilling out of pubs unawares to residents living above bars and shops. Having another shop selling alcohol will add to the noise on this street. And it will be every day!

3. Sunday is the only quieter day and with the shop being open from 8am until 11pm selling alcohol will then remove any peace and quiet 24/7 REDACTED

4. More noise and anti-social behaviour REDACTED. Another shop unnecessarily open late into the evening 7days a week selling alcohol will attract more anti social behaviour and potential crime around the property. REDACTED

Also rubbish and spilt drinks and urine at the entrance REDACTED. And rough sleepers. This will only get worse.

5. REDACTED
