The applicant has offered the following steps to promote the licensing objectives to ensure activities on the premises do not create problems of disorder and nuisance, and do not undermine any of the licensing objectives.

b) The prevention of crime and disorder

CCTV:

- a) Digital CCTV and appropriate recording equipment will be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System (PSDB Publication Number 09/05), operated and maintained throughout the premises internally and externally to cover all public areas, including the entrance to the premises. The system will be on and recording at all times the premises licence is in operation.
- b) The CCTV cameras and recording equipment will be of sufficient quality to work in all lighting levels inside the premises at all times.
- c) CCTV footage will be stored for a minimum of 31 days.
- d) The management will give full and immediate cooperation and technical assistance to the Police in the event that CCTV footage is required for the prevention and detection of suspected or alleged crime.
- e) The CCTV images will record and display dates and times, and these times will be checked regularly to ensure their accuracy.
- f) Subject to GDPR guidance and legislation, the management of the premises will ensure that key staff are fully trained in the operation of the CCTV, and will be able to download selected footage onto a disk (or other electronic portable device acceptable to Sussex Police) for the police without difficulty or delay and without charge to Sussex Police.
- g) Any breakdown or system failure will be notified to the police immediately & remedied as soon as is practicable.
- h) In the event of the CCTV system hard drive being seized as evidence as part of a criminal investigation by Sussex Police or for any other reason, the premises will be expected to install a replacement hard drive or a temporary replacement drive as soon as practicable.

*The lawful selling of age restricted products

*Refusing the sale of alcohol to a person who is drunk

(b) Further verbal reinforcement/refresher training covering the above will be carried out thereafter at intervals not to exceed 3 months, with the date and time of the verbal reinforcement/refresher training documented.

(c) All such training undertaken by staff members shall be fully documented and recorded and signed by both the employee and the DPS. All training records shall be kept on the premises and made available to Sussex Police, officers of the local authority and officers from the Trading Standards team upon request.

(d) A list of staff members who are authorised to sell alcohol on the premises shall be kept. This shall be endorsed by the DPS with the date such authorisation commences.

Incident/Refusal Log:

a) An incident log will be maintained by the premises showing a detailed note of incidents that occur in the premises or on deliveries. The log will be inspected and signed off by the DPS (or a person with delegated authority) at intervals of no more than four (4) weeks.

b) The log book will be kept on the premises and be available for inspection at all times the premises are open by authorised officers of the Licensing Authority or the police. An incident will be defined as being one which involves an allegation of a criminal offence.

c) Feedback will be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises.

d) Any refusals made for alcohol service e.g. underage, will also be recorded (either in electronic or written form) and feedback given to staff as relevant. The log will be kept at the premises for a minimum of twenty four (24) months.

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order

to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
