1.0 Introduction and Background

- 1.1 The Gambling Act came into force on the 1st September 2007.
 - 1.2 The legislation established the Gambling Commission, a non departmental public body who advise both central and local government on issues relating to gambling. It issues new operating licences and personal licences required by the Act.
 - 1.3 Once these licences are obtained from the Commission, an application must then be made to Eastbourne Borough Council, as the Licensing Authority, for a premises licence and associated permissions to trade.
 - 1.4 As the Licensing Authority, the Council is responsible for issuing premises licences for the following:
-

- Casino Premises
- Bingo Premises
- Adult Gaming Centre Premises
- Family Entertainment Centre Premises
- Betting Premises

1.5 The Act also passes the responsibility for issuing all types of Gaming Machine Permits to the Local Authority, and alters the manner in which certain categories of lotteries are registered and controlled.

1.6 In exercising functions under the 2005 Act, Local Authorities must have regard to the Licensing Objectives, which are distinct and different from those contained under the Licensing Act 2003. They are:

- Preventing gambling from being a source of crime or disorder, being associated with crime and disorder or being used to support crime;
- Ensuring that gambling is conducted in a fair and open way; and
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

2.0 Gambling Policy Statement Of Principles

2.1 To discharge its statutory duties under Section 349 of the Gambling Act 2005, this Authority is required to formulate a three year Gambling Policy (Statement of Principles) that it proposes to apply in exercising its functions under the Act. This version will be effective from February 2016.

2.2 The Gambling Commission is required by Section 25 of the Act to issue Guidance to Licensing Authorities on the discharge of their functions under the Act. It deals primarily with matters intended to assist in the development of the Authority's Gambling Policy (Statement of Principles) and is something that the Authority must have due regard to.
