5.0 The Decision Making Process - The Licensing Objectives

5.1 In their decision making, the Licensing Sub Committee must act to promote the four Licensing Objectives. All carry equal weight as part of the process. The Licensing Objectives are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

6.0 Eastbourne Borough Council's Statement of Licensing Policy & Section 182 Guidance Issued

6.1 Copies of the Council's Statement of Licensing Policy have previously been circulated to Members. A copy is also retained in the Members' Room.

6.2 Whilst each application will be considered on its merits, the Licensing Sub Committee will act to promote the four licensing objectives and have due regard to:

- Eastbourne Borough Council's Statement of Licensing Policy 2014 – 2019 available via:

<http://www.eastbourne.gov.uk/about-the-council/council-policies-plans-and-strategies/licensing-policy/licensing-policy-and-cumulative-impact-policy/>

- Section 182 Guidance issued by the Department of Culture, Media and Sport, available via:

<https://www.gov.uk/government/publications/revised-guidance-issued-under-section-182-of-the-licensing-act-2003>

6.3 Eastbourne Borough Council's Statement of Licensing Policy outlines the matters that the Authority will consider when determining matters under the Licensing Act 2003. An overview appears below.

6.4 The Prevention Of Crime and Disorder

The Council's Statement of Licensing Policy states that the Operating Schedule should include steps to ensure the deterrence and prevention of crime and disorder on and in the vicinity of premises. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

6.5 Public Safety

The Statement of Licensing Policy states that the Operating Schedule should include steps to ensure the physical safety of patrons. This might include the imposition of conditions regarding capacity and mechanisms to promote responsible drinking. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

6.6 Prevention of Public Nuisance

The Statement of Licensing Policy states that within the Operating Schedule, applicants will be required to demonstrate how they intend to prevent nuisance arising, disturbance occurring and mechanisms to protect amenities. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

6.7 Protection of children from harm

The Statement of Licensing Policy requires that operating plans must specify the measures and management controls in place to protect children from harm. Conditions can be placed to restrict access to children to the premises during certain times or when certain licensable activities are taking place. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

7.0 Cumulative Impact

7.1 The premises in question is located within the Cumulative Impact Zone. It is recognised that the impact of the number, type and density of licensed premises in a given area may lead to problems of noise, nuisance, crime and disorder outside of, or a distance from licensed premises.

7.2 Cumulative Impact is defined as the "potential impact upon the Licensing Objectives of

a significant number of licensed premises concentrated in an area,” and is a proper matter for consideration by the Licensing Authority.

7.3 The Licensing Authority may receive representations from a Responsible Authority or ‘Interested Party’ that the cumulative effect of licences is leading to an area becoming saturated. This creates exceptional problems of disorder and nuisance, over and above the impact from individual premises which undermines the promotion of one or more of the licensing objectives.

7.4 Where valid representations are received, the Cumulative Impact Policy creates a rebuttable presumption that the application will be refused.

It is for the applicant to address the Cumulative Impact Policy and produce evidence to demonstrate that the matter:

- (a) Will not add to the cumulative impact caused by licensed premises and challenges already experienced in the area;
- (b) Will not undermine the promotion of the Licensing Objectives.

7.5 The Cumulative Impact Policy clearly states that licence applications in the Zone should be refused, unless Members are satisfied that the applicant has provided evidence to show that premises will not exacerbate existing issues in the locality, or undermine the promotion of the Licensing Objectives.

7.6 The Cumulative Impact Policy can be found within the Council’s Statement of Licensing Policy 2014 – 2019.

8.0 Representations

8.1 A copy of the representations are included at **Appendix 3**, however a summary appears below.

- 8.2 The Sub Committee will need to have regard to any history or likelihood of noise, nuisance, crime and disorder at the site, or in the vicinity of the site. In addition, matters impacting upon public safety and strategies to protect children from harm will also need to be considered.
- 8.3 The Sub Committee may also consider any other matters that may negatively impact upon the Licensing Objectives and exercise their powers to impose conditions, or take the appropriate action as they see fit, in order to promote the Licensing Objectives.
- 8.4 In determining what, if any, conditions should be attached to a licence, these should only be imposed where it is considered appropriate and proportionate on a case by case basis.
- 8.5 The applicant, any person or any Responsible Authorities may also suggest conditions to address concerns as a means to promote the Licensing Objectives.

9.0 Options open to the Sub Committee

- 9.1 The Sub Committee must have regard to the following:
- Eastbourne's Statement of Licensing Policy 2014-2019;
 - Statutory guidance, under Section 182 of the Licensing Act 2003;
 - Representations from any Responsible Authority;
 - Representations from "any person";
 - The application and supporting material.
- 9.2 The Licensing Sub Committee must take the steps it considers appropriate for the promotion of the Licensing Objectives and may;
- Grant the application in full as requested
 - Grant the application but amend it as appropriate and proportionate
 - Reject the whole or part of the application

10.0 Legal Considerations

- 10.1 Under section 34 Licensing Act 2003 the holder of a premises licence may apply for a variation. If relevant representations are received under section 35 of the Licensing Act 2003 there must be a Sub Committee hearing to consider the application and the representations.
- 10.2 Under section 181 and Schedule 5 Licensing Act 2003 the applicant may appeal against the decision to refuse the application. Those who have made relevant representations may also appeal any decision made. Any appeal must be made within 21 days of receipt of the written decision notice.
- 10.3 The Legal Section has considered the contents of this Report IKEN-6676-MW 6.9.2017.

11.0 Human Rights

- 11.1 The provisions of the Human Rights Act 1998, must be borne in mind by the Committee when taking licensing decisions under the Licensing Act 2003. Particular

regard should be had to Article 1 of the First Protocol, which relates to the protection of property and the peaceful enjoyment of possessions and property, and Article 8 - which relates to the right to respect for private and family life, home and correspondence - should also be borne in mind. While the Human Rights Act makes it unlawful for a local authority to act or to fail to act in a way that is incompatible with a Convention right, Article 1 of the First Protocol and Article 8 are both qualified rights which means that interference - to a justifiable extent - may be permitted as long as what is done:

- Has a basis in law;
- Is intended to pursue a legitimate purpose
- Is necessary and proportionate; and
- Is not discriminatory.
