WARNINGS
 Significant hazards relating to the architectural design shown on this drawing have been identified and highlighted with red rectangles. Red lines indicate areas where the design is not complete and may be subject to change. It is assumed that all works on this drawing will be carried out in a competent and professional manner, with appropriate care, in the spirit of the contract.

Significant hazards are defined as:
 - Those not likely to be obvious to a competent contractor on site.
 - Those of an unusual nature.
 - Those likely to be difficult to manage effectively.
