## **1.0 Introduction**

1.1 The council has statutory equality responsibilities, both as an employer and in the provision of public services under the Equality Act 2010.

1.2 The Public Sector Equality Duty requires the council, in the exercise of its functions, to have due regard to the need to:

- eliminate discrimination, harassment and victimisation and any other conduct prohibited by the Equality Act;
- advance equality of opportunity between people who share a protected characteristic (as specified in paragraph 1.3 below) and people who do

not share it (for example by meeting specific needs; minimising difficulties faced or encouraging participation in public life); and

- foster good relations between people who share a protected characteristic and people who do not share it.

1.3 The protected characteristics covered by the Equality Duty are:

- age
- disability
- gender reassignment
- marriage and civil partnership (but only in respect of eliminating unlawful discrimination)
- pregnancy and maternity
- race – this includes ethnic or national origins, colour or nationality
- religion or belief – this includes lack of belief
- sex (gender)
- sexual orientation

## 2.0 Background

2.1 Specific duties which came into force in 2011 require public bodies, such as the council, to publish information annually which shows their compliance with the general Equality Duty. This report details progress against the council's Equality Objectives during 2018/19 and summarises some of the equality related work undertaken. This enables Members to scrutinise the council's work in this area, and ensure that the council is fulfilling this duty.

2.2 The council reviewed its Equality Objectives in 2017/18 and agreed the following objectives at its meeting on 7<sup>th</sup> February 2018:

**Objective 1:** We will ensure that equality and diversity is at the heart of everything we do and that good practice is embedded in the councils' culture and work.

**Objective 2:** We will build respect and understanding of each other across our communities by working with them to tackle prejudice, discrimination and hate crime.

**Objective 3:** We will promote fairness and accessibility.

## 3.0 Annual Report 2018/19

3.1 Phase 2 of the Joint Transformation Programme was completed early in 2018 with the establishment of integrated service delivery teams working across both Lewes and Eastbourne councils.

3.2 To support the integration of services a Joint Equality and Fairness Planning Group has been established to enable senior officers to review the council's work on equality and fairness, and oversee the process for assessing the

impact of decisions and services on groups protected under the Equality Act and identified as needing particular consideration.

- 3.3 In addition a Joint Equality and Fairness Stakeholder Group has met to provide an external view from members from a range of protected groups across both Eastbourne and Lewes on the council's policies and services. This group has reviewed proposals and contributed comments on these and on service reviews in development.
- 3.4 Work to align policies and procedures has been undertaken during this year with a number of joint policies and procedures presented to Members for their consideration and approval. These have all been supported by Equality and Fairness analyses.
- 3.5 Key policies and procedures reviewed and assessed during the year for their impact on groups protected under the Equality Act were the:
- Christmas Working Policy
  - Flexitime Policy
  - Travel Policy
  - Joint Agile Working Policy
  - Equality Monitoring Policy
  - Safeguarding Policy
  - Code of Conduct
  - Dignity at Work Policy
  - Recruitment Policy
  - Unreasonable and unreasonably persistent complainant policy
  - JTP Phase 3 consultation and restructure process.
- 3.6 In addition to these policy reviews, service teams within the councils have begun reviewing their functions and how these impact on groups protected under the Equality Act. An update on progress is included within the Action Plan update at Appendix A.
- 3.7 A programme of staff training was developed and delivered during the year covering:
- Equality and Fairness – delivered to all service delivery staff
  - Equality and Fairness analysis and reviews – for staff responsible for service development, reporting and service reviews
  - Access training – delivered to Neighbourhood First staff to enable them to carry out inspections and audits.
- 3.8 The council has also considered a range of planning policies and development proposals, and policies designed to address environmental issues. Officers work closely with local access groups to ensure all new developments address the needs of disabled people.
- 3.9 Eastbourne Borough Council, which is the primary employer for staff delivering Lewes District Council services, also published its Gender Pay Gap report in April 2018. As reported in June 2018, this showed that, at 31<sup>st</sup> March 2017, the council's workforce consisted of 488 women and 423 men. The figures showed

that the council had a mean gender pay gap of 3.5% and a median pay gap of -8.6%. There was a reasonably even, but not equal percentage of men and women in posts in the lower quartile, the lower middle quartile and the upper quartile. In the upper middle quartile there are significantly more females.

- 3.10 As well as the policy and service reviews carried out, which are designed to eliminate discrimination and to advance equality of opportunity, the council has continued its work to foster positive relations between protected groups and other community members. In 2018 a major focus of work in Lewes was the centenary of the Representation of the People Act 1918 and the extension of the vote to some women. Four events were organised to celebrate this anniversary and to encourage women and people from under-represented groups to become more involved in local decision-making and the political process.
- 3.11 The council also provides funding to Sussex Community Development Association for its Sompriti project, to work with local black and minority ethnic residents to integrate them in community activities. .
- 3.12 The council's work with Syrian refugees also continues. To date the Council has identified housing for twenty-eight people in the Lewes district, ensured they had basic furniture and equipment they would need, and arranged transport from the airport, translation services and appointments with key services, such as GP surgeries, schools, colleges, job centres and banks. We continue to provide ongoing, intensive support, in partnership with the statutory services and voluntary organisations to help them integrate into their communities with a particular focus on English language learning and pathways into work. We have been offered a further two properties and are on track to meet our government target to house forty individuals by the Spring 2019.

#### **4.0 Action Plan 2019/20**

- 4.1 Following council's adoption of the new Joint Equality Monitoring policy in 2018, a key task in 2019/20 will be the review of equality monitoring data collected within our different services. The council needs to ensure that the new systems developed for recording service activity and outcomes are recording and reporting on equality data appropriately and in line with the policy.
- 4.2 Work reviewing the impact on different members of our community of council services will also continue with a full programme of service reviews..
- 4.3 The council is also committed to continuing its engagement with members and representatives of groups protected under the Equality Act.
- 4.4 We will also continue our work with a range of partners to promote awareness of Domestic Abuse through the White Ribbon Campaign and will review our own policies and procedures, and contribute to the development of a local domestic abuse strategy and commissioning plans.

4.5 The action plan proposed for 2019/20 is attached at Appendix B.

## **5.0 Consultation**

5.1 The council consulted on its Equality and Fairness Policy and Equality Objectives in 2017 and has consulted on its Equality Monitoring Policy in 2018. Comments received were considered and amendments incorporated into the final policies and objectives at that stage.

5.2 Officers will continue consulting with members of the Equality and Fairness Planning Group and Stakeholder group on proposals and service delivery during the coming year in line with the procedures established for this in 2018.

## **6.0 Resource Implications**

6.1 There are no additional financial costs associated with this report. The proposal to integrate governance and procedures for overseeing compliance with the Council's duties under the Equality Act is in line with the broader project to integrate Lewes District Council and Eastbourne Borough Council services to realise savings through the efficient use of resources.

## **7.0 Legal Implications**

7.1 Under the Public Sector Equality Duty the council is required to publish information annually which shows their compliance with the general Equality Duty. This report enables Members to scrutinise the council's and ensure the council complies with this duty.

## **8.0 Risk Management Implications**

8.1 The following risks will arise if the recommendations set out at 13.1 below are not

- Failure to comply with statutory obligations under the Equality Act 2010 and
- Increased risk of incurring vicarious liability for acts of discrimination, harassment or victimisation in the event of litigation.

No new risks will arise if the recommendations are implemented.

## **10.0 Implications for Equality and Fairness**

10.1 This report is designed to meet the Council's duties under the Equality Act. An Equality and Fairness Analysis has been completed and is available with the Background Papers for this meeting.
