Dear Mr X

Hackney Carriage Fare Proposals

Following the receipt of two hackney carriage fare proposals from hackney proprietors, it has been decided that an initial consultation with the trade be conducted.

We have also had a proposal that a fuel surcharge is included as an interim measure until such time as a decision is taken regarding any revision to the current fare structure.

I would be grateful for your views on this as well as an indication of how you see this taking effect and the level at which you think this should be set.

Please vote from the following 4 options A-D:

- A. Please see fare card attached
- B. Please see fare card attached
- C. Propose another fare amendment – please include draft fare card
- D. No change to the existing tariff
- E. Fuel Surcharge, proposed level and suggested method of implementation.

I would therefore ask you to mark with an X on the attached voting slip provided indicating your preference as well as your views on option E. Please return it to the Licensing Team by no later than 2nd June 2008. Any responses received after this date will be disregarded.

The outcome of the voting will be presented to the Licensing Committee who will then decide which, if any, proposal to implement subject to any representations and/or amendments.

Yours sincerely
