9.0 Legal Considerations

- 9.1 The Department for Culture, Media and Sport has issued Guidance under Section 182 of the Licensing Act 2003. This guidance is provided to assist the Authority in carrying out their functions. Furthermore, the Licensing Panel must have due regard for the Eastbourne Licensing Statement.

10.0 Human Rights

- 10.1 The provisions of the Human Rights Act, 1998, must be borne in mind by the Committee when taking licensing decisions under the Licensing Act, 2003. Particular regard should be had to Article 1 of the First Protocol, which relates to the protection of property and the peaceful enjoyment of possessions and property. Article 8 - which relates to the right to respect for private and family life, home and correspondence - should also be borne in mind. While the Human Rights Act makes it unlawful for a local authority to act or to fail to act

in a way that is incompatible with a Convention right, Article 1 of the First Protocol and Article 8 are both qualified rights which means that interference - to a justifiable extent - may be permitted as long as what is done:

- Has a basis in law;
- Is intended to pursue a legitimate purpose
- Is necessary and proportionate; and
- Is not discriminatory.
