Purpose of Report:

To fill vacancies arising on Outside Bodies

-

Reasons for Recommendations

- 1 Plumpton College Instruments and Articles stipulate that then Councillor J L Carr, appointed by Council for 4 years in 2004, remains on the Corporation in her own right, and not in a representative capacity, until 2008 even though she is no longer a councillor.
- 2 The Joint Parking Board, organised by East Sussex County Council and with no devolved powers, has existed since the present parking scheme was planned but has not previously been listed amongst the Outside Bodies to which Council makes appointments at its Annual meeting.

Information

- 3 Councillor Gardiner was appointed Council's nominee to Plumpton College Corporation at the Annual Council meeting on 23 May 2007 but under the circumstances described at paragraph 1 above there is no position available unless ex Councillor Carr was to resign.
- 4 The Lead Councillors for Policy and Financial Strategy and Planning have represented Council on the Joint Parking Board since its inception and Councillors De Vecchi and Gardiner are nominated for the Board in these capacities.

- 5** In accordance with Council Procedure Rules Appendix paragraph 4.3, the Head of Democratic Services has appointed Councillors De Vecchi and Gardiner to the Joint Parking Board, having consulted the Leader of the Council and the Leader of the Minority Group, pending confirmation by Cabinet.
