Agenda Item No: 9.1 Report No: 51/16

Report Title: Finance Update

Report To: Cabinet Date: 21 March 2016

Cabinet Member: Councillor Bill Giles

Ward(s) Affected: All

Report By: Alan Osborne, Director of Corporate Services

Contact Officer(s)-

Name(s): Steve Jump
Post Title(s): Head of Finance

E-mail(s): steve.jump@lewes.gov.uk

Tel No(s): 01273 484043

Purpose of Report:

To provide an update on financial matters affecting the General Fund Revenue Account, the Housing Revenue Account and the approved Capital Programme.

Officers Recommendation(s):

That Cabinet:

- 1 Agrees the General Fund and Housing Revenue Account financial performance for the quarter ended 31 December 2015 as set out in section 4.
- 2 Agrees the Capital Programme financial performance for the quarter ended 31 December 2015 as set out in section 6.

Reasons for Recommendations

- A report on funding issues in relation to the Council's General Fund Revenue Account, Housing Revenue Account and Capital Programme is made to each meeting of the Cabinet to ensure that the Council's financial health is kept under continual review. It is essential to ensure that the Council has a sound financial base from which to respond to changing activity levels and demand for statutory services and to ensure that, when appropriate, its finances are adjusted in response to reducing income levels and inflationary pressures on expenditure.
- The Council's Treasury Management function deals with very large value transactions on a daily basis. It is essential that the Council is satisfied that

appropriate controls are in place and in accordance with the Code of Practice on Treasury Management in the Public Services prepared by CIPFA (the Chartered Institute of Public Finance and Accountancy) and adopted by the Council.

- 3.2 No new borrowing was undertaken in the period. Long term borrowing remains at £56.6m.
- 3.3 In accordance with the Council's approved Treasury Strategy Statement, the Audit and Standards Committee reviews all treasury activity that takes place in order to confirm that it has been undertaken in accordance with the approved Strategy. Should the Audit and Standards Committee have any observations they would be recorded in its minutes and referred to Cabinet.

4.2 Financial performance in the third quarter resulted in a favourable net variation of £1,442,000. This builds on the Quarter 2 position reported to Cabinet in September. Key elements of this variation were:

	£'000
Employee costs – the savings delivery plan assumes a vacancy	(493)
savings target of 2% for the year. At the end of Quarter 3, in year savings from vacant posts exceeded the target by 4%	
Staff severance costs – costs incurred as part of corporate	93
restructuring	
Planning Development Control fees –income in Quarter has	(104)
continued to exceed the profiled budget	
Car parking income in excess of budget and reduction in	(90)
management fee	

	£'000
Business Rates local discount scheme - £370,000 has been	(278)
earmarked to support a pilot scheme. At the end of Quarter 3 only	
2 (minor) discounts have been awarded on application	
Government grants received – funding has been received in	(173)
respect of the Neighbourhood Planning process and electoral	
registration changes and costs associated with changes in the	
requirements for land charges fee setting	
Recyclate sales – the budget for this income stream is £350,000.	172
As reported at the end of Quarter 1 the market for recyclates is	
restricted. An overall shortfall against the budget for the year of	
£250,000 continues to be anticipated	
Green Waste collection service – this trial service in Seaford has	(25)
been operational since August	
Housing Revenue Account stock condition survey and specialist	(362)
support. Tender documents for the survey have been prepared	
and the activity is now likely to take place in summer 2016	
Low value asset sales	(21)
Planned repairs at General Fund property eg offices, parks, etc	(95)
Other minor variances	(66)
Total	(1,442)

4.3 Spending activity in many service areas has continued to be slow in Quarter 3 and the 'gap' between budgeted and actual spend is expected to close in the remainder of the year. Trends in housing benefit awarded and associated government subsidy due are being kept under close review.

5 Financial Performance – Council Tax and Business Rates

5.1 Projected collectable income from Council Tax and Business Rates in 2015/2016 was used in assessing the Collection Fund position at 31 March 2016 reported to the last Cabinet meeting as part of the budget setting process. This is as follows:

	Total	LDC share
	£'000	£'000
Council Tax Collection Fund projected surplus	(1,090)	(172)
Business Rates Collection Fund projected deficit	1,599	640

The Council Tax Collection Fund surplus and Business Rates Collection Fund deficit will be distributed/recovered in 2016/2017.

5.2 The outcome of appeals against business rate valuations remains a key risk. Successful appeals can be backdated to 2010 and the decisions of Valuation Tribunals elsewhere in England can trigger fresh appeals from certain categories of business (eg GP surgeries in 2015). In December 2015, 230 appeals against the LDC rating list were yet to be settled.

6 Financial Performance - Capital Programme

- Appendix 2 gives details of the capital programme spending in Quarter 3, along with an explanation of progress where significant. Payments of £7.9m have been made in the year, of which £4.1m were made in Quarter 3.
- **7** Financial Appraisal referred to under individual items above.
- **8** Legal Implications there are no legal implications arising from this report.

9 Risk Management Implications

- 9.1 The Council maintains an overview of its policy programme, its Medium Term Financial Strategy and the external factors that affect them. Without this constant analysis and review there is a risk that the underlying recurring revenue expenditure will grow at a faster rate than the resources available to fund them. This risk is mitigated through regular reports to Cabinet on the Council's overall revenue and capital position and Cabinet's correcting actions taken in accordance with the objectives and principles it set for management of the Council's finances.
- 9.2 An additional risk in the current climate is that reserves and balances will be drawn upon sooner than is necessary unless an assessment is made of resource implications where activity levels have fallen or risen to any significant degree. This risk is mitigated by identifying such areas, making an assessment covering the short and medium term and taking corrective action.

10 Equality Screening

This Finance Update is a routine report for which detailed Equality Analysis is not required to be undertaken. The equality implications of individual decisions relating to the projects/services covered in this report are addressed within other relevant Council reports.
