

# Community Safety Partnership Plan 2018 – 2019

Reducing crime and keeping people safe, prioritising those most vulnerable in our community.

## Introduction and Background

Lewes District extends inland from the Channel coast over the South Downs and into the Sussex Weald covering 292 square kilometres. Over one third of the area forms part of the Sussex Downs Area of Outstanding Natural Beauty and around half is proposed to be included in the South Downs National Park.

Most of the District's 97,500 population live in the four main urban areas (Seaford, Newhaven, Peacehaven & Telscombe and Lewes). Around 14% live in the many villages, hamlets or isolated settlements. There are just over 42,000 households in the District, 31% are single person households and 24% are households with children. Around 88% of the housing stock is privately owned.

DRAFT

## Priority 1 – Anti-Social Behaviour

Anti-social behaviour (ASB) is defined in the Crime and Disorder Act (1998) as acting: ‘in a manner that caused or was likely to cause harassment, alarm or distress to one or more persons not of the same household as the perpetrator.’

Partners of the Lewes District Community Safety Partnership carry out on-going work to address anti-social behaviour in all its forms, including: dog fouling, fly-tipping, littering, nuisance neighbours, street drinking and careless or inconsiderate driving.

However, Anti-social behaviour is a key priority for residents in Lewes district and the Lewes District Community Safety Partnership has a leading role in addressing the impact that it has on our residents, businesses and visitors. It recognises that there are areas where we can work together to find long lasting solutions to more complex anti-social behaviour.
