

Remit of the Constitution Working Party

Note: It is not within the Remit of the Working Party to consider alternative governance systems to the Council's current system of governance ie. the Strong Leader Model.

- 1 To bring the Council's Constitution up to date and streamline its contents for optimal performance.
- 2 To review the contents of the Constitution to ensure its transparency and to reflect/facilitate the accountability of the Executive under the Strong Leader Model.
- 3 To minimise any bureaucratic barriers within the Constitution to the efficient, effective and timely functioning of the Council.
- 4 To ensure that equality and diversity considerations are suitably addressed within the Constitution, as well as any other statutory obligations on the Council.
- 5 To report any recommendations to the Leader of the Council initially, prior to any consideration by Cabinet and Council.
