

Meeting of the Council

5 December 2012

Questions from Members of the Public

Agenda Item 5

The following questions have been received from members of the public that they wish to ask of the Cabinet Member for Planning, Councillor Jones:

(a) Question received from Mr John Kay:

"Given the Council's very positive approach to Neighbourhood Planning announced in paragraph 1.35 of the draft submission Core Strategy before Council for approval, what are the Council's reasons for making no reference anywhere else in the Core Strategy to the well-developed Ringmer Neighbourhood Plan?"

(NB Whilst Mr Kay had submitted the above question, he withdrew it at the Meeting as the subject matter of his question was covered in a document which was circulated at the Meeting during the Council's consideration of matters under Agenda item 11 ("Recommendations from Cabinet").

(b) Question received from Mr John Foxley, on behalf of the Friends of Seaford Head:

"Given that the amendments approved by Cabinet on 20 November are adopted and the fact that the existing Seaford Development Boundary (Policy CT1) will carry forward into the new Strategy',

'can Council confirm that, subject to any alterations by Central Government during the Adoption Process, the Environmental and Cultural Policies and the duties of the South Downs National Park Authority applicable to the land south and east of Chyngton Way Seaford (Chyngton Field), will over-ride any Development Proposals within the lifetime of the Core Strategy?"
