To apply where possible

Fire Escape Route

Change north point to match survey information

SHOP-FLOOR - 1:50

SURVEY OVERLAID

<p>Description of Amends 26.11.13 - Newhaven - P1F1M0/IGS Initial design proposal 06.12.13 - Newhaven - P1F2M0/IGS Amends made following drawing review; 2 x 1.8 chillers replaced by 2 x 2.5s, ISB/ambient gondola running vertically removed and replaced by gondolas running at 90 degrees to previous, ISB incorporated into snacking island near kiosk, flowers added, frozen moved, bakery table added (replaced 2nd scratch), warehouse door changed to 1200 block, box out added near kiosk, door added to staff room from BOH, kiosk side panel moved, bakery table bag holders x 2 added. 18.12.13 - Newhaven - P1F3M0/IGS Door added to staff room from BOH, kiosk side panel moved, bakery table bag holders x 2 added, chilled island moved 100mm to increase first aisle width to 1500.</p>	<p>23.12.13 - Newhaven - P1F4M0/IGS Maxi moved to managers station, door added in back of house (staff room) to create storage room, window graphics altered on staff room, box out on back line removed, cleaners cupboard/sink reconfigured, mobile community board added</p>	<p>Wall finishes - Format Led Please refer to the <i>Asset Planning Standard/Notes</i> for applicable information. ALL OPERATIONS TO BE OVERSEEN BY THE HSE under their duty imposed by the CDM Regulations 2007 the designers have attempted to eliminate hazards and risks where possible during design and where hazards and risks could not be avoided the designers have reduced the risks as far as possible. The remaining hazards and foreseeable risks that could not be designed out the project have been identified as below. FALLS: from heights during installation of suspended ceilings, taking deliveries over raised loading bays, as a result of split level floors and steps. HAZARDOUS MATERIALS: i.e. asbestos - to be removed as necessary by specialist, see the <i>Co-operative Groups Management of Asbestos Containing Materials</i> policy and processes. Service providers must comply with the <i>Co-operative Groups Management of Asbestos Containing Materials</i> policy and processes. Service providers are to access the <i>Co-operative Groups web-based asbestos register</i>, www.2650online.co.uk, prior to undertaking any works. Any difficulty in obtaining asbestos information must be brought to our immediate attention and is not an excuse for working without this. Management of Asbestos As part of our compliance with the Management of Asbestos Regulations, service providers must comply with the <i>Co-operative Groups Management of Asbestos Containing Materials</i> policy and processes. Service providers are to access the <i>Co-operative Groups web-based asbestos register</i>, www.2650online.co.uk, prior to undertaking any works.
