5-8 and 10 Newhaven Square, Newhaven, BN9 9QP

There was an error in the proposed southern elevation drawings for 5-8 Newhaven Square, with the upper part of the roof not being shown. This has now been addressed on updated plan A-1200 S2P3 – Proposed Elevations which is included in the presentation made this evening. Eastern elevations have also been added for completeness.

The plans list provided in para. 11.1 of the officer report will be updated accordingly.
