10 Application for a variation to the current Premises Licence: Three Monkeys Bar and Kitchen, 16 Langney Road, Eastbourne, BN21 3QA

All parties present introduced themselves and the Chair detailed the procedure to be followed at the hearing. There were no objections to the procedure from those present.

The Specialist Advisor for Licensing outlined the report setting out the application for a variation to the current premises licence for Three Monkeys Bar and Kitchen, 16 Langney Road.

Details of the application for a variation to the current premises licence were appended to the report. When submitting an application for the variation of a premises licence under the Licensing Act 2003, the applicant is required to describe any steps they intended to take to promote the four licensing objectives, as defined by the Licensing Act 2003. These were appended to the report at Appendix 1.

The premises in question is located within the cumulative impact zone (CIZ) and where valid representations were received, the cumulative impact policy (CIP) created a rebuttable presumption that the application be refused.

Following a consultation period of 28 days, two representations had been received from “responsible authorities” and were included in part of the agenda pack circulated. The representations centred on the prevention of crime and disorder, the prevention of public nuisance and public safety.

Mr Dene Sonnessa, applicant, acknowledged that he had not correctly referred to the four licensing objectives or the CIZ within the application form. Following communication with Sussex Police Licensing, he said he had agreed to all the conditions they had recommended to be placed on the licence.

Councillors asked Mr Sonnessa, why he had applied for the same operating hours as Cameo Nightclub. He said he wanted the same opportunity as other businesses, to work together rather than work off the back of each other.

Councillors sought clarification regarding the type of films and dance that the applicant had proposed to provide. Mr Sonnessa explained that films and music videos would be played in the background for adults and children using an overhead projector. Live dancers would perform alongside live bands and a karaoke machine would be available for use on a regular basis. In response to questions raised regarding the capacity of the premises, Mr Sonnessa confirmed the venue could hold a maximum of 60 people, but more likely 40 people, and seat 35 people. He also said that customers under the age of 18 would be advised upon entering the building that they must vacate the building after eating.

Sussex Police stated that the applicant was seeking to change the use of the premises to a late night vertical establishment by extending the hours of operation to 03:00hrs. They referred to crime and disorder data, stating that another late night premises in the area would negatively add to problems in the CIZ. Having met with the applicant on 3 November 2019 to determine type of premises, the applicant had said he wanted freedom to try different things, but he did not understand CIZ or the statement of Licensing Policy. Furthermore, he had not offered any additional conditions or information on

how the premises would promote the licensing objectives. Sussex Police urged the Sub-Committee to refuse the application, but if minded to approve it, they requested all of the conditions referred to in their representation in Appendix 3 of the agenda, be added to the exact wording, and proposed the premises close at midnight.

Councillors questioned whether there was a link between late night opening hours of drinking establishments and incidents fuelled by alcohol. Sussex Police said that analysis had showed a strong link between the two, and that most violent crime was fuelled by alcohol. An additional premises would add to problems in the area.

Councillors questioned the dispersal of other premises in the area. Sussex Police confirmed that there were other late night food establishment premises which have a dispersal policy eg Embassy, Seaside. But they had not received clarification from the applicant on how they would manage their dispersal policy.

Mr Albon, Specialist Advisor - Public Health, addressed the Sub-Committee in regard to the lack of information supplied by the applicant to promote the Licensing Objectives of the prevention of public nuisance. He said the premises would cause noise nuisance to residential properties in the area, especially taking on board the requested hours of opening. He referred to the conditions listed in his representation, Appendix 5 of the agenda, which he requested be added to the licence if granted.

Councillors questioned whether the premises was sound proofed. Mr Albon said he had not been inside the premises, but it did have a glazed shopfront.

In summary, Sussex Police said this was an application for a new late night venue in the heart of the CIZ. The premises would not effectively promote the licensing objectives and there was not enough detail in the application to override the presumption of rebuttal for this application within the CIZ.

To conclude, Mr Sonnessa, said he and his business partner wanted an opportunity to give the business a go.

Following all the evidence presented, the Sub-Committee retired to consider and determine the application.

Having taking into account all the relevant considerations, the Sub-Committee reconvened and announced the decision as follows:

RESOLVED: That the application for a variation to the current premises licence be refused.

The meeting ended at 7.28 pm

1 Introduction & Background

- 1.1 The Scheme for the control of sex establishments by the way of a licensing regime is contained in the Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009. The Council as the Appropriate Authority is encouraged to have regard to the Home Office Sexual Entertainment Venues Guidance for England and Wales (March 2010) (“the Guidance”), included as **Appendix 1**.
- 1.2 In addition Eastbourne Borough Council adopted its Sexual Establishment and Encounter Policy (“the Policy”) on the 23rd February 2011 and its current version on the 9th December 2015, to which Members should have regard. This is included at **Appendix 2**.
- 1.3 There is currently this one sexual entertainment venue in the Borough of Eastbourne. The licence was initially granted in July 2018, due to the delay in issuing the licence it ran from 6th December 2018 to the 5th December 2019. As the application to renew the licence was made before the expiry of the one year licence it is deemed to remain in force notwithstanding that the date has passed, until the withdrawal of the application or its determination. It is currently not operating as a sexual entertainment venue. The premises applied to vary the SEV licence and this was approved by the Licensing Sub-committee on the 26th September 2019.

- 1.4 This premises has a valid premises licence under the Licensing Act 2003 that covers
Recorded music Monday to Saturday 18:00- 04:00
Sunday 18:00- 03:00
- Performance of Dance Monday to Saturday 18:00-04:00
Sunday 18:00- 03:00
- Supply of Alcohol Monday to Saturday 18:00- 03:30
Sunday 18:00- 02:30

2 The Application

- 2.1 An application has been received by Eastbourne Borough Council the 'Appropriate Authority', to renew the Sexual Entertainment Venue Licence. A valid application was received on the 6th November 2019. It was from F. Forte Developments Ltd, in relation to LUX, for the performance of exotic dancers by male and female dancers (not mixed). The premises to trade seven days a week between 22:00hrs to 04:00hrs. A copy of the application is included at **Appendix 3.**
- 2.2 Sexual Entertainment Venue is defined as any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.
- Relevant Entertainment means
- Any live performance or
- Any live display of nudity
- Which is of such a nature that, ignoring financial gain, it must be reasonable to be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means.)
- 2.3 A copy of the current licence is included at **Appendix 4.**

3 Consultation process

- 3.1 The Act requires applicants to advertise both on the premises, and in a local newspaper in order to inform the public of the application. The site notice is required to be on display for 21 days and any one making objections has 28 days to do so. These requirements have been complied with.
- 3.2 A copy of the application was served on the Chief Officer of the Police. Sussex Police have not made a representation concerning this renewal application.
- 3.3 As a result of the consultation process, 1 representation has been made against this application. In line with 6.3 of the Policy any representations that are received against a renewal are referred to be heard by the Licensing Sub-Committee. A copy of the representation is included at **Appendix 5.**

4 Considerations

4.1 The Policy and the Guidance attached to this Report outlines the matters that the Authority should consider when determining the renewal application and these are listed in sections 5 and 6 of the Policy, of particular relevance are sections 5.7 to 5.10 and also 6.2. However, each application will be considered on its own merits.

5 Options available to Members

5.1 Members may:

- Grant the application as requested
- Grant the application to renew with additional or varied terms, conditions or restrictions
- Refuse the application

6 Appeal

6.1 Any applicant who is refused the renewal of the licence or a holder of any such licence who is aggrieved by any term, condition or restriction on the licence may within 21 days of being notified of the decision appeal to the Magistrates' Court. However, this is a restricted right of appeal. Appeals only lie against a mandatory refusal on the basis that the mandatory ground does not apply. Further, the right of appeal does not apply if the licence renewal is refused on the grounds that the number of sexual entertainment venues in the locality equals or exceeds the number the authority considers appropriate, or if the renewal of the licence would be inappropriate having regard to the character of the locality, the use to which any other premises in the locality are put, or the layout, character or condition of the premises themselves. There is no statutory right of appeal to the Magistrates' Court for any objectors. Where an application for renewal is refused the licence shall be deemed to remain in force until the time for bringing the appeal has expired and if such an appeal is brought until the determination or abandonment of the appeal. Where the appeal relates to the imposition of a term, condition or restriction the licence shall be free of it until the determination or abandonment of the appeal.

7 Financial appraisal

7.1 The cost of delivering the licensing function is fully covered by the Licensing fees.

8 Legal implications

MINISTERIAL FOREWORD

In September 2008, the previous Home Secretary announced the Government's intention to give local people greater say over the number and location of lap dancing clubs in their area. This followed a consultation with local authorities which highlighted concerns that existing legislation did not give communities sufficient powers to control where lap dancing clubs were established.

In order to address these concerns, section 27 of the Policing and Crime Act 2009 reclassifies lap dancing clubs as sexual entertainment venues and gives local authorities in England and Wales the power to regulate such venues as sex establishments under Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982.

These new measures, which take effect on 6th April 2010 in England and on 8th May in Wales, will, if adopted by local authorities, give local people a greater say over where and how many lap dancing clubs open and operate in their neighbourhoods.

These are important reforms to further empower local communities and the purpose of this guidance is to provide advice to local authorities, operators, local people and other interested parties on the new measures introduced by section 27 and the associated secondary legislation.

INTRODUCTION

Definitions

1.1 In this guidance –

The "2009 Act" means the Policing and Crime Act 2009

The "1982 Act" means the Local Government (Miscellaneous Provisions) Act 1982

The "2003 Act" means the Licensing Act 2003

"Section 27" means section 27 of the Policing and Crime Act 2009

"Schedule 3" means Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982

Policing and Crime Act 2009

1.2 Section 27 introduces a new category of sex establishment called 'sexual entertainment venue', which will allow local authorities to regulate lap dancing clubs and similar venues under Schedule 3.

1.3 Section 27 gives local authorities more powers to control the number and location of lap dancing clubs and similar venues in their area. These powers are not mandatory and will only apply where they are adopted by local authorities. Where adopted, these provisions will allow local authorities to refuse an application on potentially wider grounds than is permitted under the 2003 Act and will give local people a greater say over the regulation of lap dancing clubs and similar venues in their area.

The Guidance

1.4 The guidance is provided for local authorities carrying out their functions under Schedule 3, as amended by section 27. It will also be of use to operators, the police and the general public.

- 1.5 Interpretation of the relevant primary and secondary legislation is ultimately a matter for the courts. However, local authorities are encouraged to have regard to the guidance when exercising their functions (although there is no statutory requirement to do so) in order to promote best practice and consistency across England and Wales.
- 1.6 The guidance is composed of 3 sections. Section 2 focuses on the 2009 Act and the definition of 'sexual entertainment venue'. Section 3 provides an explanation of the meaning and effect of Schedule 3 to the 1982 Act and section 4 provides guidance on the transitional provisions as set out in the transitional orders: *The Policing and Crime Act 2009 (Commencement No.1 and Transitional and Saving Provisions)(England) Order 2010* and the *Policing and Crime Act 2009 (Consequential Provisions)(England) Order 2010* and any equivalent orders made by Welsh Ministers in respect to Wales.
- 1.7 Apart from extending the scope of the 1982 Act to cover the licensing of sexual entertainment venues and removing the sex encounter establishment category in those local authority areas that adopt the new provisions, the 2009 Act and the associated secondary legislation makes only minor changes to the operation of Schedule 3.
- 1.8 Section 27 of, and Schedule 3 to, the 2009 Act come into force in England on 6th April as does the *Policing and Crime Act 2009 (Consequential Provisions) (England) Order 2010*. In Wales, the equivalent provisions come into force on 8th May 2010.

POLICING AND CRIME ACT 2009

Meaning of Sexual Entertainment Venue

- 2.1 Paragraph 2A of Schedule 3 as inserted by section 27 sets out the meaning of a 'sexual entertainment venue' and 'relevant entertainment' for the purposes of these provisions. A sexual entertainment venue is defined as *"any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer."*
- 2.2 The meaning of 'relevant entertainment' is *"any live performance or live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means)."* An audience can consist of just one person (e.g. where the entertainment takes place in private booths).
- 2.3 While local authorities should judge each case on its merits, we would expect that the definition of relevant entertainment would apply to the following forms of entertainment as they are commonly understood:
- Lap dancing
 - Pole dancing
 - Table dancing
 - Strip shows
 - Peep shows
 - Live sex shows
- 2.4 The above list is not exhaustive and, as the understanding of the exact nature of these descriptions may vary, should only be treated as indicative. Ultimately, decisions to licence premises as sexual entertainment venues shall depend on the content of the entertainment provided and not the name it is given.

- 2.5 For the purposes of these provisions a premises includes any vessel, vehicle or stall but does not include a private dwelling to which the public are not admitted.

Nudity

- 2.6 It is important to note that although the definition of relevant entertainment makes reference to a 'live display of nudity', the mere fact that there is a display of nudity does not mean that a sex establishment licence will necessarily be required. For example, if the display forms part of a drama or dance performance in a theatre, in most cases it cannot reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience.
- 2.7 Paragraph 2A(14) of Schedule 3 sets out the definition of a 'display of nudity'. In the case of a woman, it means exposure of her nipples, pubic area, genitals or anus and, in the case of a man; it means exposure of his pubic area, genitals or anus.

The Organiser

- 2.8 The relevant entertainment must be provided for the financial gain of the 'organiser' or 'entertainer'. The 'organiser' means any person who is responsible for the organisation or management of the relevant entertainment or the premises at which the relevant entertainment is provided. In most circumstances, this will refer to the manager of the premises, but could also refer someone who is responsible for organising the relevant entertainment on behalf of the persons responsible for the management of the premises.
- 2.9 The 'organiser' must be someone who is in a position of responsibility over the provision of the relevant entertainment and should not be interpreted to mean a member of staff who is merely employed to work during the provision of relevant entertainment. It is only necessary for

one person to hold a sexual entertainment venue licence for premises, even if there is more than one person who is responsible for the organisation or management of the relevant entertainment or the premises.

Spontaneous Entertainment

2.10 Where activities that would otherwise be considered to involve the provision of relevant entertainment take place, but are not provided for the financial gain of the organiser or entertainer, such as a spontaneous display of nudity or a lap dance by a customer or guest, the premises will not be considered a sexual entertainment venue by virtue of those circumstances alone. This is because the relevant entertainment must be provided for the financial gain of the organiser or entertainer. However, it should be noted that an organiser may be considered to have provided the entertainment where he has permitted the activity to take place, whether expressly or impliedly.

Premises that are not sexual entertainment venues

2.11 Paragraph 2A(3) of Schedule 3 sets out those premises that are not sexual entertainment venues. These are:

- sex shops and sex cinemas (which are separately defined in Schedule 3 to the 1982 Act);
- premises which provide relevant entertainment on an infrequent basis. These are defined as premises where-
 - a) no relevant entertainment has been provided on more than 11 occasions within a 12 month period;
 - b) no such occasion has begun within a period of one month beginning with the end of the previous occasions; and
 - c) no such occasion has lasted longer than 24 hours.
- other premises or types of performances or displays exempted by an order of the Secretary of State.

2.12 Premises which provide relevant entertainment on an infrequent basis will continue to be regulated under the 2003 Act, insofar as they are

providing regulated entertainment under that Act, either by virtue of a premises licence or club premises certificate issued under Part 3 or Part 4 or a temporary events notice issued under Part 5 of that Act. Any premises that provide relevant entertainment on more occasions, more frequently or for a longer period of time than is permitted under the exemption will be operating as a sexual entertainment venue and will have committed an offence under Schedule 3 unless they hold a sexual entertainment venue licence or the local authority has waived the requirement for such a licence.

Amendments to the Licensing Act 2003

- 2.13 Schedule 7 to the 2009 Act amends the 2003 Act to ensure that premises for which a sexual entertainment venue licence is required or held (or for which the requirement has been waived under paragraph 7 of Schedule 3 to the 1982 Act) do not also require a premises licence, club premises certificate or temporary events notice in order to provide relevant entertainment. This is because such entertainment is expressly excluded from the definition of regulated entertainment found in the 2003 Act. However, if the premises also carry on other licensable activities (e.g. the sale of alcohol or the provision of regulated entertainment that is not relevant entertainment), they will nevertheless continue to require a premises licence, club premises certificate or temporary events notice under the 2003 Act for those other activities, subject to any exceptions contained in that Act.
- 2.14 In practice, this will mean that the vast majority of lap dancing clubs and similar venues will require both a sexual entertainment venue licence for the provision of relevant entertainment and a premises licence or club premises certificate for the sale of alcohol or provision of other types of regulated entertainment not covered by the definition of relevant entertainment.
- 2.15 Live music or the playing of recorded music which is integral to the provision of relevant entertainment, such as lap dancing, for which a sexual entertainment licence is required, is specifically excluded from

the definition of regulated entertainment in the 2003 Act. Therefore, a sexual entertainment venue will not require a premises licence or club premises certificate just because it plays recorded music for a performer to dance to. (Nor will providing entertainment facilities for the purposes of the provision of relevant entertainment be regulated entertainment under the 2003 Act).

- 2.16 Premises which fall under the exemption created for infrequent entertainment do not require a sexual entertainment venue licence but will instead need an appropriate authorisation under the 2003 Act, for example, to cover the performance of dance. The exemption from requirements of the 2003 Act for live music or the playing of recorded music which is integral to relevant entertainment does not apply to such venues.

Consultation with Local People

- 2.17 If a local authority has not made a resolution to adopt the provisions introduced by section 27 within one year of it coming into force it must, as soon as is reasonably practicable, consult local people about whether they should make such a resolution.
- 2.18 The purpose of this duty is to ensure that local authorities consider the views of local people where, for whatever reason, they have not adopted the provisions.
- 2.19 This duty should be seen to be an extension to existing general duties on local authorities to consult and involve local people when exercising their functions.
- 2.20 The 2009 Act is not prescriptive about how local authorities should consult with local people in order to comply with this duty. Local authorities have extensive experience of engaging with local people and will know what works best in their individual areas. Clearly, the Secretary of State expects that any consultation exercise carried out under this duty will be fair and meaningful. Local authorities should

seek to make any relevant information available to local people in order to inform their understanding and publish the outcomes of the consultation on the internet.

2.21 In practice, local authorities may decide to consult local people on this matter when they consult and involve local people on broader local priorities and crime and disorder or anti-social behaviour priorities as part of their work to develop Local Area Agreements/Local Delivery Agreements and crime and disorder strategies, as required under various existing duties, including, section 138 of the Local Government and Public Involvement in Health Act 2007 and regulation 12 of the Crime and Disorder (Formulation and Implementation of Strategy) Regulations 2007. This will ensure that consultations are not onerous and form part of the ongoing engagement with local communities undertaken by all local authorities.

2.22 For the purposes of this duty 'local people' are defined as anyone who lives or works in the local authority area.

SCHEDULE 3 TO THE LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982

The Appropriate Authority

- 3.1 The appropriate authority is responsible for determining applications for sex establishment licences. For the purposes of the 1982 Act 'appropriate authority' means the local authority which passed a resolution under section 2 of that Act to adopt Schedule 3 in their area. 'Local authority' means—
- (a) the council of a district (including a unitary County Council) or, in Wales, the principal council¹;
 - (b) the council of a London borough; and
 - (c) the Common Council of the City of London.

Committee or Sub-Committee

- 3.2 Functions under Schedule 3 are the responsibility of the full council of the appropriate authority, as defined above. Under section 101 of the Local Government Act 1972, local authorities may arrange for the discharge of these responsibilities by a committee or sub-committee of the appropriate authority.
- 3.3 An authority may delegate its functions to those who sit on its licensing committee set up to discharge licensing functions under the 2003 Act. However, when dealing with an application for a sex establishment licence, the members of the committee would not be acting as the licensing committee under the 2003 Act and would instead be exercising their functions under Schedule 3.

¹ See section 2 of the 1982 Act. Section 17 of the Local Government (Wales) Act 1994 provides that legislative references to district councils are to be interpreted as references to principal councils in Wales. Unitary County Councils have all the functions and powers of district councils.

Adopting the Provisions

- 3.4 Section 27 comes into force on 6th April 2010 in England and 8th May in Wales². On or following this date local authorities may resolve to adopt Schedule 3 to the 1982 Act as amended by the 2009 Act so that it has effect in their area.
- 3.5 Although many local authorities will have already adopted Schedule 3 to the 1982 Act for the licensing of sex shops and sex cinemas, a further resolution is necessary before the provisions introduced by Section 27 will have effect in the local authority area. However, where a local authority has not resolved to adopt Schedule 3 to the 1982 Act before the coming into force of Section 27, the amendments made to Schedule 3 by section 27 will apply automatically if a resolution to adopt Schedule 3 is made subsequently (see Schedule 3 to the 2009 Act).
- 3.6 The procedure for local authorities to adopt Schedule 3 as amended by section 27 is set out in section 2 of the 1982 Act. Firstly, the local authority must pass a resolution specifying that Schedule 3 or, in the case of an authority where Schedule 3 is already in force, the amendments made by section 27 to that Schedule, shall apply to their area and the day on which it or they shall come into force in the area. The specified day must be more than one month after the day on which the resolution was passed.
- 3.7 The local authority shall publish notice that they have passed a resolution under section 2 of the 1982 Act or (in cases where Schedule 3 is already in force but the local authority is adopting the amendments made by section 27) paragraph 2(2) of Schedule 3 to the 2009 Act for two consecutive weeks in a local newspaper that is circulated in their area. The first publication shall not be later than 28 days before the day specified in the resolution for the provisions to come into force in the

² Section 27 (11) was brought into force on 2nd March 2010 but only for the purpose of making the transitional orders.

local authority's area. The notice should state the general effect of Schedule 3.

- 3.8 While there is no statutory duty to do so, prior to deciding whether to pass a resolution, local authorities may, as a matter of good practice, wish to seek the views of local people and businesses. The Secretary of State also encourages local authorities to engage with known sexual entertainment venues at the earliest possible opportunity once a decision to adopt the provisions has been made, to ensure affected businesses are aware of what action they will need to take in order to comply with the new regime.

Requirement for a Sex Establishment Licence

- 3.9 Any person wishing to operate a sex establishment as defined by Schedule 3 requires a sex establishment licence, unless the requirement for a licence has been waived by the appropriate authority.
- 3.10 An applicant can apply for a waiver either as part of the application for a licence or separately. The local authority can grant a waiver if they consider that to require a licence would be unreasonable or inappropriate. Where a waiver is granted the appropriate authority should inform the applicant that a waiver has been granted. The waiver may last for such a period that the appropriate authority think fit, but can be terminated by the appropriate authority at any time with 28 days notice.

Premises that are deemed to be Sexual Entertainment Venues

- 3.11 Paragraph 27A of Schedule 3 deems premises with licences to operate as sexual entertainment venues to be sexual entertainment venues whilst their licence remains in force, irrespective of how frequently they are or have been providing relevant entertainment. This remains the case even if premises operate within the exemption for infrequent events.

- 3.12 If an operator with a sexual entertainment venue licence is operating within the exemption for infrequent events and no longer wants their premises to be treated as a sexual entertainment venue (e.g. because they are no longer operating as a lap dancing club) they may write to the relevant local authority to request that their licence be cancelled. Upon receiving such a request from a licence-holder a local authority must cancel the licence in question.

Notices

- 3.13 Applicants for a sex establishment licence must give public notice of the application by publishing an advertisement in a local newspaper that is circulated in the local authority area no later than 7 days after the date the application is made.
- 3.14 Where the application relates to premises, a notice should also be displayed on or near the premises in a place where it can be conveniently read by members of the public. The notice should be displayed for a period of 21 day beginning with the date the applications was made.
- 3.15 All notices should be in the form prescribed by the appropriate authority and identify the premises or, if the application relates to a vehicle, vessel or stall, specify where it will be used as a sex establishment.
- 3.16 There are similar notification requirements for applications made under the 2003 Act. Where an applicant is making an application under both Schedule 3 and the 2003 Act at the same time they may wish to combine these requirements where permitted.

Application Forms

- 3.17 Unlike the 2003 Act there is no prescribed application form for an application made under Schedule 3 to the 1982 Act. However, the application must be in writing and contain the details set out in paragraph 10 of Schedule 3 along with such other details as the

appropriate authority may reasonably require. Local authorities must provide for applications to be made electronically and may produce and publish recommended application forms for sex establishment licences setting out all the details required.

Single Point of Contact

- 3.18 Following amendments to sub-paragraph 10(14) made by the Provision of Services Regulations 2009, where an application for the grant, renewal or transfer of a licence is made by means of a relevant electronic facility it will be the responsibility of the appropriate authority to send a copy of an application to the chief officer of police, not later than 7 days after the date the application is received.
- 3.19 Where an application is made by any other means the responsibility to send a copy of the application to the chief officer of police within 7 days of the application being made will remain the responsibility of the applicant.
- 3.20 For the purpose of Schedule 3 a relevant electronic facility means the electronic assistance facility referred to in regulation 38 of the Provision of Services Regulations 2009 or any facility established and maintained by the appropriate authority for the purpose of receiving applications under this Schedule electronically.

Fees

- 3.21 Schedule 3 to the 1982 Act states that an application for the grant, renewal, variations or transfer of a sex establishment licence shall pay a reasonable fee determined by the appropriate authorities, but does not expand on what would be considered to be reasonable.
- 3.22 However, local authorities should have regard to the following documents when determining their fee: *The European Services*

Directive: Guidance for Local Authorities³ and LACORS Guidance on the impact of the Services Directive on councils setting and administering local licence fees within the service sector.⁴

Objections

- 3.23 When considering an application for the grant, renewal or transfer of a licence the appropriate authority should have regard to any observations submitted to it by the chief officer of police and any objections that they have received from anyone else within 28 of the application. Any person can object to an application but the objection should be relevant to the grounds set out in paragraph 12 for refusing a licence. Objections should not be based on moral grounds/values⁵ and local authorities should not consider objections that are not relevant to the grounds set out in paragraph 12. Objectors must give notice of their objection in writing, stating the general terms of the objection.
- 3.24 Where the appropriate authority receives notice of any objection the authority shall, before considering the application, give notice in writing of the general terms of the objection to the applicant. However, the appropriate authority shall not without the consent of the person making the objection reveal their name or address to the applicant.

Hearings

- 3.25 Under paragraph 10(19) of Schedule 3, before refusing an application, all applicants should be given the opportunity to appear before and be heard by the local authority committee or sub-committee that is responsible for determining the application.
- 3.26 Schedule 3 does not make explicit provision for objectors to be heard, but this does not mean that such hearings cannot take place. Rather, case law on this matter states that while local authorities are under no

obligation to offer an oral hearing to objectors, they may do so at their discretion. Although a local authority is under a duty to consider any objections made within 28 days of the application, it has discretion to hear later objections provided the applicant is given the opportunity to deal with those objections.⁶

Refusal of a Licence

3.27 Paragraph 12 of Schedule 3 sets out the grounds for refusing an application for the grant, renewal or transfer of a licence.

A licence must not be granted:

- (a) to a person under the age of 18;
- (b) to a person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months;
- (c) to a person, other than a body corporate, who is not resident in an EEA State or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
- (d) to a body corporate which is not incorporated in an EEA State; or
- (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

3.28 A licence may be refused where:

- (a) the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
- (b) if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;

⁶ R v Plymouth City Council v Quietlynn [1998] Q.B. 114.

- (c) the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality;
- (d) that the grant or renewal of the licence would be inappropriate, having regard—
 - (i) to the character of the relevant locality; or
 - (ii) to the use to which any premises in the vicinity are put; or
 - (iii) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

3.29 A decision to refuse a licence must be relevant to one or more of the above grounds.

3.30 When determining a licence application, the local authority must have regard to any rights the applicant may have under Article 10 (right to freedom of expression) and Article 1, Protocol 1 (protection of property) of the European Convention on Human Rights.⁷

3.31 The Provision of Services Regulations 2009⁸ amended Schedule 3 to the 1982 Act to state that, if having considered an application for the grant, renewal or transfer of a licence, the appropriate authority decides to refuse it on one or more of the above grounds, it must provide the applicant with reasons for the decision in writing.

Relevant Locality

3.32 Paragraph 12(3)(c) and 12(3)(d) of Schedule 3 allow appropriate authorities to refuse applications on grounds related to an assessment of the “relevant locality”. A licence can be refused if either, at the time the application is determined the number of sex establishments, or sex establishments of a particular kind, in the relevant locality is equal to or exceeds the number that the authority considers appropriate for that locality; or that a sex establishment would be inappropriate having

⁷ *Belfast City Council v Miss Behavin' Ltd* (Northern Ireland) (2007) [2007] UKHL 19

⁸ Regulation 47

regard to the character of the relevant locality, the use to which any premises in the vicinity are put or the layout, character or condition of the premises. Nil may be the appropriate number.

- 3.33 Schedule 3 to the 1982 Act does not define “relevant locality” further than to say that:
- (a) in relation to premises, it is the locality where they are situated; and
 - (b) in relation to a vehicle, vessel or stall, any locality where it is desired to use it as a sex establishment.
- 3.34 Clearly, the decision regarding what constitutes the ‘relevant locality’ is a matter for the appropriate authority. However, such questions must be decided on the facts of the individual application.⁹
- 3.35 Therefore, it is reasonable and potentially useful to future applicants, for a local authority to decide in advance of receiving any applications that certain areas are, or are not, appropriate locations for a sex establishment or a particular number of sex establishments. Nevertheless, all applications must be considered on their individual merits.
- 3.36 When considering a particular application case law has indicated that the relevant locality does not have to be a clearly pre-defined area nor are local authorities required to be able to define its precise boundaries. Therefore, while a local authority is not prevented from defining the exact area of the relevant locality, it is equally free to conclude that it simply refers to the area which surrounds the premises specified in the application and does not require further definition. Nevertheless a local authority’s view of what constitutes a locality could be open to challenge if they took a completely unreasonable view of the area covered, for example, by concluding that two sex establishments 200 miles away from one another were in the same

⁹ See *R v Peterborough City Council ex parte Quietlynn* 85 L.G.R. 249 for further guidance.

locality. Case law also indicates that a relevant locality cannot be an entire local authority area or an entire town or city.¹⁰

- 3.37 Once the appropriate authority has determined the relevant locality, it should seek to make an assessment of the 'character' of the relevant locality and how many, if any, sex establishments, or sex establishments of a particular kind, it considers appropriate for that relevant locality.
- 3.38 Section 27 amends paragraph 12(3)(c) of Schedule 3 to allow local authorities to determine an appropriate number of sex establishments of a particular kind. In practice, this means that the appropriate authority may, for example, decide that a particular locality is suitable for a sex shop but is not suitable for a sexual entertainment venue or vice versa.

Licence Conditions

- 3.39 Once the appropriate authority has decided to grant a licence they are able to impose terms, conditions and restrictions on that licence, either in the form of conditions specific to the individual licence under paragraph 8 of Schedule 3 or standard conditions applicable to all sex establishments, or particular types of sex establishments, prescribed by regulations made by the appropriate authority under paragraph 13 of Schedule 3.
- 3.40 Paragraph 13 provides examples of the matters that standard conditions may address which include but are not restricted to:
- The hours of opening and closing
 - Displays and advertisements on or in sex establishments
 - The visibility of the interior of a sex establishment to passers-by
 - Any change of use from one kind of sex establishment to another

¹⁰ R v Peterborough City Council ex parte Quietlynn 85 L.G.R. 249

- 3.41 Where the appropriate authority decides to produce standard conditions under paragraph 13 they will apply to every licence granted, renewed or transferred by the authority unless they have been expressly excluded or varied.
- 3.42 Most sexual entertainment venues will require a 2003 Act licence as well as a sex establishment licence. Where this is the case, local authorities should avoid duplicating licence conditions and should ensure that conditions imposed on the each licence are relevant to the activities authorised by that licence. For example, conditions relating to the sale of alcohol should only appear on a premises licences or clubs premises certificate and should not be imposed on sexual entertainment venue licence. Likewise, conditions relating the provisions of relevant entertainment should appear on the sexual entertainment venue licence and not a premises licence or club premises certificate. Local authorities should also avoid imposing conditions on either licence that are contradictory.

Duration of Licences

- 3.43 Licences for sex establishments can be granted for up to one year.

Appeals

- 3.44 In the event that the appropriate authority refuses an application for the grant, renewal or transfer of a sex establishment licence the applicant may appeal the decision in a magistrates' court, unless the application was refused under 12(3)(c) or (d), in which case the applicant can only challenge the refusal by way of judicial review.

Licensing Policies

- 3.45 While local authorities are not required to publish a licensing policy relating to sex establishments they can do so if they wish as long as it

does not prevent any individual application from being considered on its merits at the time the application is made.¹¹

- 3.46 A licensing policy for sex establishments might include statements about where local authorities are likely to consider to be appropriate or inappropriate locations for such venues. This could be set out in general terms by reference to a particular type of premises, such as a school or place of worship, or more specifically, by reference to a defined locality.
- 3.47 Local authorities could also use a licensing policy to indicate how many sex establishments, or sex establishments of a particular kind, they consider to be appropriate for a particular locality.
- 3.48 Local authorities can also produce different policies or a separate set of criteria for different types of sex establishments. This might be appropriate to reflect distinctions between the operating requirements of different sex establishments or the fact that the location that a local authority considers appropriate for a sex shop may be different to that of a sexual entertainment venue.

Offences

- 3.49 The offences under Schedule 3 are set out in paragraphs 20 to 23 of that Schedule and include:
- knowingly causing or permitting the use of any premises as a sex establishment without a licence;
 - being the holder of a licence, knowingly employing a person in a sex establishment who is disqualified from holding a licence;
 - being the holder of a licence, knowingly contravenes, or without reasonable excuse knowingly permits the contravention of, a term, condition or restriction specified in a licence;
 - being the servant or agent of the holder of a licence, without reasonable excuse knowingly contravenes, or without reasonable

¹¹ R v Peterborough City Council ex parte Quietlynn Ltd (1986) 85 LGR 249

excuse knowingly permits the contravention of, a term, condition or restriction specified in a licence;

- being the holder of a licence, without reasonable excuse knowingly permits a person under the age of 18 to enter the establishment
- being the holder of a licence, employs a person known to them to be under 18 years of age in the business of the establishment.

3.50 A person guilty of any of the above offences is liable on summary conviction to a fine not exceeding £20,000.

3.51 It is also an offence for the holder of a licence, without reasonable excuse to fail to exhibit a copy of the licence and any standard conditions applicable to the licence in a suitable place as specified in the licence. A person guilty to this offence shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

Provisions Relating to Existing Premises

3.52 Where a local authority resolves that Schedule 3 apply in their area having not previously made such a resolution, paragraphs 28 and 29 will have effect for the purpose of sex shop, sex cinemas and hostess bars, but will not have effect for the purpose of sexual entertainment venues. The transitional provisions relating to sexual entertainment venues are explained in part 4 of this guidance.

The Services Directive

3.53 Schedule 3 to the 1982 Act constitutes an authorisation scheme under Article 9 of the EU Services Directive 2006/123/EC ("the Directive") which was implemented in the UK by the Provision of Services Regulations 2009 ("2009 Regulations"), which came into force on 28th December 2009. Local authorities must ensure they comply with the Regulations when applying the licensing provisions in Schedule 3.

3.54 The Department of Business, Innovation and Skills (BIS) has produced guidance for both businesses and local authorities to assist in

understanding the impact of the Directive and 2009 Regulations and what service providers and relevant authorities must do in order to comply. Both guidance documents can be found on the BIS website: <http://www.berr.gov.uk/whatwedo/europeandtrade/europe/services-directive/page9583.html>

- 3.55 In particular, the 2009 Regulations may affect the way in which local authorities set application fees, process applications and grant licences.

TRANSITIONAL PROVISIONS

- 4.1 This section provides guidance on the transitional provisions as set out in the *Policing and Crime Act 2009 (Commencement No. 1, and Transitional and Saving Provisions)(England) Order 2010 ("the Transitional Order")* and the *Policing and Crime Act 2009 (Consequential Provisions)(England) Order 2010 ("the Consequential Order")* and the equivalent orders made by Welsh Ministers for Wales.

Transitional Period

- 4.2 The 'transitional period' will last for 12-months beginning with the date that the local authority resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'.
- 4.3 The appointed days will vary across local authority areas depending on when individual local authorities resolve that the provisions will come into force in their area.

Existing Operators

- 4.4 To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later.

- 4.5 "Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to a local authority. However, where a dispute arises between a local authority and an licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the local authority will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.
- 4.6 For the purposes of the Transitional Order a "2003 Act Licence" means a premises licence or club premises certificate under which it is lawful to provide relevant entertainment.

New Applicants

- 4.7 New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence.

Determining Applications Received On or Before the 2nd Appointed Day

- 4.8 Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

- 4.9 As the appropriate authority is able to refuse applications having regard to the number of sex establishment they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.
- 4.10 No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

- 4.11 Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.
- 4.12 As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

- 4.13 Local authorities should attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of relevant entertainment, before the date

that Schedule 3 as amended by the 2009 Act comes into force in their area.

- 4.14 Where it has not been possible to determine application before the 1st appointed day, local authorities should advise applicants that they will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants.

Existing Licence Conditions

- 4.15 In many cases licences granted under the 2003 Act to existing operators will contain conditions that relate expressly and exclusively to the provision of relevant entertainment. Such a condition might prohibit contact between a performer and customer during a lap dance. In these cases, in order to avoid duplication, where conditions on premises licences or club premises certificates relate only to the provision of relevant entertainment, they shall be read as if they were deleted from the 3rd appointed day onwards.
- 4.16 In cases where conditions on a premises licence or clubs premises certificate are inconsistent with, and less onerous than, the conditions in the licence granted under the 1982 Act they shall likewise be read as though they have been deleted.
- 4.17 Where a local authority decides to grant a sex establishment licence to an existing operator, who is subject to conditions on their existing premises licence or club premises certificate that relate expressly to the provision of relevant entertainment, they may wish to replicate the existing conditions on the new sex establishment licence if they believe that the existing conditions are sufficient. However, they could equally decide to impose new conditions consistent with Schedule 3 if they believe that new or additional conditions are necessary.

4.18 Although the Transitional Order does not require redundant conditions to be physically removed from a premises licence or club premises certificate, operators and local authorities may agree that this is desirable in order to clarify the operator's legal obligations. Such changes can be made via the minor variations procedure under section 41A of the 2003 Act.

ECHR Considerations

4.19 The Transitional Order allows local authorities to refuse applications, whether they are from existing operators or new applicants, on one or more grounds set out in paragraph 12 of Schedule 3. When making such decisions, local authorities must take into account any rights the existing operators may have under Article 1, Protocol 1 of the European Convention on Human Rights (which entitles every person to the peaceful enjoyment of their possessions) and Article 10 (freedom of expression).

4.20 In light of the leading case of *Belfast City Council v Miss Behavin' Ltd (Northern Ireland)*¹² it would be prudent for local authorities to assume that freedom of expression includes the right to use particular premises as sexual entertainment venues and that a person who is denied the right to use his premises as a sexual entertainment venue where he already has a licence to do so under the 2003 Act (or in future under the 1982 Act) has been deprived of possessions. (Some Lords did not decide this point or disagreed that such rights were engaged and therefore it would still be open to local authorities to argue that such rights were not engaged in a particular case). However, in any event, the House of Lords were agreed that such rights would only be engaged at a low level. This led Lord Hoffman to say that if the local authority exercises its powers rationally and in accordance with the purposes of the statutory provisions, it would require very unusual facts for it to amount to a disproportionate restriction on Convention rights.

¹² [2007] UKHL 19

4.21 Nevertheless, local authorities would be well advised to consider whether any interference with the applicant's rights under Article 10 or Article 1, Protocol 1 of the European Convention on Human Rights is necessary and proportionate for the prevention of disorder or crime, for the protection of health or morals or for the protection of the rights and freedoms of others or, in the case of Article 1, Protocol 1, can be justified in the general interest.

Changes to Licensing Policies

4.22 Many local authorities who have already adopted Schedule 3 will have published a licensing policy for sex establishments. Such policies may provide a useful guide to potential applicants about whether a particular application is likely to be successful or not.

4.23 Upon resolving to adopt the sexual entertainment venue provisions introduced by the 2009 Act, local authorities should ensure that their licensing policies for sex establishments are up to date and reflect the changes introduced by Section 27. This could mean updating existing policies or producing a policy specific to regulation of sexual entertainment venues.

London

Sex Encounter Establishments

4.24 London local authorities which have adopted Schedule 3 to the 1982 Act as amended by the Greater London Council (General Powers) Act 1986 are able to regulate sex encounter establishments. However, under sub-paragraph 3A(i) premises that hold a premises licence or club premises certificate for the provision of regulated entertainment or late night refreshment are not regarded as sex encounter establishments. This means that, in practice, there are very few, if any, premises that are licensed as sex encounter establishments.

4.25 Therefore, the transitional provisions set out that where a local authority, which has previously adopted provisions to regulate sex encounter establishments, passes a resolution to adopt Schedule 3, as amended by section 27, the existing sex encounter establishment category will be replaced by the new sexual entertainment venue category.

4.26 In these circumstances, an existing sex encounter establishment licence will be treated as though it had been granted under the new sexual entertainment venue regime with any terms, conditions and restrictions carried over.

Hostess Bars

4.27 The hostess bar category of sex establishment, as introduced by section 33 of the London Local Authorities Act 2007, is largely unaffected by the 2009 Act provisions.

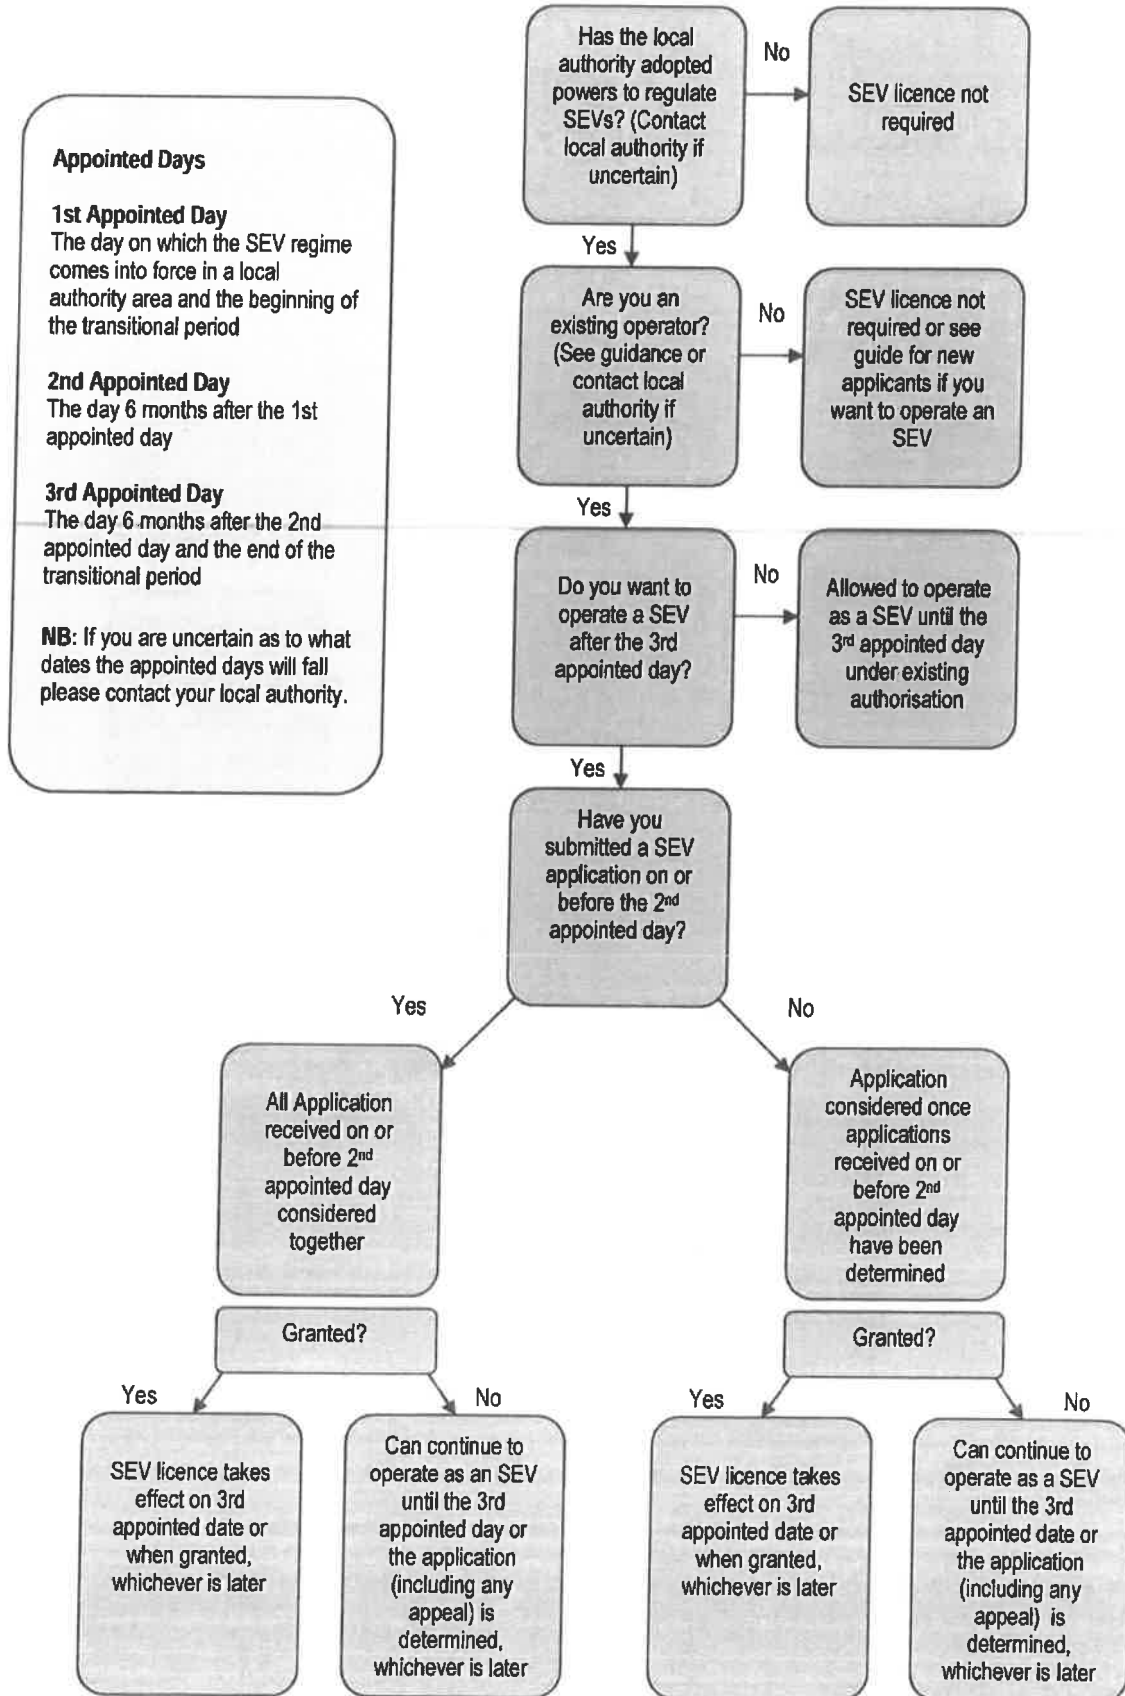

4.28 In cases where a London local authority has already resolved that the hostess bar category has effect in their area, they will be able to retain this category after the amendments made by the 2009 Act have been adopted and the sex encounter establishment category has been repealed, subject to the amendments made to Schedule 3 by the 2009 Act. Where London local authorities have not adopted the sexual entertainment venue provisions, it will still be open for them to resolve to adopt the hostess bar category after the 2009 Act provisions have been adopted without having to adopt the sex encounter establishment category.

Soliciting for Custom

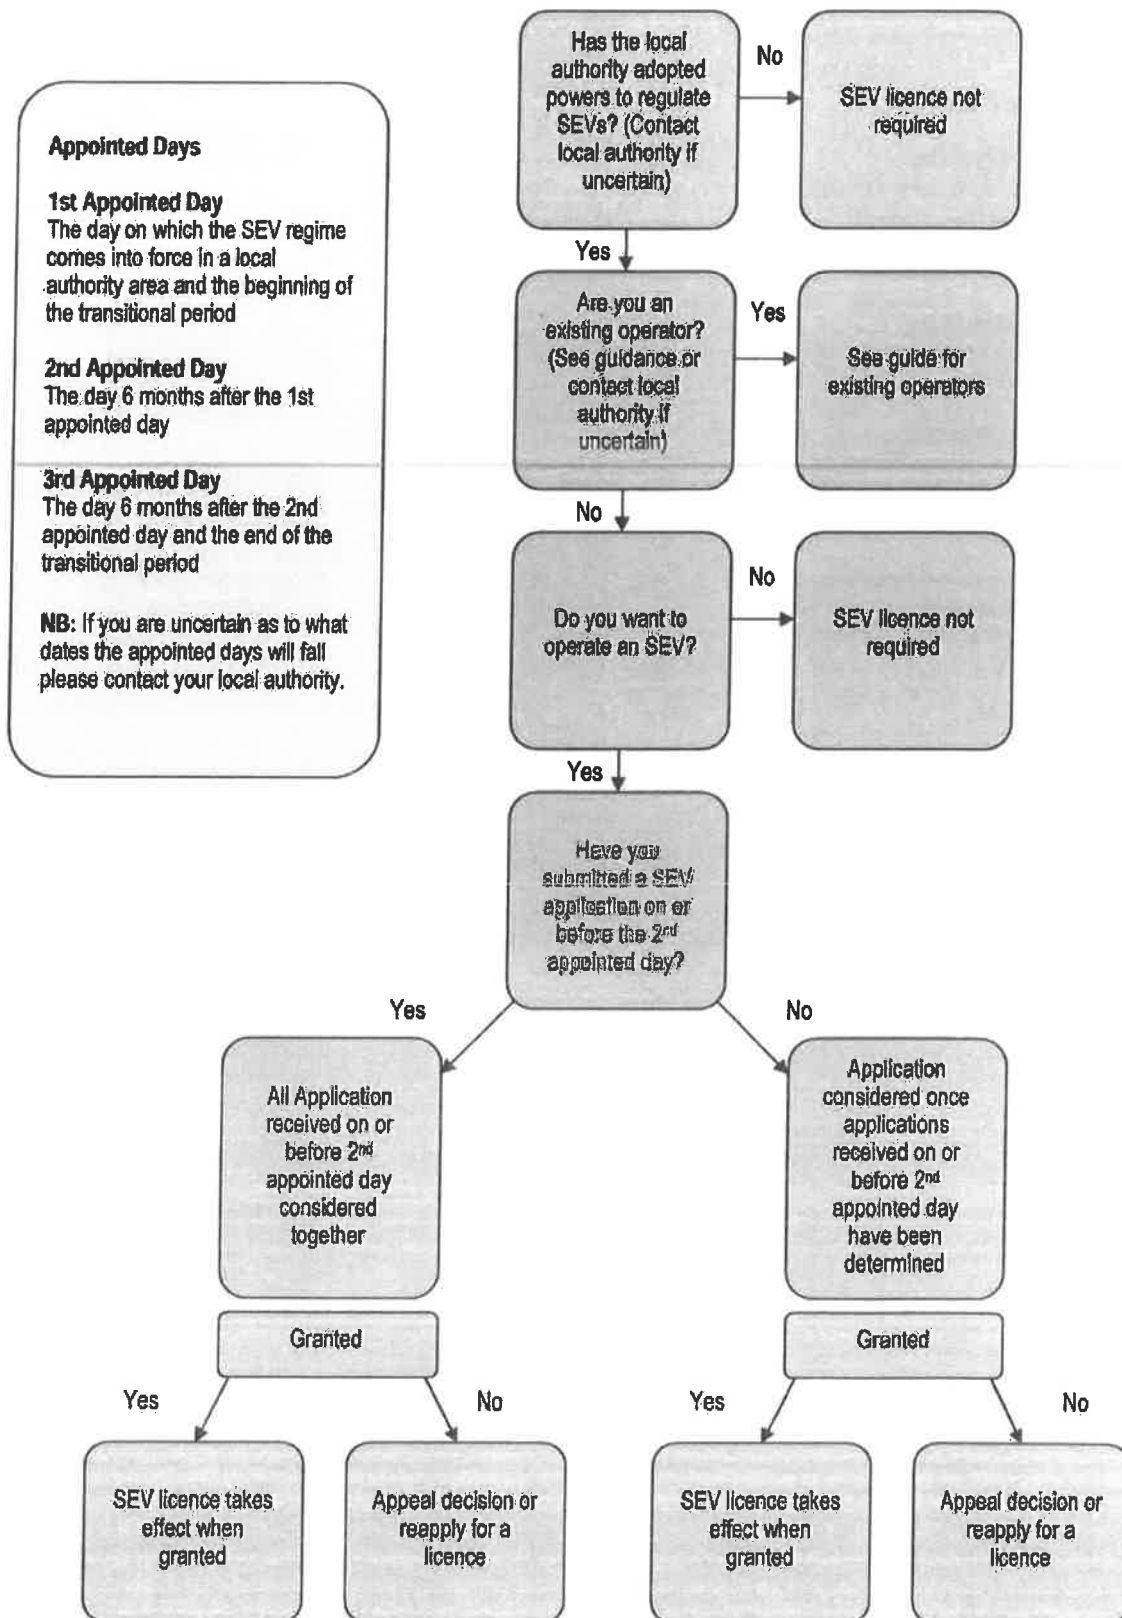

4.29 Under Section 22 of the London Local Authorities Act 2004, as amended by Section 72 of the London Local Authorities Act 2007, it is an offence in London to solicit for custom for a sex establishment. However, paragraph 2A provides a defence if the premises concerned are licensed under Part 3 of the 2003 Act.

4.30 When a London local authority resolves to adopt the provisions introduced by Section 27, it will be a defence if the premises are licensed as a sexual entertainment venue under Schedule 3 of the 1982 Act or are operating lawfully under a 2003 Act licence during the transitional period at the time of the alleged offence.

1.0 Introduction

- 1.1 This document relates to applications for sex establishment licences. Sex establishments fall into one of the following three categories:
- sex cinemas
 - sex shops
 - sexual entertainment venues
- 1.2 The scheme for the control of sex establishments by way of a licensing regime is contained in the Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009. The Council has had regard to the Home Office Sexual Entertainment Venues Guidance for England and Wales (March 2010).
- <http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=23464>
- 1.3 This Policy sets out the Council's approach for the benefit of applicants, and operators. It also aims to guide and re-assure the public and other public authorities, ensuring transparency and consistency in decision making. When the decision making powers of the Council are engaged, each application will be considered on its merits.
- 1.4 The procedure outlines:
- the process for making an application, and
 - the process the Council will follow in considering and determining an application for a sex establishment.

2.0 Consultation

- 2.1 Consultation on this Policy took place with:
- One or more persons who appear to the authority to represent the interests of persons carrying, or proposing to carry on, the business of a sex establishment in the authority. 5.0 General Policy

Principles to be applied

5.1 Specific mandatory grounds for refusal of a licence are set out in the Act.

A licence cannot be granted:

- a) to anyone under 18 years of age
- b) to someone who has held a licence that was revoked in the last 12 months (from the date of revocation) and who was disqualified from holding a licence for that period.
- c) to someone who has been refused a new licence or renewal of licence within the last 12 months (from the date of making the application)
- d) to an individual who is not resident in the United Kingdom or who has not been resident for six months prior to the making of an application
- e) to a company not incorporated in the United Kingdom

5.2 Crime and Disorder:

In accordance with Section 17 of the Crime and Disorder Act 1998, the Council is under a duty to exercise its functions with due regard to the likely effects on crime and disorder. It aims to do all it can to prevent crime and disorder in its area. The possible impact of crime and disorder are clearly relevant factors in the consideration of all applications. In giving "due regard" to these possible implications, Members will consider all information available and representations made from all objectors, the applicant and in particular the Sussex Police.

5.3 Every application for the grant, renewal or transfer will be considered on its merits, on a case by case basis.

5.4 The Council may also refuse a licence if the applicant is unsuitable to hold a licence because they have been convicted of an offence or for any other reason. The determination of the suitability of the applicant is a matter for the local authority to decide at the time that the application is made.

5.5 Each application will be considered on its own merits. The Local Authority will take into account representations from the applicant, any person objecting and the Chief Officer of Police. The Council shall normally take into account:

- previous knowledge and experience of the applicant and their managerial competence
- any evidence of the operation of any existing/previous licence held by the applicant, including any licence held in any other borough
- any report about the applicant and management of the premises received from objectors or the Police and any criminal convictions or cautions of the applicant
- that the operator is proposing a management structure which will deliver compliance with operating conditions, and policies; detailing the training of staff, welfare of performers and means to protect the public.
- any other relevant reason

5.6 With regard to a business for which an application relates that would be considered to be managed, or carried on for the benefit of a person other than the applicant, the determination is a matter for the local authority to. Each application will be considered on its own merits. The local authority will take into account

representations from the applicant, any person/organisation objecting and shall normally take into account:

- comments/observations of the Police and Council personnel, including compliance with licensing conditions, relevant history (including noise complaints) together with details of previous convictions/prosecutions pending.
- the suitability and fitness of an applicant/operator to hold a licence.

5.7 The number of sex establishments or sex establishments of a particular kind in the relevant locality at the time the application is determined is equal to or exceeds the number which the local authority consider is appropriate for that locality at that time.

5.8 The grant or renewal of a licence would be inappropriate having regard to:

- i) the character of the relevant locality
- ii) the use to which any premises in the vicinity are put; or
- iii) the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made
- iv) Where it can be shown that the business would be managed for the benefit of a third party who would be refused a licence.

5.9 The relevant locality will be determined in accordance with where the premises are situated or where the vehicle, vessel or stall is going to be used. The area and extent of the relevant locality is a matter of the local authority to decide at the time the application is made. Each application will be considered on its own merits.

5.10 In determining the character of relevant locality and the appropriate number of sex establishments in that relevant locality, the Local Authority will take into account, but not limit its determination to:

- (a) the use to which any premises in the vicinity are put;
- (b) the number of existing sex establishments both in total and also in respect of each type (*i.e.* sex cinemas, sex shops and sexual entertainment venues);
- (c) the number of existing premises engaged in and or offering entertainment]of an adult or sexual nature or entertainment or associated with an adult or sexual nature (for example tattooing, piercing etc;)
- (d) the proximity of residents to the premises, including any sheltered housing and accommodation for vulnerable persons;
- (e) the proximity of educational establishments to the premises;
- (f) the proximity of places of worship to the premises;
- (g) access routes to and from schools, play areas, nurseries, children's centres or similar premises;
- (h) the proximity to shopping centres;

- (i) the proximity to community facilities/halls and public buildings such as swimming pools, leisure centres, public parks, youth centres/clubs. This list is not exhaustive;
- (j) the potential impact of the licensed activity on crime and disorder and public nuisance;
- (k) the potential cumulative impact of licensed premises in the area taking into account the days and hours of operation of the activity and the character of the locality where the premises are situated;
- (l) the nature and concerns of any objections received from residents/establishments objecting to the licence application;
- (m) any evidence of complaints about noise and/or disturbance caused by the premises;
- (n) current planning permission/planning requirements on the premises;
- (o) any current planning policy considerations;
- (p) whether there is planned regeneration of the area;
- (q) any current licensing permissions related to the premises in relation to activities, uses and hours;

6.0 Renewal Applications

- 6.1 Where a licence was in existence before the introduction of this Policy, this Policy will become a consideration when the licence is due for renewal.
- 6.2 It should be noted that the Council in applying its decision-making discretion may consider it appropriate to refuse the renewal of the licence even where there has been no change in the character of the relevant locality or in the use to which any premises in the locality are put.
- 6.3 If a renewal application is not opposed, it shall be approved under Authority delegated to relevant officer(s). All contested applications for renewal, as described in the Act shall be referred to the Licensing Sub-Committee for decision.

The newspaper notice should appear in the publication within 7 days of the application being lodged.
- 7.5 Authorised Officers from the relevant Authority may choose to inspect the premises. This includes Council Officers, Sussex Police, and the Fire Authority to ensure that required technical standards are met. If works are required to bring the premises up to standard, the applicant will be notified. Licences will not be issued until all required works are satisfactorily completed.
- 7.6 As part of the established procedure for dealing with applications, the Council's Noise Pollution Specialists will be consulted. If there is the possibility of noise nuisance for example from amplified music, these officers may also carry out an inspection and recommend noise insulation work. Any requirements they identify must be complied with at all times any licence is in force.
- 7.7 Notice of all applications shall be given to Council Officers, Sussex Police, the Fire Authority, ward members and any other relevant person/organisation as deemed appropriate by the licensing authority.

- 7.10 The Council will not determine an application for grant of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.
- 7.11 On the grant of a licence, the licence document will have the agreed days and hours of operation set out, together with any other specific and/or standard conditions applied. Licence holders must comply with this.
- 7.12 Application forms, sample advertisements and site notices are available via:

<http://www.eastbourne.gov.uk/businesses/licences-and-registrations/sex-establishment-shop-cinema-licence/>

8.0 Renewal of Licences

- 8.1 To continue operating a sex establishment, licence holders must make a renewal application prior to the expiry of the existing licence.
- 8.2 The Council may not determine an application for renewal of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

9.0 Variation of Licence

- 9.1 The application form, with relevant plans and fee should be sent to the Licensing Authority. Please note that applications for variation of licence are also subject to the site and newspaper notice requirements set out statute.

- 9.3 All variation applications for sex establishment licences must be referred to the Council's Licensing Sub-Committee for decision. Applicants must not operate any revised or varied arrangements until such an application has been approved and any revised or varied licence has been issued.

10.0 Transfer of Licence

- 10.1 The Council may not determine an application for transfer of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

- 11.2 Valid representations must be made within 28 days of the application being submitted. Representations made before the application is submitted can be taken into account. The Council also has discretion to consider representations made after the 28 day consultation period, although this will be assessed on a case by case basis.
- 11.3 The legislation dictates that, unless a person making representations consents, their name and address shall not be revealed to the applicant. They may also be reluctant to appear before a hearing of the Sub-Committee.
- 11.4 However, the grounds of any objection made on the application must be provided to the applicant prior to the determination of the application. The report to the Licensing Sub-Committee may have full details of the objections, including any actions / undertakings proposed by the applicant to address matters raised.

Where an appeal is lodged against conditions applied to a licence, the conditions are deemed not to come into force until the determination or abandonment of the appeal.

14.0 Human Rights

14.1 In determining applications, the principles of the Human Rights Act 1998 must be taken into consideration. The Act acknowledges that local authorities are entitled, amongst other things, to act where this is in the "general interest". Should it be decided to refuse or to grant an application, or to attach conditions, the rights of appeal that exist through the Magistrates' Court will ensure that the principles of the Human Rights Act are adhered to.

14.2 The Human Rights Act 1998 incorporates the European Convention on Human Rights and makes it unlawful for a local authority to act in a way which is incompatible with a Convention right.

15.0 Policy Review

15.1 This Policy will be reviewed to incorporate statute and guidance as appropriate.

- 1.8 The Chair may also direct that an appropriate time limit be set to allow each individual an equal opportunity to present their case.
- 1.9 The Chair will invite the Members of the Committee and thereafter other parties to ask any relevant questions after each of the representations. The Chair will direct that parties should limit their questions to those matters which engage with the grounds upon which a licence can be refused and/or upon such conditions as might reasonably and proportionately be imposed in the circumstances of the application.
- 1.10 The Chair will invite each of the parties to make a very brief closing speech/summing up if they wish. No new information may be introduced at this stage.

- Applicants and Licence holders have right to appeal against a decision in certain circumstances, details of which can be obtained from the Licensing Manager.

On these occasions decisions based on the above framework will be given. Generally this authority endeavours to allow all parties to speak and ask questions of another party present during a Licensing hearing. Representation against the grant of an SEV renewal at the Embassy night club in Pevensey Road

It was with much disappointment and concern that we read recently that Eastbourne Borough Council has given approval to open a strip club above the Embassy nightclub in Pevensey Road.

We understand the owner, Gino Forte, asked for a number of conditions to be changed to the terms of his original licence for the club, including the removal of rules preventing full nudity and dancers from performing within a metre of customers. This would allow for full nudity and a "no touching rule". Despite some concerns being raised by committee members, it was agreed to approve the variation of licence conditions as requested by the applicant.

As Soroptimists, we aim to help transform the lives and status of women and girls by advocating for equity and equality and creating safe and healthy environments. How does a strip club in the centre of Eastbourne help us achieve our goals?

Ventures like the proposed strip club do little to promote the town as a desirable

place to live, work and visit. Approval of such premises by the council is a totally unacceptable development in the 21st century in a town seeking regeneration and focuses on financial gain rather than the well-being of residents of our town.

It also goes against Eastbourne Borough Council's **Equality and Fairness Policy** that states that "All individuals living within our boundaries should have the opportunity to achieve their full potential and all those who live, work and visit our areas should feel welcome, valued, safe, respected and included." How "valued, safe and respected" do performers in a strip club feel?

Yours sincerely,

Report assessing the impact of proposed changes and decisions

Responsible Head of Service	Linda Farley
Responsible Director/Assistant Director	Tim Whelan
Decision Makers	Licensing Sub Committee
Date EaFA and report sent to the Equalities Email	January 2020

This form is used to demonstrate any potential impacts on groups protected under the Equality Act, and any other identified group who may be affected. It should be used to assess the impact of new projects, services, initiatives and changes in the way we deliver services that will affect staff, residents and service users, and help decision makers to understand any anticipated impacts.

Where this report relates to Council, Cabinet, Scrutiny or Board Reports, this form must be completed and a first draft submitted to EqualitiesEmail@lewes-eastbourne.gov.uk at least **10** days before the deadline for draft Cabinet/ relevant meeting reports. This allows us time to process your analysis, seek feedback from our EaF Groups and work with you to make any necessary improvements.

We have various engagement groups who can review and provide feedback on your analysis. Contact the Equality team if you would like to engage with these groups ahead of completing your analysis.

The Public Sector Equality Duty

The Council and its companies must, in the exercise of our functions and in our decision making, have due regard to the need to:

1. Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;
2. Advance equality of opportunity between people who share a characteristic and those who do not share it;
3. Foster good relations between people who share a characteristic and those who do not share it.

The second aim (advancing equality of opportunity) involves, in particular, having due regard to the need to:

- Remove or minimise disadvantages experienced by people because of their protected characteristics.
- Take steps to meet the needs of people with certain protected characteristics where these are different from the needs of other people.
- Encourage people with certain protected characteristics to participate in public life or in other activities where their participation is disproportionately low.

It describes the third aim (fostering good relations) as tackling prejudice and promoting understanding between people who share protected characteristics and those who do not.

It explains that compliance with the general equality duty may involve treating some people more favourably than others, as long as this is within the law.

By thoroughly assessing what we do against the general duty we are able to make better decisions, leading to better outcomes for people who work for us and for people who access our services and facilities.

An Equality and Fairness Analysis should be carried out when

- developing or reviewing strategies, plans, policies and procedures;
- proposing changes to the services delivered or the way these are delivered
- proposing new services, functions, projects or initiatives.

Assessing the impact of the options you are considering

In your answers to the questions in this analysis, please spell out any positive or negative impacts relating to the three general duties which are to:

1. Eliminate discrimination, harassment and victimisation
2. Advance equality of opportunity between people who share a characteristic and those who do not share it;
3. Foster good relations between people who share a characteristic and those who do not share it.

You need to think about the protected characteristics below as defined in the [Equality Act 2010](#)

- **Age**
- **Disability**
- **Gender reassignment**
- **Marriage and civil partnership**
- **Pregnancy and maternity**
- **Race and ethnicity**
- **Religion, belief and culture**
- **Sex**
- **Sexual orientation**

The Council's Equality and Fairness Policy states that 'we also recognise that **socio-economic status** can be a significant barrier to equality of opportunity'.

Information on key demographic data and an Area Profile covering Equalities can be found on the [East Sussex in Figures' website](#).

Please give an overview of your proposals. What decisions are you seeking?

The Council is responsible for considering representations against the application to renew a Sexual Entertainment Venue (SEV) Licences. An application has been received by Eastbourne Borough Council the 'Appropriate Authority', to renew the Sexual Entertainment Venue Licence.

Use this space to explain your answer to 2) a. and expand on either the positive or negative impact you have identified for each group.

Religion or belief

It is acknowledged that such establishments may contravene some religious or held beliefs, although it's possible that people may disagree with SEVs in principle, whether connected to a religion or not. The council should, however, give consideration to whether the premises is in close proximity to religious buildings as well as its location overall.

Sex

Although the establishment may have both male and female employees as well as clientele, there is concern around such establishments perpetuating gender stereotypes and working against the progress to advance equality within the protected characteristic of sex.

There is scope to perceive the licencing of such an establishment as condoning the objectification of women, rather than working to eradicate it, and there is risk associated to acting in a manner unaligned to the council's published Equality Policy.

The council has received a submission from Eastbourne & District Soroptimists who oppose the renewal, stating:

"As Soroptimists, we aim to help transform the lives and status of women and girls by advocating for equity and equality and creating safe and healthy environments. How does a strip club in the centre of Eastbourne help us achieve our goals?"

Public Sector Equality Duty aims

It is unlikely that licensing of the establishment will go any way towards meeting the PSED aims, being to:

- Eliminate discrimination, harassment and victimisation
- Advance equality of opportunity
- Foster good relations between people who share a characteristic and those who do not share it.

Although it should be noted that women ought to have the opportunity to take up lawful employment as they wish, this should be weighed against the potential harm generated not only to the advancement of equality for women, but the council's standing as a progressive authority which advocates equality and fairness as a cornerstone in all that it does.

The Equality and Human Rights Commission explains that the Equality Act:

“..Describes fostering good relations as tackling prejudice and promoting understanding between people from different groups. It states that compliance with the duty may involve treating some people more favourably than others.”¹

The Women and Equalities Committee spoke to Karon Monaghan QC, who stated that such venues:

“Have an impact on the wider community because they promote the idea that sexual objectification of women and sexual harassment commonly in those environments is lawful and acceptable.” Ms Monaghan continued: “How are we doing that in the 21st century? We are not going to get rid of sexual violence if we mandate the sexual objectification of women in licensed venues.”²

Despite the lawful status of Sexual Entertainment Venues, the committee should be minded to weigh up its licensing capacity with the potentially adverse impact on the protected characteristic of sex, principally women and girls in this context.

b. What mitigations have you identified for each negatively impacted group? If you cannot identify any please explain e.g. a replacement service does not exist/ there is no resource. (There is a space for action planning at the end of this document)

Consider any additional steps the Council could take to enhance (where positive or neutral) or mitigate any negative impacts. Mitigations may include the expansion of one service to cover the restriction of another/ ensuring promotional material is designed with target audience in mind / etc

Although the council in its function as a licencing committee works within current legislation and regulations, note should be taken of what safeguards and checks would be in place. The Women and Equalities Committee report on Sexual Harassment of Women and Girls in Public Places (2018) produced a recommendation that:

Local authorities should consult with local stakeholders including sexual violence specialists and women’s groups to conduct a gender equality impact assessment before setting their policy on sexual entertainment venues and when considering licence applications and renewals. They should consider adopting stringent zero tolerance conditions for any existing sexual entertainment venues. These conditions should make it clear that they will withdraw licenses following evidence of harm to women in and around sexual entertainment venues and following evidence of any failure to follow conditions designed to keep women safe within venues.³
