The Head of Planning First proposed five additional conditions (Nos. 42, 43 and 44, and Nos. 4 and 5) to the planning and listed building applications.

The Head of Planning First informed the committee that the consultation response had been received from Natural England regarding the Habitats Regulations requirements. Furthermore, the cycle route could, in the future, be joined and extended northwards into Eastbourne Park. ESCC highways had fully endorsed the scheme. Members concerns regarding the materials could be negotiated with the applicant and concerns regarding the junction and pedestrian crossing would be raised with ESCC Highways.
