## Call-in procedure

Call-in is the procedure whereby a decision of the Cabinet, the Leader or a portfolio holder, or a member or officer with delegated authority (an executive decision), taken but not implemented, may be examined by the Scrutiny Committee prior to implementation.

In order to ensure that call-in is not abused, nor causes unreasonable delay, certain limitations are to be placed on its use. These are:

- (a) Only decisions involving new operational policies or strategic initiatives, unbudgeted expenditure or reductions in service may be called in.
- (b) A recommendation of the Executive to the Full Council is not a decision that may be called-in.
- (c) A minimum of three members of the Scrutiny Committee from at least two political groups must request that a decision be called in.
- (d) Substitute members of the Scrutiny Committee shall not be entitled to call-in decisions except when the call-in request is made at a meeting of the Committee and when the substitute member is taking the place of another member in accordance with Rule 4.4 of the Council Procedure Rules; and
- (e) Written notice of a request to call-in a decision shall be given to the Chief Executive and the notice shall be signed by the Councillors making the request.
