Explanatory Note

The Council is required to publish information about all key decisions at least 28 days in advance of the decision being taken.

This plan is a list of the decisions likely to be taken over the coming four months. The list is not exhaustive as not all decisions are known that far in advance. The Plan is updated and re-published monthly.

The forward plan shows details of key decisions intended to be taken by the Cabinet and Chief Officers under their delegated powers.

The plan shows:-

- the subject of the decisions
- what wards are affected
- the decision type
- who will make the decision
- when those decisions will be made
- expected exemption class (open, part exempt or fully exempt.)
- what the consultation arrangements are
- what documents relating to those decisions will be available
- who you can contact about the decision and how to obtain copies of those documents referred to in the plan

What is a key decision?

"Key decisions" relate to a decision, which is likely:-

(1) to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or

(2) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the Council's area.

What is budget and policy framework?

When a decision is marked as "budget and policy framework", it requires the approval of Full Council.

Confidential and exempt information

From time to time, the forward plan will indicate matters (or part thereof) which may need to be considered in private, during which time the press and public will be excluded. This is in accordance with the provisions of Regulation 5(2) of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

Any representations that such matters should not be considered in private should be sent to the contact officer.

Information given to the Council by a Government Department on terms which forbid its disclosure to the public, information which cannot be publicly disclosed by a Court Order and information, the disclosure of which is prohibited by an enactment are all legally defined as “Confidential Information” and must not be disclosed. All other local authority information which it is desired should not be disclosed has to be categorised under one or more of the following “Exempt Information” reasons (as given under Schedule 12A of the Local Government Act 1972) and subject to the public interest test.
