8 Determination of a licensed Public Hire and Hackney Carriage Driver Licence

The Sub-Committee, considered the Officer's report, the representations made and whether the applicant was a 'fit and proper' person to hold a Public Hire and Hackney Carriage Driver's Licence.

Resolved – The Licensing Sub Committee decision is to give a written warning which will stay on the licence holder’s record for a period of 12 months. The Sub Committee noted that should any complaint, of any nature, be made against the licence holder within this period then that complaint would be referred to the Licensing Sub Committee for further consideration.

Reasons - The Sub Committee took into account his previous exemplary record and the provocation experienced by the licence holder leading up to the incident. The Sub Committee also took into account that he did deal with the passenger, following the incident, by completing the journey (taking the passenger to his destination). It also noted the licence holder’s sincere expressions of apology and remorse.

(Exempt information reasons 1 and 2 – Information relation to an individual or likely to reveal the identity of an individual.)

The meeting ended at 7.26 pm
