1 Introduction

- 1.1 The Corporate Plan is a key document. It sets out the council's commitments to its residents and businesses and outlines a programme of important strategic objectives and the projects that will deliver these for the district. It is important to bear in mind that the next four year's priorities are set against an uncertain and challenging financial backdrop which requires the council to make the best possible use of its resources.
- 1.2 Whilst there is not a statutory requirement to produce a Corporate Plan, it remains important to ensure the authority has a robust framework within which to monitor and assess performance and achievements.

- 1.3 Progress against outputs and projects set out in the plan will be reported to members on a quarterly basis, as part of normal performance management arrangements (through both Scrutiny and Cabinet).

2 Development of the Corporate Plan

- 2.1 The draft Corporate Plan has been prepared for Cabinet Members consideration having regard to the following:
- a. The Council's existing programme of transformation projects, community initiatives and policy commitments;
 - b. The needs and aspirations of the people who live and work in Lewes District
 - c. The priorities expressed by the Administration during and since the elections in May 2019 ; and
 - d. The financial and policy drivers likely to impact the Council in the short to medium term.

3. Consultation

- 3.1 There will be a targeted stakeholder consultation period and public consultation using a range of methods.

4 Adoption and delivery of the Corporate Plan

- 4.1 Following adoption by Members, the final Council Plan will be published on the Council website. Although a four year plan, it is considered a dynamic document that will develop over time and therefore will be subject to annual review and refresh, with appropriate consultation, throughout its lifespan.
- 4.2 Progress against key success measures and project deliverables contained within the document will be reported to Members on a regular basis, as part of the council's usual performance management arrangements.

5 Financial appraisal

- 5.1 The financial aspects of all projects and actions within the Corporate Plan will be included within the approved budget for 2020/21 and the Medium Term Finance Strategy, or (in the case of new initiatives which may still be at an early planning stage) will be subject to future reports to, and approval by, Cabinet.
