Dear Mr Thornton,

Thanks for your email.

Yes we are happy to accept the below.

Alcohol will only be sold to those who , at the time of sale, are booked in to the site for the purposes of camping.

We are going to use the campsite reception building (as per my drawing). We are totally aware that we will need to inform the appropriate authorities if we do relocate the campsite reception building.

To reiterate we are not having a bar area either, we are planning to sell locally produced alcohol from the reception area that campers will then consume on their pitch at the campsite.

Hope this clarifies,

Kind regards

Lisa
