The tonnages above do not include waste and recycling deposited at the County Council's household waste recycling sites.

Comparison with Nearest Neighbours (2018/19)

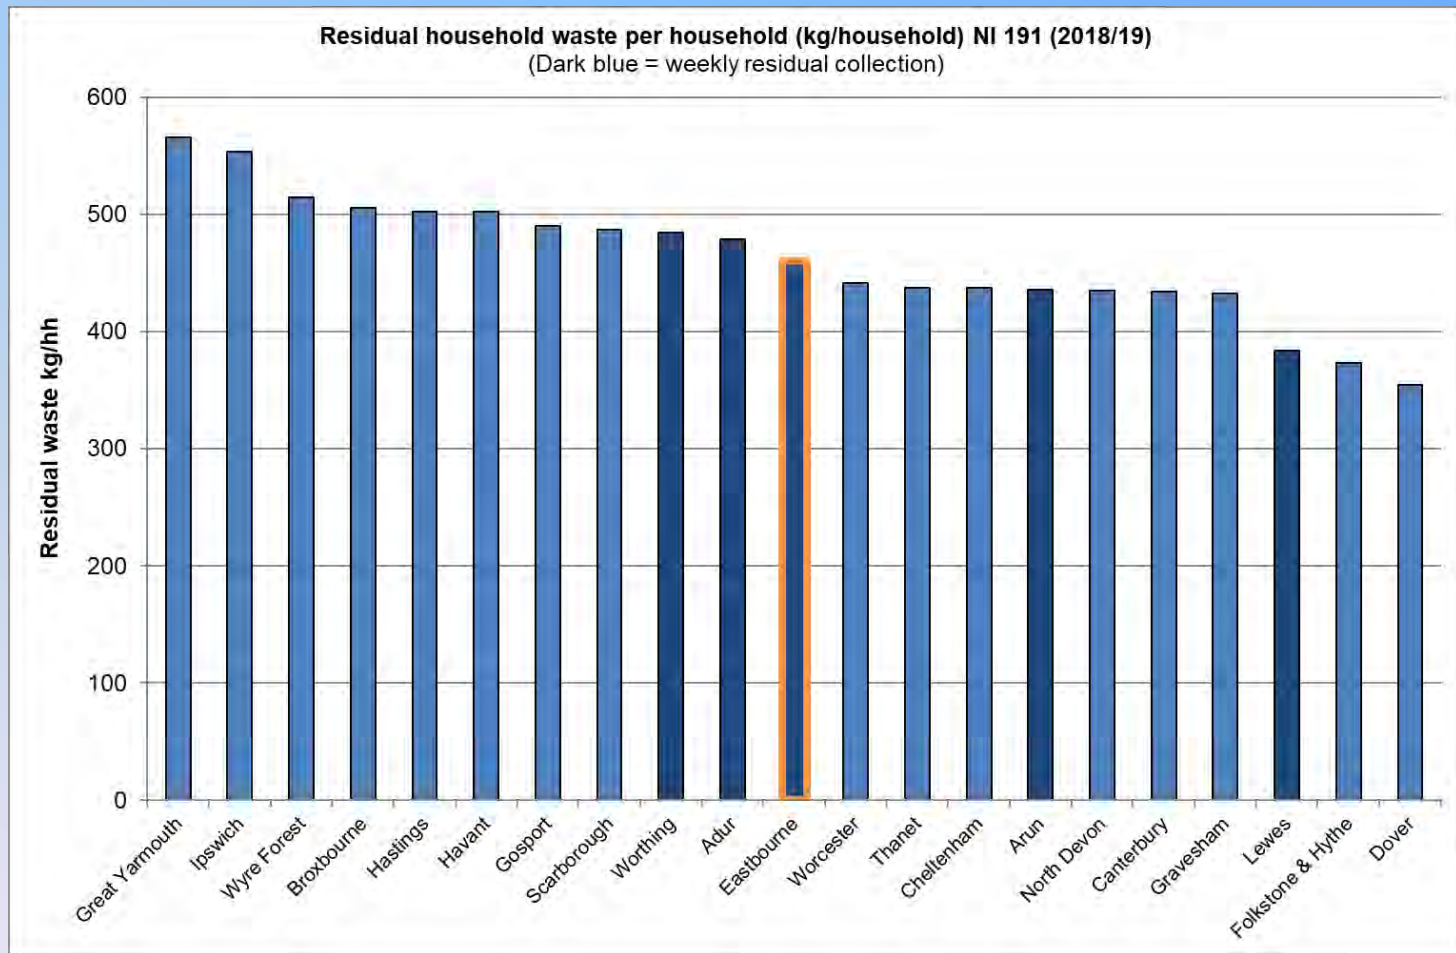

2018/19	Residual household waste per household (kg/household) (NI 191)	Percentage of household waste sent for reuse, recycling, or composting (NI 192)	Collected household waste (kg/person) (BVPI 84a)
Eastbourne	460	35.2%	335
East Sussex	560	43.3%	440
Nearest neighbours average	463	38.4%	341
England average	537	43.5%	n/a

The [CIPFRA Nearest Neighbour Tool](#) enables local authorities with similar geographic, demographic and economic characteristics to be identified. This is used to make benchmarking fairer by only comparing Eastbourne Borough Council against other similar organisations.

For Eastbourne Borough Council, the 20 nearest neighbours are Adur, Arun, Broxbourne, Canterbury, Cheltenham, Dover, Folkstone & Hythe, Gosport, Gravesham, Great Yarmouth, Hastings, Havant, Ipswich, Lewes, North Devon, Scarborough, Thanet, Worcester, Worthing and Wyre Forest.
