1. Introduction

- 1.1 Lewes District and Eastbourne Borough Councils have jointly committed to bringing policies and procedures together, as part of the Joint Transformation Programme. This is necessary now that there is a single shared workforce operating across both Councils.

- 1.2 It is proposed that the Eastbourne Borough Council Joint Staff Committee and Lewes District Council Employment Committee be replaced with a single combined body with representatives from both Councils, unison and staff representation. This will enable consultation and advice on staff matters to be more efficient and enable a clearer accountability between officers and staff representatives, and a clearer decision-making path for all future proposals. In addition, it is proposed that a new Joint Appointments and Appeals Committee be put in place to put into effect appropriate procedures for member involvement in appointments and appeals, as and when required.
- 1.3 Lewes District Council's Employment Committee agreed the Terms of Reference for both the Joint Staff Advisory Committee and the Joint Appointments and Appeals Committee at its meeting on 7 October 2019, whilst recognising that these Terms of Reference would also need to be approved by Eastbourne's Joint Staff Committee and then ratified by the Full Councils of each local authority. In agreeing the Terms of Reference LDC's Employment Committee incorporated suggested revisions from unison representatives at the meeting. The proposals, including these revisions, were then endorsed by the Eastbourne Joint Staff Committee on 12 February 2020. The proposals require formal approval by each Full Council and can come into effect when both Councils have given this approval.

2. Detail

- 2.1 Full Council is asked to approve the terms of reference for each Committee as set out at Appendix 1 and 2, as recommended by Lewes District Council's Employment Committee and Eastbourne Borough Council's Joint Staff Committee.
- 2.2 Full Council is asked to authorise the Assistant Director - HR and Transformation and Assistant Director – Legal and Democratic Services to make the necessary consequential changes to the Constitution, Scheme of Delegation and HR Policies which are required as a result of combining the roles of the Lewes District Council Employment Committee and Eastbourne Joint Staff Committee into one body. These are set out in Appendix 3. It is necessary to delegate specific HR functions to the Assistant Director - HR and Transformation, as set out in Appendix 3.
- 2.3 Provisional dates for the new Committee have been included in the Calendar of Meetings approved by each Council. It is anticipated that if both Full Councils approve the changes set out in the report at their next meetings, the first meeting of the new Committee will be held in December 2020.
- 2.4 Nominations to the Joint Staff Advisory Committee have been sought from Group Leaders in accordance with the Terms of Reference and are as follows:
- Relevant Cabinet member – Councillor Collier
Opposition Member – Councillor Linington
Additional Member representative – Councillor MacCleary
- 2.5 As the Joint Appointment and Appeals Committee is an ad hoc meeting, called as and required at short notice, it is recommended that this is set up by the Assistant

Director – HR and Transformation in accordance with its Terms of Reference set out in Appendix 2.

3. Financial Implications

- 3.1 The implementation of the recommendations should have a positive financial impact, due to the reduction in duplication of reports and meetings.

4. Resource Implications

- 4.1 There will be marginal financial savings from combining the working of two current Committees relating to officer time, printing costs and other sundry expenditure. These savings cannot easily be quantified but would not significantly reduce costs or workloads in the affected departments.

5. Legal Implications

- 5.1 Legal Implications have been taken into account in the report.
