

**Report to:** Cabinet

**Date:** 12 November 2020

**Title:** Recovery and Reset Programme

**Report of:** Robert Cottrill, Chief Executive

On 3 November, the Policy and Performance Advisory Committee met to consider and discuss the recommendations of reports going forward to Cabinet on 12 November 2020. The following members were present for this discussion:

Councillor Joe Miller (Chair); Robert Banks, Nancy Bikson, Roy Burman, Roy Clay, Isabelle Linington, Lawrence O' Connor, Jim Lord, Adrian Ross, Steve Saunders and Stephen Gauntlett

The Cabinet is asked to consider the recommendations of the Scrutiny Committee on the recommendations set out in the report.

The members of the Committee agreed:

**To support the recommendations in the report subject to consideration by the Cabinet of the following amendments:**

1. That the Cabinet considers supporting local people in financial distress with a focus on schemes such as council tax relief;
2. That the Cabinet support a campaign to allow pubs to make off-sales of alcohol in sealed containers for consumption at home during lockdown; and
3. That the Cabinet approval of the requested allocation of £250,000 to the Capital Programme is made subject to the approval of the Recovery and Reset Board.

**Reasons for the amendments:**

The Policy and Performance Advisory Committee considered that the amendments would form a key component of the Recovery and Reset Programme and that the scope of the Programme was broad enough for their inclusion
