

Executive decision taken by Leader/Cabinet portfolio holder

Decision taken by:

Councillor James MacCleary

Date of decision:

24 December 2020

Subject of report:

On 22 October the Government announced a scheme whereby a grant payment may be made by the Council to hospitality, hotel, B&B and leisure businesses that are not legally required to close, but which are severely impacted by local restrictions to manage the pandemic.

The scheme applies where localised restrictions either under LCAL2 (High) or LCAL3 (Very High) are put in place and was revised after the second national lockdown ended on 02 December.

It is essential that the Council develops a robust policy which will adequately deal with the impositions placed on certain businesses whilst at the same time working within budget and ensuring support to those most impacted by the pandemic.

Exempt matter (if any as given under Schedule 12A of the Local Government Act 1972):

No

Key decision:

Yes

Open summary of decision made:

The Leader of the Council has approved the Local Restriction Grants Schemes 'Open' scheme and granted the Director of Service Delivery delegated authority, to

implement, and if necessary, amend each Policy (in consultation with the Leader). Such delegated authority will include any measures necessary for or incidental to its management and administration.

In accordance with section 17 of the Council's Policy and Performance Advisory Committee Procedure Rules, the call-in procedure shall not apply to this decision given its urgency. A decision is urgent if, in the view of the decision maker, any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or the public's interests.

In accordance with this section, it is the opinion of the decision maker that this decision is an urgent one and therefore exempt from call-in.

Reason(s) for decision:

These are new schemes which need to be implemented as a matter of urgency and so executive approval for the scheme is being sought from the Leader. The Leader is being asked to authorise the Director of Service Delivery to implement and administer the scheme as there is no existing officer delegation in place.

Alternative options considered:

This additional funding has been made available by Government as an emergency measure to support businesses that continue to be impacted by local restrictions. Time does not permit alternative options.
