1 Introduction

- 1.1 In its role as a provider of public scrutiny and as critical friend, the Scrutiny Committee has a duty to provide a challenge to the executive decision and policy makers.
- 1.2 The Scrutiny Committee is able to provide this challenge through the inclusion of the Cabinet's Forward Plan of Decisions as a standing item on each of the Committee's agendas, allowing the Committee to request the inclusion of reports due for consideration by the Cabinet on its agenda and by asking that the relevant officers, heads of service or directors, attend the Committee meetings and discuss the content of the reports. There is also a statutory requirement for the Scrutiny Committee to consider a number of Cabinet reports and decisions each year.

1.3 The Cabinet will be provided with the recommendations from Scrutiny Committee when it considers the main report.
