Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The supply of alcohol will not be made under the Premises Licence:-
At a time when there is no Designated Premises Supervisor in respect of the Premises Licence; or
At a time when the Designated Premises Supervisor does not hold a Personal Licence or his Personal Licence is suspended
Every supply of alcohol under the Premises Licence must be made, or authorised by, a person who holds a Personal Licence
An age verification policy will be adopted in respect of the premises in relation to the sale or supply of alcohol. The policy must require individuals who appear to be under 18 years of age (or 25 to be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either (i) a holographic mark or (ii) an ultraviolet feature.

b) The prevention of crime and disorder

Digital CCTV and appropriate recording equipment to be installed in accordance with Home Office guidelines, operated and maintained throughout the premises internally and externally to cover all public areas, including the entrance to the premises. The system shall be on and recording at all times the premises licence is in operation.
CCTV footage will be stored for a minimum of 31 days.
The management will give full and immediate cooperation and technical assistance to the Police in the event that CCTV footage is required for the prevention and detection of a suspected or alleged crime.
The CCTV images will record and display dates and times and these times will be checked regulary to ensure their accuracy.
Any breakdown or system failure will be notified to the police immediately and remedied as soon as practicable.
An incident log will be maintained by the premises showing a detailed note of incidents that occur in the premises. The log book shall be kept on the premises and be available for inspection at all times the premises are open by authorised officers and staff of the Licensing Authority or the Police.
If required, SIA registered door staff can be employed to be on duty for the latter part of the evening and into the early hours.
Alcohol deliveries will only be made to a residential or business address and not to a public place.
The age verification policy will be clearly advertised at each stage of the order and on all advertising. Customers will be reminded that it is a criminal offence for a person under 18 to purchase or attempt to purchase alcohol and that it is also an offence to purchase alcohol on behalf of a person aged under 18.

At the time the order is placed, a declaration will be required from the person placing the order that that person is aged over 18 years of age and that the intended recipient are over 18 years of age.
Where the premises contracts a third party to deliver alcohol on their behalf, and the person collecting the alcohol from the premises delivers it directly to the customer within a short timescale (such as Deliveroo, Just Eat) the premises will ensure that the third party only employs delivery employees or agents over 18 and over, is aware that alcohol is included in the delivery, the the delivery person actively engages with the person receiving delivery and operates a challenge 25 policy rather than just handing the delivery over, and that in the event that the recipient of the alcohol is challenged for ID and does not provide appropriate and valid ID, the delivery person will retain the alcohol and return it to the premises.
All off sales of alcohol will be made in sealed containers.

c) Public safety

There will be a first aid kit kept and maintained at the premises.
There will be a log book present on the premises for recording any incident and will be available on request to the local Police or a local authority licensing agent.
The premises licence holder will ensure that the appropriate fire safety and health and safety regulations are applied at the premises.

d) The prevention of public nuisance

Appropriate signage will be displayed at all exits requesting patrons to respect the needs of local residents and leave quietly.
All deliveries to the premises will take place at a time as to not cause a disturbance to the nearby residents.
Waste collections will be arranged for such a time as not to cause a nuisance to the nearby residents.
Waste will be kept securely in a designated area and the movement of bins and rubbish shall be kept to a minimum at all times to reduce the levels of noise produced by the premises.

e) The protection of children from harm

A Challenge 25 policy will be adopted, whereby any person that appears to be under the age of 25 years of age must prove they are over 18 by providing identification, bearing their photograph, date of birth, and a holographic mark and/or ultraviolet feature. Examples of appropriate identification include a passport, photocard driving licence, military ID, proof of age card bearing the PASS hologram and biometric residence permit.
All refusals will be entered into the refusals book.
Signs will be displayed informing customers that a Challenge 25 policy is in operation at the premises.

15. **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships**:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a

condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
