

Appendix 1

Eastbourne Borough Council Corporate Performance Report Q4 2020-21

- **Councillor David Tutt** - (Leader of the Council and Chair of Cabinet) - Cabinet member for responsibilities aligned with the Chief Executive.
- **Councillor Stephen Holt** - (Deputy Leader) - Cabinet member for financial services.
- **Councillor Margaret Bannister** - Cabinet member for tourism and leisure services.
- **Councillor Jonathan Dow** - Cabinet member for climate change.
- **Councillor Alan Shuttleworth** – Cabinet member for direct assistance services.
- **Councillor Colin Swansborough** – Cabinet member for place services and special projects.
- **Councillor Rebecca Whippy** – Cabinet member for disabilities and community safety.

Key			
	Performance that is at or above target Project is on track		Performance that is below target Projects that are not expected to be completed in time or within requirements
	Project has been completed, been discontinued or is on hold		Performance that is slightly below target but is within an acceptable tolerance Projects: where there are issues causing significant delay, changes to planned activities, scale, cost pressures or risks
	Direction of travel on performance indicator 3: improving performance		Direction of travel on performance indicator: declining performance
	Direction of travel on performance indicator: no change		Data with no performance target

KPI Description	Q1 Value	Q2 Value	Q3 Value	Q4 Value	Q4 Target	Q4 Status	Short Trend	2020/21 Overall out-turn value	2020/21 Annual target	2020/21 Overall out-turn status	Latest Note
1. Finance: Percentage of Council Tax collected during the year - Eastbourne	27.98%	54.36%	81.25%	95.89%	96.52%			95.89%	96.52%		<p>Despite Covid-19 challenges in the last year collection is only 0.63% below a target of 96.52% which was revised down in September to take account of the expected reduction in income. This equates to being below target by £445,121. Collection against the initial target of 97.06% which was set pre-pandemic would have been 1.17% below.</p> <p>Although the collection rate is below target and despite the suspension of all Council Tax Liability Order Hearings by HMCS throughout the entire year, measures were put in place very early on in the pandemic to try and limit and manage the expected fall in Council Tax income.</p> <p>This included customer debt profiling to tailor collection approaches including sending different types of 'soft' reminder letters targeted around ability to pay. A small team of caseworkers and customer advisors was also set up to help residents who were struggling to pay, but also to make outbound calls to chase late payment where it was identified from customer financial profiling that there was ability to pay.</p> <p>The decision to send statutory reminder and final notices at certain periods during the pandemic has also helped to limit the impact.</p>
2. Finance: Percentage of Business Rates collected during the year - Eastbourne	35.19%	54.57%	83.47%	94.70%	95.82%			94.70%	95.82%		<p>Collection is 1.12% below the target of 95.82% which was revised down in September to take account of the anticipated reduction in income resulting from the Covid-19 pandemic. This equates to being below target by £139,010. Collection against the initial target of 98.50% set pre-pandemic would have been 3.8% below.</p> <p>Business Rates collection has mainly centred around the statutory cycle of sending reminder and final notices when lockdown restrictions have been eased and through targeted outbound calling.</p> <p>Collection has proved to be extremely challenging during the pandemic as many businesses have either been forced to close due to Covid restrictions or have had to continue to trade during the pandemic but have been financially impacted as they have not had access to government support schemes but experienced a financial downturn.</p>
3. Benefits: Average days to process new claims for housing/council tax benefit (E)	19	19	16	22	22			19	22		Performance remains on target for the quarter which has fed into the best annual performance for several years despite the challenges the year has brought.
4. Benefits: Average days to process change of circs (housing/council tax benefit) (E)	5	5	5	7	8			6	8		As note above.
5. Customers: Increase the percentage of calls to the contact centre answered within 60 seconds - Ebn	86.89%	96.31%	93.45%	81.2%	80%			89.1%	80%		Although quarter 4 sees the most contact from customers due to Year End activity (350K pieces of correspondence sent in March alone), the performance has remained strong where quarter 4 saw 81.2% off all calls being answered within 60 Seconds – this compares to 93.45% for quarter 3.

KPI Description	Q1 Value	Q2 Value	Q3 Value	Q4 Value	Q4 Target	Q4 Status	Short Trend	2020/21 Overall out-turn value	2020/21 Annual target	2020/21 Overall out-turn status	Latest Note
											Despite the increased demands on the contact centre due to the pandemic, the service target has been met and is significantly better than previous years. Number of telephone calls: Jan – 8827 Feb -9633 Mar - 13213 Average time (in seconds) to answer calls: Jan – 35 Feb - 58 Mar - 34 # of calls to Coronavirus helpline (Joint): Jan- 285 Feb -160 Mar -89
6. Customers: Reduce the numbers of abandoned calls to the contact centre - Ebn	2.81%	1.64%	1.72%	2.4%	5%			2.14%	5%		.As above
7. Housing: Number of households living in emergency (nightly paid) accommodation (E)	156	142	135	122	NA			122	Data only		The overall reduction of households in emergency accommodation (EA) is a significant achievement for the service; especially as Government restrictions to tackle the spread of Coronavirus have made it more challenging to support our customers. During Q4 we moved 46 out of EA and 32 in. It is likely that demand on our services will increase further once national measures (e.g. ban on evictions) ease. In anticipation of this we are reviewing how we deliver our services.

KPI Description	Q1 Value	Q2 Value	Q3 Value	Q4 Value	Q4 Target	Q4 Status	Short Trend	2020/21 Overall out-turn value	2020/21 Annual target	2020/21 Overall out-turn status	Latest Note
8. Customers: Number of new sign-ups to the Councils' social media channels	1,303	510	498	460	150			2,771	600		This quarter saw a continuation of customers choosing to follow the councils' social media channels as a source of information and way to engage with our services. The year on year performance is comparable to this quarter last year.
9. Customers: Number of people registering for our email service (GovDelivery)	3,084	2,885	32,996	5,861	600			44,826	1,800		This quarter saw a significant year on year increase - this was boosted by our uploading emails of customers signing up for a My Account who opt-in for more information from the council.
10. Customers: Percentage of local searches that are returned within 10 working days of receipt	99.11%	99.52%	99.26%	100%	80%			99.52%	80%		Performance well above target levels throughout the year. This was a new PI for 2020/21 and set at an average turn-around rate for LAs.
11. Customers: Social media responsiveness rate	88.67%	91.33%	89%	n/a	80%			To Q3- 89.6&%	80%		Due to new privacy rules in Europe, Facebook messaging reporting analytics have been paused. Beginning in early December, certain messaging-related performance reporting will be unavailable.
12. Growth: Town centre vacant retail business space	Not reported due to C-19	11.27%	10.8%	11.71%	10.4%			11.26%	10.4%		Eastbourne town centre has managed to weather the pandemic storm and whilst the vacancy rate is higher than the target, EBC in partnership with the chamber of commerce and others is supporting businesses and Eastbourne's retail sector.

KPI Description	Q1 Value	Q2 Value	Q3 Value	Q4 Value	Q4 Target	Q4 Status	Short Trend	2020/21 Overall out-turn value	2020/21 Annual target	2020/21 Overall out-turn status	Latest Note
13.Housing: Average void relet time key to key (month & YTD) (E)	13.0	72.1	54	55	15			48.5	15		34 properties in total relet, this included 3 properties that had adaptations carried out to them. Void turn round times have been adversely affected by the pandemic, lockdowns, sheltered schemes being closed and a shortage of materials. During 2020/21 void management has been the most challenging area of work-successive lockdowns either prevented or limited access to property and/or customers. Clearly, driving void performance in the new financial year, will be an area of considerable focus to maximise income and to deliver homes to customers in a more timely manner.
14.Housing: DFGs - Time taken from council receiving a fully complete application to the council approving the grant	4 days	3 days	4 days	4 days	28 days			4 days	28 days		Consistently over target in 2020/21 since OTs started working within EBC.
15.Housing: Number of Licensed HMO's Inspected per Quarter	7	8	4	0	12.5			19	50		During quarters 1, 2 and 3 the inspections of HMOs were carried out virtually and in collaboration with letting agents, by visiting properties on our behalf and reducing risk to staff. At the start of Q4 this assistance was withdrawn due to the more stringent lockdown restrictions and the risks of the Alpha (Kent) variant. However, during this quarter the team carried out inspection of relevant gas and electrical safety certificates to ensure compliance and the safety of the tenant.
16. Housing: Rent arrears of current tenants (expressed as a percentage of rent debit) (E)	4.46%	4.32%	3.75%	3.5%	3%			3.5%	3%		The previous extensive work carried out on the CX Housing system reports, coupled with further enhancements to working processes has resulted in continued reduction of rent arrears. At the close of Quarter 4, arrears were down to 3.5%, representing the lowest level since March 2019. Actual arrears reduced over the quarter by £50,000 from £574,827 to £524,152 and we are confident that the actions taken to date as part of the rent action plan will continue to impact positively, further reducing arrears and maximising tenant income.
17.Planning: Increase the percentage of Major Planning Applications processed within 13 weeks	100%	100%	83%	80%	65%			88%	65%		Annual turn-out is above the government target set for planning application processing times.

KPI Description	Q1 Value	Q2 Value	Q3 Value	Q4 Value	Q4 Target	Q4 Status	Short Trend	2020/21 Overall out-turn value	2020/21 Annual target	2020/21 Overall out-turn status	Latest Note
18.Planning: Increase the percentage of minor planning applications processed within 8 weeks	88%	88%	82%	78%	75%			83%	75%		As above.
19.Planning: Increase the percentage of other planning applications processed within 8 weeks	98%	93%	88%	94%	75%			93%	75%		As above.
20.Recycling & Waste: % Container Deliveries on Time	43.07%	79.16%	89.66%	70.52%	100%			69.85%	100%		The annual turn-out is likely attributable to high demands for either an additional recycling bin or a larger or additional refuse bin. The same may well be the case for the new 2021-22 Q1 while residents settle into the new alternate weekly collection service. Both EBC and SEESL have put extra resources to alleviate this.
21.Recycling & Waste: Missed Assisted Collections	0.23%	0.19%	0.18%	0.16%	1%			0.19%	1%		Total number of customers receiving an assisted collection = 3,198. Total number of assisted collections made across all the services per month = 19,188
22.Recycling & Waste: Number of missed bins (per 100,000)	34	33	25	24	100			29	100		Within target
23.Recycling & Waste: Percentage of household waste sent for reuse, recycling and composting	37.69%	35.17%	35.1%	Awaiting data from 3rd party	40.00%			TBC	40.00%		Awaiting data from 3 rd party.
24.Recycling & Waste: Total number of reported fly-tipping incidents	266	264	201	166	120			897	480		Breakdown of reports: Jan - 58, Feb – 58, Mar – 50. Fly-tipping has been an issue nationally and isn't unique to Eastbourne. The Neighbourhood First teams continue to use Keep Britain Tidy posters along with our own and mobile CCTV cameras at key sites. The hotspots in the quarter were in the Devonshire Ward. There were 11 fly tipping fines issued during Q4 amounting to £1,100.00 for general fly tipping, fly tipping of furniture, white goods and clothing.

KPI Description	Q1 Value	Q2 Value	Q3 Value	Q4 Value	Q4 Target	Q4 Status	Short Trend	2020/21 Overall out-turn value	2020/21 Annual target	2020/21 Overall out-turn status	Latest Note
											Fly tipping increased during lockdowns with households decluttering and having clear outs. Several litter campaigns went out via our social media and the Neighbourhood First teams continue to use Keep Britain Tidy posters as well as using our own and mobile CCTV cameras at key sites.
25.Staff: Average days lost per FTE employee due to sickness (J)	1.63 days	1.56 days	1.46 days	1.72 days	2.0 days			6.37 days	8.0 days		<p>This is the final quarter of reporting average days lost due to sickness for our entire staff group since lockdown and/or other restrictive measures were introduced and the majority of staff who were able, commenced working from home. This has had a positive impact on sickness levels with the councils recording only 1.72 days in Q4, which is a small increase from Q3 which was 1.46 days. We would normally anticipate a slight increase in the final quarter due to the time of year. This final quarter figure means we have come in below our target of 8 days, having only recorded 6.37 days for the year 2020/21.</p> <p>If we remove LDC Waste Services, the Q4 figure reduces to 1.33 days and Waste Services on its own is 4.25 days, which is an increase from 3.47 days in Q3. It is worth noting that Waste Services staff have continued to operate normally during the pandemic.</p> <p>Absences due to Covid-19 for Q4 were 11 (those staff reporting symptoms) which was an increase from 4 in Q3. No staff have recorded an absence due to Covid-19 Isolation (those staff required to self-isolate as they have been in contact with someone showing symptoms). These relatively small numbers will be largely due to the change in ways of working, including working from home and strict social distancing measures within our buildings. In addition we had a further 20 staff absent due to a reaction to drugs which we believe is related to those staff receiving a vaccination. If we remove these absences from our Q4 figure that number reduces to 1.47 days.</p> <p>Although sickness levels have reduced the HR Business Partners continue to support managers and staff in managing any attendance issues that arise.</p>

Projects

Project / Initiative	Description	Target completion
Winter Garden (Devonshire Park Redevelopment)	Significant investment to establish Devonshire Park as a premier conference and cultural destination to include: New welcome building: Restoration of Congress, Winter Garden and Devonshire Park Theatres: Improving Accessibility: Improving tennis facilities: New Conference/exhibition Space & Cafe: Public realm improvements	Q3 2022/23
