LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

We recognise our responsibility towards the promotion and management of a responsible drinking environment in our pubs. We are committed to ensuring our customers drink in moderation and to helping them understand the key impacts of alcohol.

We will consult with our community on a six monthly basis and will make access to us through complaints and comments an easy process.

We work with the Government and enforcing bodies such as the Police and Local Authorities to actively support responsible drinking and we are committed to the following standards:

- Not offering "all you can drink promotions".
- Not offering liquor-only multi buy deals.
- Not pricing any alcoholic drink under the cost price plus duty and VAT.

We encourage attendance at Pub Watch meetings and ask for strict adherence to the nationally acknowledged "Challenge 25" scheme, seeking proof of age of anyone appearing to be 25 years or under.

We will enroll in Best Bar None, an accreditation scheme supported by the Home Office and other companies in the drink industry to improve standards in the evening and night time economy.

Best Bar None was piloted in Manchester in 2003. It is an awards and accreditation scheme that was developed to recognise and reward responsible premises, and to improve operating standards in the evening and night time economy. Since then schemes have been set up in towns and cities across the UK and Best Bar None has been adopted by some international locations. The scheme intends to:

- 1.Reduce alcohol related crime and disorder
- 2.Build a positive relationship between licensed trade, police and local authorities and the private sector
- 3.Improve knowledge and skills of enforcement and regulation agencies, licensees, and bar staff to help them responsibly manage licensed premises
- 4.Make sure that accredited venues meet the minimum standards and champion ongoing improvements
- 5.Recognise responsible premises and share good practices with others
6. Highlight how operating more responsibly can improve the profitability of an individual business and attractiveness of a general area

b) The prevention of crime and disorder

The premise will have an integrated CCTV system fitted as part of its refurbishment allowing instant visual feedback or download if requested. All data will be stored for at least 28 days. As part of normal trading an incident register will be kept of all noteworthy event (polite warnings, interventions, ejections etc) occurring on the premise. The DPS will be available at all times and all staff involved in the sale of alcohol who are not the holders of a Personal Licence will receive initial training and subsequent refresher training at least every 6 months by the DPS or an accredited trainer. This will be recorded in the staff training register which will be held indefinitely.

c) Public safety

As part of normal operations, health and safety risk assessments will be routinely undertaken to identify and deal with hazards. All doors providing external access will be free to open while the premise is trading. The premise will be monitored by CCTV and integrated smoke alarms and a log book maintained to show that regular checks of those systems are undertaken along with any checks and maintenance of ancillary equipment.

We will maintain the following documents:-

- A written plan/log that demonstrates how capacity is managed effectively to prevent overcrowding
- A documented accident recording system
- A written policy on preventing and dealing with disorder and managing conflict
- A log showing how we record any such incidents

Continued from previous page...

Poster to remind customers of the need to behave responsibly
Staff training module on public safety
A written fire safety risk assessment which has been completed or reviewed in the past twelve months.
Records of staff training which show your staff are aware of their responsibilities
A daily pre-opening check list
Documentation that shows all fire equipment is inspected/serviced annually

d) The prevention of public nuisance

We recognise the importance of minimising our impact on the environment wherever possible including issues of noise, transport, drunkenness.

Prominent, clear and legible notices will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Deliveries of goods necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents. Staff who arrive early morning or depart late at night conduct themselves in such a manner to avoid causing disturbance to nearby residents. Customers will not be permitted to stand around loudly talking in the street outside the premises. Customers will not be admitted to premises above opening hours. Any lighting on or outside the premises will be positioned and screened in such a way so as to not cause a disturbance to nearby residents.

We will maintain the following documents:-

A written policy stating we have a zero tolerance policy with regards to drugs and outlining what the venue will do to ensure that drugs are not brought into the venue or consumed on its premises. It also states what we will do if anyone is caught with drugs on the premises and how the drugs will be disposed of.

- Toilet Check logs
- Drugs/Weapons Removal/Collection Record
- Records of staff training which show your staff are aware of their responsibilities
- Zero Tolerance to Drugs posters
- A clear policy relating to the searching of the premises
- An effective noise policy that is relevant to your surrounding area
- Evidence of an effective dispersal policy that is relevant to your surrounding area
- Materials reminding people to leave quietly eg the Sssh poster

e) The protection of children from harm

Documents/tools on premises

- A robust proof of age policy and evidence that procedures are followed at all times
- Posters/notices to customers advising customers of this strict policy
- A policy of rigorously checking accepted forms of ID (passport, photo driving licence)

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

There is an exemption from the payment of fees in relation to the provision of regulated entertainment at church halls, chapel halls or premises of a similar nature, village halls, parish or community halls, or other premises of a similar nature. The costs associated with these licences will be met by central Government. If, however, the licence also authorises the use of the premises for the supply of alcohol or the provision of late night refreshment, a fee will be required.

Schools and sixth form colleges are exempt from the fees associated with the authorisation of regulated entertainment where the entertainment is provided by and at the school or college and for the purposes of the school or college.

If you operate a large event you are subject to ADDITIONAL fees based upon the number in attendance at any one time
