Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The Paddock is a privately owned field on the site of the Old Racecourse in Lewes. The licence will enable alcohol to be sold from a converted horse box on site. The licence will be valid from April to September.

We have sold alcohol at the site during 2021 under the authority of TENs with no issues identified.

The site affords spectacular views over the South Downs and the intention is to allow socialising whilst having a drink. There will be no regulated entertainment.

Access to the site is by foot or cycle, no vehicles will be allowed. No unaccompanied children under 18 will be permitted. All drinks will be decanted into vessels that are washable and then compostable. No glass ware will be allowed with the exception of wine bottles, which along with all cups will be collected as customers leave the site. Challenge 25 will apply. All Staff will be trained, a refusals register will be maintained. No drinks of any sort will be taken from the site

b) The prevention of crime and disorder

We believe that this operation and the proposed conditions will not compromise this licensing objective. The clientele, from our experience during TENs, are simply there to enjoy the summer evenings in the open air whilst enjoying a drink.

All staff will be trained

All drinks will be decanted and served in plastic reusable cups which will be collected as customers leave. The exception to this will be wine sold in glass bottles.

No drinks of any sort will be taken off site.

Suggested conditions:

- This licence will be valid from the first weekend in April until the last weekend in September.
- Drinks, alcoholic and otherwise, must be served in recyclable/compostable cups supplied by the licence holder.
- 3. No glassware will be permitted on site with the exception of wine bottles.
- Customers will not be permitted to remove from the premises any drinks supplied by the premises (alcoholic or otherwise).
- All cups used as drinking vessels and wine bottles will be collected from customers before they leave the site.
- Customers will not be permitted to use their own drinking vessels to consume alcohol
 or other drinks on site.
- Signage will be displayed prominently on site informing customers that no drinks may be taken off site and that no drinking vessels may be removed from the premises.
- 8. All staff members engaged, or to be engaged, in selling alcohol on the premises shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed prior to engaging in any sale of alcohol. Refresher training shall be conducted thereafter at intervals of no more than six months. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to officers of a Responsible Authority.
- 9. A refusals record must be kept at the premises which details all refusals to sell alcohol. This record must include the date and time of the incident, a description of the customer, the name of the staff member who refused the sale and the reason the sale was refused. All entries must be made within 24 hours of the refusal. The DPS must review and sign the record at intervals of no more than eight weeks. The record must

be made immediately available upon request to officers of a Responsible Authority.

c) Public safety

Staff will monitor the premises.

All safety requirements will be complied with.

Suggested condition

 Clear and legible notices must be prominently displayed on site requesting customers to respect the needs of local residents and leave the area quietly.

d) The prevention of public nuisance

We do not believe that this licensing objective will be compromised by the nature of the operation.

The premises is an open 1 Acre field at the top of the South Downs. The facility is purely to allow customers to sit in the open air enjoying the views of the Downs whilst having a drink.

There will be no regulated entertainment.

e) The protection of children from harm

Access to the site will be monitored by staff.

No unaccompanied children under the age of 18 will be allowed on site.

Challenge 25 will be employed

Staff will be appropriately trained.

Suggested conditions in support of this licensing objective.

- No person under the age of 18 years of age is permitted to enter or remain on the licensed premises when alcohol is being sold or supplied, unless accompanied by someone aged 18 or over.
- 12. The premises will operate an age verification policy set at a minimum of 25 years, whereby any person attempting to buy alcohol who appears to be under the specified age will be asked for photographic ID to prove their age.
- 13. Signage advertising the "Challenge" policy will be displayed in prominent locations in the premises and shall include the point of sale and the area where the alcohol is displayed, as a minimum.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- · does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have

an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
