Introduction

Welcome to Eastbourne Borough Council

Congratulations on your election success.

This booklet contains all the essential information you will need as a councillor.

For any other queries, please contact: committees@lewes-eastbourne.gov.uk

Our Plans and Priorities

The Council's plans and priorities are set out in our Corporate Plan 2020-24.

We have a particular focus on five main areas:

Growth and Prosperity

We will have a prosperous, thriving and sustainable economy which provides opportunities for businesses to grow and invest, supports employment and skills, invests in housing and regeneration along with the infrastructure to support economic growth. Eastbourne will continue to be an outstanding destination for tourism, arts, leisure, heritage and culture.

Quality Environment

We will have a clean, and attractive zero carbon town, producing less waste with better air quality than before. The town will have a high quality built environment, excellent parks, open spaces and be served by a number of good transport options.

Thriving Communities

Our vision is for strong communities where individual residents and their different organisations and support networks have the resources they need to be healthy, feel safe, and thrive. Key to this is our work with partners through the Eastbourne Youth Partnership and the Community Safety Partnership, and with partners in the police, health services and East Sussex County Council. We will also promote equality and foster positive relationships.

Housing and Development

We will work alongside residents to deliver decent, safe and well managed housing, meeting the needs of residents by investing in our homes, creating communities that work, helping our tenants with their energy bills as we take steps to make council homes more environmentally sustainable, and responding to homelessness and housing needs through maximising the provision of new affordable housing.

Best Use of Resources

Eastbourne Borough Council will ensure the best possible use of its limited resources to deliver high quality customer service. Whilst doing so, we will embed sustainability into our procurement practices and make considered purchasing decisions such as finding alternatives to single-use plastics. We will also become more efficient in our use of energy at our sites, making targeted improvements where cost effective to do so.

Declaration of Acceptance of Office

Making a declaration of acceptance of office involves you agreeing to fulfil your duties as a councillor and comply with the Council's Code of Conduct. You can read the full Councillor Code of Conduct in the Constitution at:

www.lewes-eastbourne.gov.uk/about-the-councils/constitutions/

In order to formally take up your position as a councillor, you will need to make your declaration to the Council's Proper Officer. This will be completed at the election count, following the declaration of result.

If you do not submit your declaration by the Annual Council meeting on **19 May**, your seat will be declared vacant and a notice of casual vacancy will be published.

Register of Members' Interests

In accordance with Section 30 of the Localism Act 2011 and the Council's Code of Conduct, you are required to disclose pecuniary or any other interests within 28 days of being made aware of them.

Throughout your term of office, you are also required to notify Committee Services of any person from whom you have received (in your capacity as a member/co-opted member) a gift or hospitality with an estimated value of at least £50.

An individual session on **Governance and Probity** will be arranged to provide guidance on how to complete your interest form and declare a gift and hospitality.

Further information can be sought from Committee Services.

Members' Allowances

Details on allowances payable to councillors can be found in the Members' Allowances scheme at:

www.lewes-eastbourne.gov.uk/about-the-councils/constitutions/

Guidance on how to claim on your travel and subsistence whilst on Council duties can be provided by Committee Services.

Induction and Development Programme

A governance and probity training session will be arranged for you with Oliver Dixon (Head of Legal Services and Monitoring Officer) and Simon Russell (Head of Democratic Services and Deputy Monitoring Officer), to give you an oversight of the Council's governance arrangements and your responsibilities under the Code of Conduct.

At the Annual Council meeting you will be appointed to various Council committees and outside bodies. Certain committees such as Planning and Licensing require **MANDATORY** training to be completed before you are permitted to sit on them, and will be arranged by Committee Services for all Councillors joining these Committees after Annual Council.

Other training sessions will be arranged from time to time. Please talk to Committee Services if there is particular training in which you are interested.

Partnership with Local Government Association

Lewes and Eastbourne Councils are delighted to be working in partnership with the Local Government Association (LGA) to provide a selection of development opportunities during your term of office.

Go to www.local.gov.uk/our-support/councillor-development/new-councillor-hub to access a range of information for you as a newly elected councillor. Virtual events are available on 11 June (2pm), 22 June (10am) and 28 June (5.30pm) for newly elected councillors – go to the LGA's Events page to register: www.local.gov.uk/events

The LGA produce a selection of excellent workbooks to assist you in your role, which can be downloaded at: www.local.gov.uk/councillor-workbooks

Role of a Ward Councillor

Your overriding duty as a councillor is to the whole community, but you will have a special duty to your constituents, including those who did or did not vote for you.

Councillors should:

- Communicate with the public in a variety of ways including electronically and in person.
- Work with officers and political groups to identify and address their training needs.
- Identify areas suitable for scrutiny and involve the public and communities in the process.
- Look for ways to promote democracy and increase public and community engagement, including interest groups.
- Represent effectively and be an advocate for local residents, their communities and wards in their relations with the Borough Council and other local and national government bodies.
- Provide a channel through which residents can make better use of Council services and be the key link between Council officers and local communities.
- Keep up to date with local concerns by drawing information from diverse sources, including hard to reach groups.

The Council will:

- Provide access to induction and development training.
- Provide sufficient IT equipment and support to enable councillors to undertake their role.
- Disseminate relevant and useful ward intelligence to councillors including contacts for local organisations.
- Support councillors to enable them to engage actively with residents and community groups.

IT Support

You will be set up on **Office 365** and given a login (username and password) which will give you access via **www.Office.com** to your email, calendar, Teams and other Office Apps from any browser.

You can opt to receive a laptop from the Council to use for Council business, use of 365 and use of the modern.gov app to read agenda papers and minutes. Alternatively, you can use a personal device. If you would like a laptop, please speak to a member of the Committee Services Team.

You will receive an annual IT allowance of £429 to support your additional IT needs. You could use this to purchase a printer, purchase a tablet to read Council papers (in addition to the laptop provided), to purchase paper and cartridges for an existing printer.

You can access all the information about the Council's decision-making structure, a calendar of meetings and a page showing your details as a Councillor from the democracy pages on the Council's website:

<https://democracy.lewes-eastbourne.gov.uk/>

IT Training – A range of IT courses are available from an online training resource made available for both Councillors and Officers. These can be accessed from: **<https://mylearning.learningpool.com>**

Shortly after election, you will be set up with a username: ***firstname.surname*** and can use the password ***welcome***. You will be asked to change your password on first login and can keep track of the courses you have completed. If you have any questions on this resource, please contact Nicola Ridge, eLearning Developer on: **Nicola.ridge@lewes-eastbourne.gov.uk** or telephone **01323 415195**.

Modern.gov

The Democratic Services Team uses a system called Modern.gov to publish its agendas, minutes and decisions to the Council website. In addition, there is an app which is available for iPads, Android or Windows devices.

We would encourage you to download the app and subscribe to receive the agenda papers you need for Council meetings. This way you can receive papers as soon as they are published, and you can annotate, highlight and bookmark key sections.

All public meeting papers are available on the public version of the App, which can be used with any device.

Democratic Process

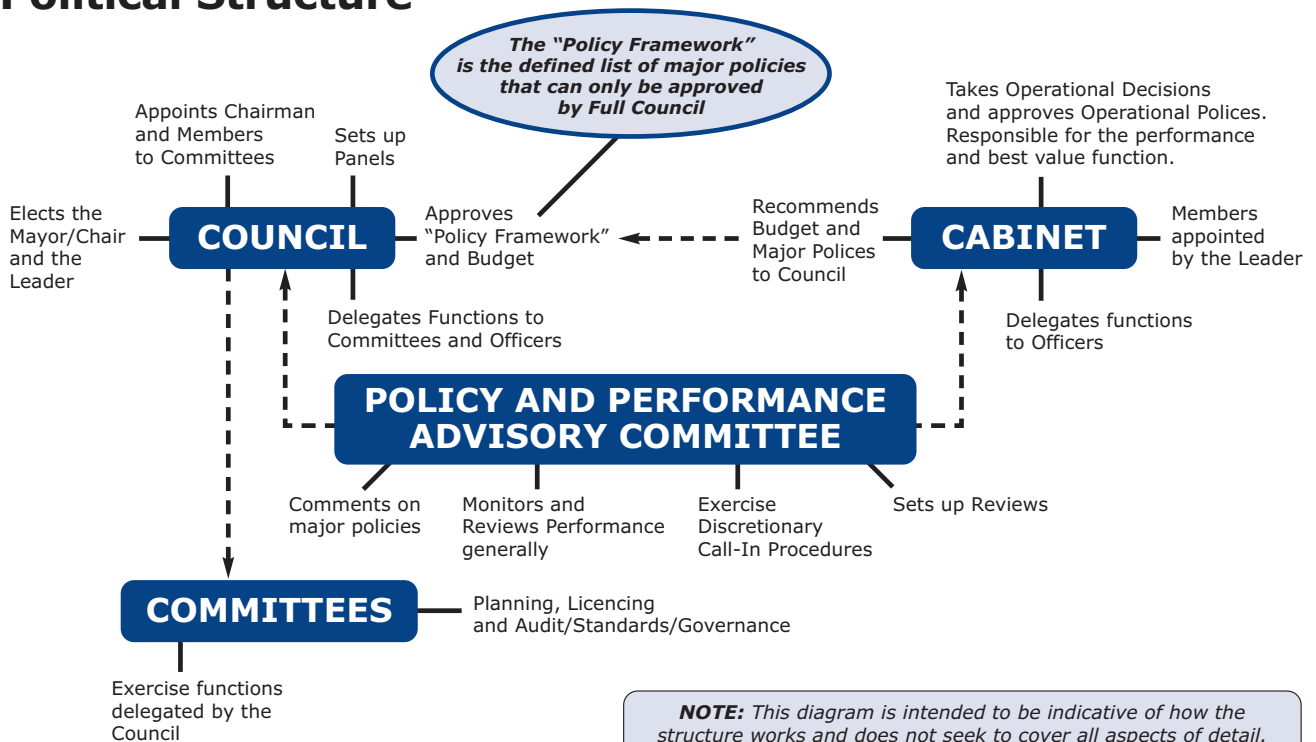

Attendance at meetings

As part of your roles as a councillor, you will be expected to attend the following meetings:

- Council meetings (also known as Full Council/Annual Council)
- Committees and Panels on which you are allocated a role
- **Mandatory training** for any quasi-judicial bodies on which you have been allocated a role, such as Planning and Licensing
- Meetings of any Outside Bodies on which you are appointed as a representative
- Political Group meetings (if you are a member of a political group)

How it Works...

The Modernised Political Structure

Annual Council

At the beginning of the first Council meeting of each municipal year (known as Annual Council), the new Mayor and Deputy Mayor for that year are elected.

At Annual Council, members of the Council will:

- Note the Leader's appointments to the Cabinet
- Appoint members to Committees and Outside Bodies
- Approve the Calendar of Meetings for the municipal year

Council Meetings

The Council meets throughout the year for Full Council meetings. All 27 members of the Council are expected to attend each meeting. Council meetings are open to attendance from members of the public.

The principal's roles of the Council are to:

- Agree the budget and specific policies as part of the "Budget and Policy Framework"
- Agree changes to the constitution
- Consider any notices of motion submitted by members
- Consider all matters referred to it for decision by other council committees

Council cannot

- Take or change decisions on Cabinet functions
- Decide which Cabinet functions should be delegated to individual councillors or officers
- Delegate any of its own functions to the Cabinet
- Determine policies other than those listed in the "Budget and Policy Framework" although the Cabinet can, if it wishes, refer such matters to the Council before the final policy is approved by Cabinet

Further details can be found in the Council Procedure Rules at:
www.lewes-eastbourne.gov.uk/about-the-councils/constitutions/

Cabinet

The Cabinet consists of councillors who are appointed by the Leader of the Council.

Cabinet is the executive decision-making body within the Council's structures, and is chaired by the Leader. Each Cabinet member has a specific portfolio of work for which he or she is responsible.

Cabinet takes operational decisions and approve operational policies. It is responsible for the performance and best value function.

The Cabinet can delegate functions to officers and are also responsible for taking individual executive decisions on occasions (through the Leader or individual Cabinet members if delegated at Council).

The work of the Cabinet is supported closely by officers within the Corporate Management Team.

Further details can be found in the Council Procedure Rules at: www.lewes-eastbourne.gov.uk/about-the-councils/constitutions/

Scrutiny

The Scrutiny process is a councillor led, non-political process by which the Council looks at its own performance, and that of other public sector services, to check how well we are doing. Scrutiny enables councillors to challenge the decision-making of the Cabinet, hold it to account, monitor the quality of service delivery and review and contribute to policy development.

Scrutiny provides an important role to the Council and involves councillors who do not hold Cabinet positions. As part of our governance arrangements, Scrutiny acts as a 'critical friend' to the Executive decision makers by:

- Holding to account the Council's Cabinet and other decision makers
- Policy review and development
- Challenging performance and reviewing quality
- Reflecting the voice and concerns of the public

Scrutiny members carry out site visits and undertake specific development opportunities, where necessary, to increase their knowledge and understanding. The Scrutiny function also extends beyond the Council. It is responsible for holding to account key partner agencies by scrutinising jointly agreed targets and has a statutory role to scrutinise health issues and crime and disorder issues.

Additional time-limited, ad hoc Scrutiny panels/Task groups are established to carry out in-depth reviews of issues, policies or services and these usually focus on complex, cross cutting issues.

Further details can be found in the Scrutiny Procedure Rules at:
www.lewes-eastbourne.gov.uk/about-the-councils/constitutions/

Membership of Committees and Panels

The number of seats that each political group gets on each Committee or Panel is determined by the number of members that they have.

Each political group decides who is nominated for seats on each Committee or Panel and the final appointments are agreed at Annual Council. Political Group Leaders will make the nominations so you should make your particular interests known to them.

Current Committees and Panels include:

- Audit and Governance Committee
- Licensing Committee
- Planning Committee
- Scrutiny Committee
- Joint Staff Advisory Committee

Remits of the committees can be found in the Constitution at:
www.lewes-eastbourne.gov.uk/about-the-councils/constitutions/

Council Structure

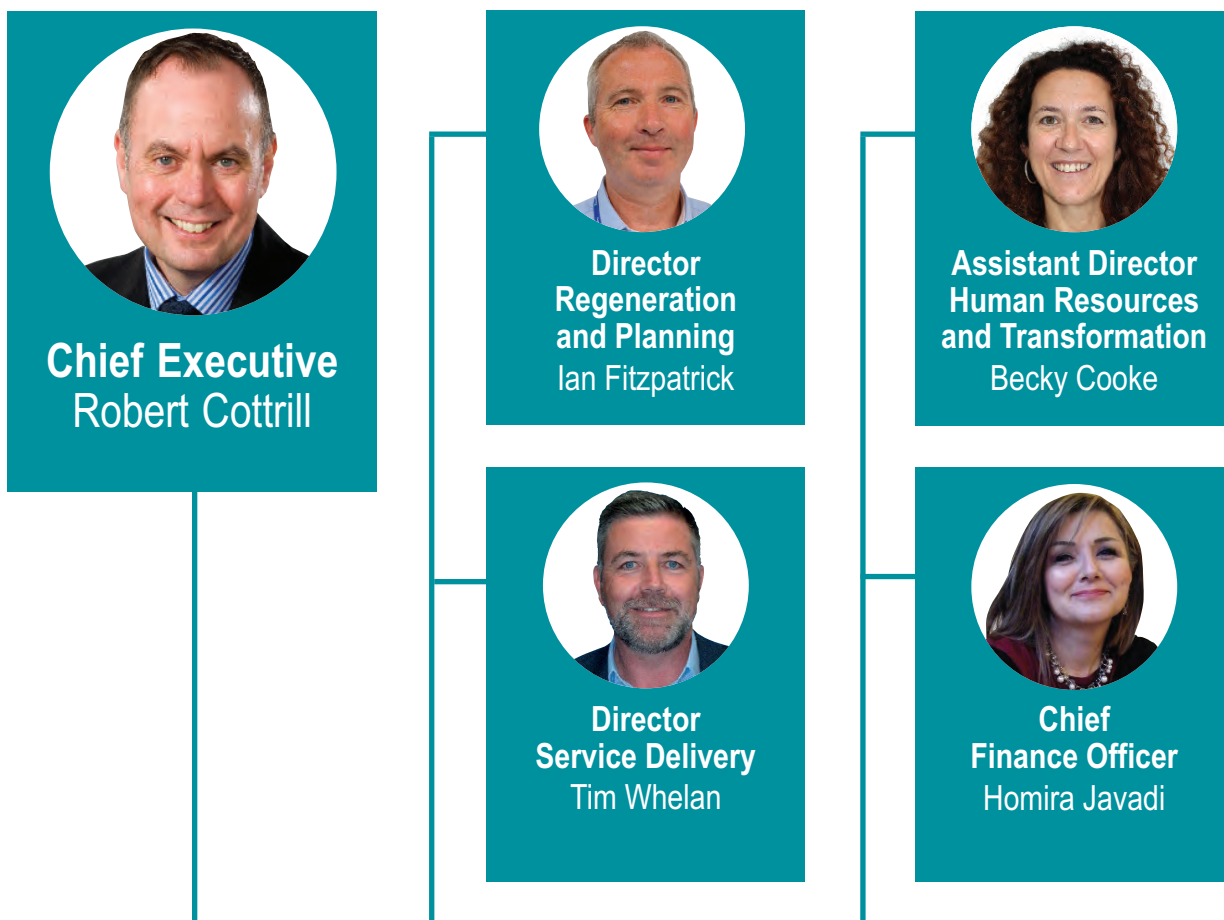

Councillors and officers are indispensable to one another but their roles and responsibilities are distinct. Councillors are responsible to the electorate and officers are responsible to the Council. Officers give advice to councillors and the Council, and carry out the Council's work under the direction and control of the Council and its Committees.

The Leader of the Council provides strategic and political leadership and ensures that the Council successfully discharges its overall responsibilities for the activities of the organisation as a whole.

Robert Cottrill is the Chief Executive and the Head of Paid Service for Lewes District Council and Eastbourne Borough Council. He is responsible for the delivery of all services within the legal framework and for maintaining the Council's reputation. Robert has a team of Directors that form the Corporate Management Team.
