Audit and Standards Committee – 4 July 2022

8. Treasury Management Annual Report 2021/22

The Committee received the Annual Treasury Management report which presented details of Treasury Management activities and the prudential and treasury indicators for 2021/22.

The Deputy Chief Finance Officer (DCFO) summarised the report and its findings.

Discussions included capital expenditures, financing the capital programme, the Council's external debt levels, and the Council's ESG (Environmental, Social and Governance) investments.

It was asked whether all of the Council's deposits were ESG. The DCFO explained that 5 million pounds of the Council's deposits were considered ESG but he could not confirm if the remaining amounts were considered ESG, as the DMO (Debt Management Office) was a government bank.

Resolved:

-
1. That Full Council be recommended (via Cabinet) to agree the Annual Treasury Management report for 2021/22; and
 2. That Full Council be recommended (via Cabinet) to approve the 2021/22 Prudential and Treasury Indicators included in the report.
