

Lewes District Council

Annual Governance Statement

Responsibility

Lewes District Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards. It also needs to ensure that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the council is required to put in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, which includes arrangements for the management of risk.

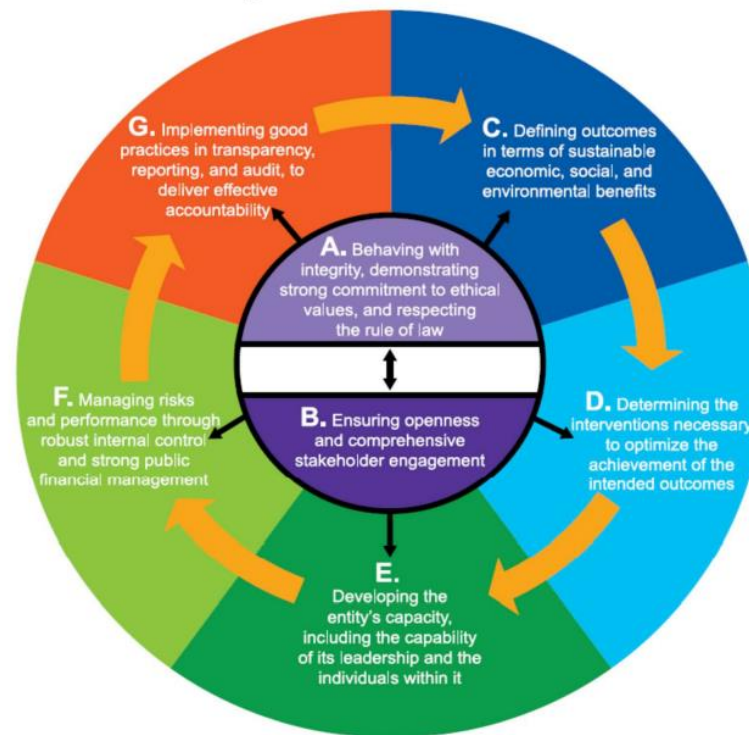

What is governance?

Governance is about how the council ensures that they are doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner. It comprises the systems, processes, cultures and values by which the council is directed and controlled and through which they account to, engage with and, where appropriate, lead their communities.

Lewes District Council has approved and adopted a Local Code of Corporate Governance, which is consistent with the principles of the CIPFA/SOLACE¹ Framework *Delivering Good Governance in Local Government*. A copy of the code is available on the website (www.lewes-eastbourne.gov.uk/access-to-information/financial-information/corporate-governance)

The principles of good governance are given in the CIPFA/SOLACE *Delivering Good Governance in Local Government Framework 2016* from which the following diagram is taken.

**Achieving the Intended Outcomes
While Acting in the Public Interest at all Times**

Source: CIPFA 2016

The Code of Corporate Governance contains a table which demonstrates how the council meets the core principles.

The purpose of the governance framework

The governance framework comprises the systems and processes, and culture and values, by which the authority is directed and controlled and its activities through which it is accountable to, engages with and leads its communities. It enables the authority to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate services and value for money.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable, and not absolute, assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the council's policies, aims and objectives, to evaluate the likelihood and potential impact of those risks being realised, and to manage them efficiently, effectively and economically.

The production of this Annual Governance Statement forms part of the governance framework by providing a review of the governance arrangement in operation during the financial year.

The Governance Framework

The diagram on the next page shows how the political structure of the council works and interacts.

How it Works...

The Modernised Political Structure

Roles and Responsibilities

Head of Internal Audit

The head of internal audit (Chief Internal Auditor) provides an independent opinion on the control environment. This is based on the work of the internal audit team in delivering a risk-based audit plan of a breadth sufficient for the head of internal audit to place reliance on it to base their opinion on.

Monitoring Officer

The Head of Legal Services has been designated as the Monitoring Officer. The Monitoring Officer has the duty to ensure that the council, its officers and its elected Councillors, maintain high standards of conduct.

Chief Finance Officer

The Chief Finance Officer has been designated as the s.151 Officer. They are responsible for ensuring that the council controls and manages its money efficiently.

Scrutiny and Review

Scrutiny and review is provided by the following:

Audit and Standards Committee

The committee provides assurance by carrying out independent scrutiny of areas such as audit, risk management, counter fraud and financial accountability. It does this by way of reviewing reports provided to its quarterly meetings.

For more information see: <https://democracy.lewes-eastbourne.gov.uk/mgCommitteeDetails.aspx?ID=423>

Policy and Performance Advisory Committee

The committee reviews the delivery of services and performance and supports the work of the Cabinet and Council. It allows Councillors outside the Cabinet, and members of the public, to have a greater say in council matters by investigating issues of local concern.

For more information see: <https://democracy.lewes-eastbourne.gov.uk/mgCommitteeDetails.aspx?ID=641>

Cabinet

The Cabinet is responsible for most day-to-day decisions of the council. Each member is assigned a portfolio identifying areas of responsibility for which they provide a political lead at Cabinet meetings and for working in consultation with officers.

For more information see: <https://democracy.lewes-eastbourne.gov.uk/mgCommitteeDetails.aspx?ID=417>

Corporate Management Team

The team provides strategic management and planning. The team also considers the annual Internal Audit plan, Strategic Risk Register and Annual Governance Statement.

External Audit

The external auditors audit the financial statements and provide an opinion on these. They produce an Annual Audit Letter which assesses how the council manages its resources and delivers value for money.

Review of Effectiveness

The council has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of the senior managers within the authority who have responsibility for the development and maintenance of the governance environment, the head of Internal Audit's annual report, and also by comments made by the external auditors and other review agencies and inspectorates.

The governance framework has been in place at the council for the year ended 31 March 2022.

One element used to gain assurance is information gathered from Managers' Assurance Statements. These statements contain questions based on the core principles of good governance as well as other areas such as safeguarding, the Bribery Act and the Regulation of Investigatory Powers Act. These are completed by senior managers and any issues raised are considered.

Opinion of the Chief Internal Auditor

The work of the Internal Audit team was impacted by carrying a vacancy and the absence of a team member for an extended period of time at the beginning of the year. Later in the year, the restructure in the team led to a vacancy while a new position was filled. This impacted the audit plan and reduced the number of audits that could be undertaken during the year. However, it is considered that there were still a reasonable number of reviews carried out across the authority and did not significantly limit the scope of the work.

The Chief Internal Auditor is required to give an opinion of the overall adequacy and effectiveness of the control environment. The control environment is considered in three ways: the production of the Annual Governance Statement the effectiveness of Internal Audit, and the results of the work of Internal Audit.

Effectiveness of Internal Audit: A self-assessment against the Public Sector Internal Audit Standards has been carried out and shows that the work of the Internal Audit team is carried out in accordance with the standards.

The work of Internal Audit: It has been noted that a number of recommendations remain outstanding after following up reviews. Many of these are being affected by ongoing lack of resources. This appears to have been caused by the response to the Covid-19 pandemic, changes in staffing, and an inability to be able to fill vacancies in some areas.

While the governance framework is in place and working, and Internal Audit are carrying out their work in accordance with standards, the opinion on the control environment has to be caveated by the number of outstanding recommendations.

Managing the Risk of Fraud and Corruption

The CIPFA Code of Practice on Managing the Risk of Fraud and Corruption and guidance suggests it is good practice to make a statement on the adequacy of an authority's counter fraud arrangements in the annual governance statement.

This code contains five principles:

- Acknowledge responsibility
- Identify risks
- Develop a strategy
- Provide resources
- Take action

The Chief Internal Auditor is satisfied that the council meets these principles by having a Counter-Fraud and Audit team who review risks across the authority and direct their work as appropriate. It is therefore considered that the organisation has adopted a response that is appropriate for its fraud and corruption risks and commits to maintain its vigilance to tackle fraud and uphold its zero tolerance.

Financial Management Code

The CIPFA (Chartered Institute of Public Finance and Accountancy) Financial Management (FM) Code's intention is to help create a culture of strong financial management and address the financial pressures that councils are facing. The self-regulation approach is

also to prevent local authorities ‘failing’ and avoid any need for any external control or reductions in current powers. By complying with the principles and standards within the Code, the council will be able to demonstrate its financial sustainability.

In 2021/22 the Chief Finance Officer (S151) has taken account of the requirements of the CIPFA Financial Management Code and has acknowledged the approaches to Value for Money and the council’s financial resilience. A significant amount of the Code activities implementation are part of the Finance, Internal Audit, and other department team’s current activities and the Section 151 Officer has reached the overall conclusion that the Lewes District Council is compliant with the principles of the Code.

The Chief Finance Officer has identified the council’s long-term financial viability as the key risk area regarding future compliance with the Code and this is being assessed through a combination of: the budget setting process; the Medium Term Financial Strategy; regular reviews of the council’s capital programme; Treasury Management Strategy and the provision of clear and regular financial updates/training to Members. The council has a satisfactory record of financial management and so, analysing the council’s structures, processes and procedures against the FM Code’s Financial Management Standards, shows a reasonable level of compliance with these principles. However, there are areas where further actions/consideration needs to be given to ensure full compliance with every aspect of the FM Code.

Companies

The council is also expected to report on separate bodies set up by the council and to give a full picture of the relationship with those bodies. The following table gives the details of these bodies and, where appropriate, it includes a link to where information can be found in respect of information such as reports and accounts.

Name and incorporation date (where appropriate)	Current Status and summary purpose	Categorisation (Company number and nature where appropriate)	Governance and Board make up	Council shareholder interest where appropriate	Notes
Aspiration Homes LLP (Limited Liability Partnership)	Incorporated on 30 June 2017. To ensure the councils have the overall capacity to maximise housing investment and funding opportunities. To act as the asset holding vehicle for affordable housing properties that cannot, for financial accounting or other reasons be held in EBC or LDC	Limited Liability Partnership LDC and EBC Company number: OC41800	Governed by LLP Agreement and an Executive Committee of 6 - made up of 3 elected members from each authority.	Lewes District Council Ownership of voting rights - More than 25% but not more than 50% Right to surplus assets - More than 25% but not more than 50% Eastbourne Borough Council	Aspiration Homes will act as the asset holding vehicle for affordable housing properties developed through the EHICL and LHICL commercial development programmes. Support has included a £10 million loan to be funded from borrowing by LDC to Aspiration Homes LLP. www.lewes-eastbourne.gov.uk/about-the-councils/wholly-owned-companies-and-other-incorporated-entities

Name and incorporation date (where appropriate)	Current Status and summary purpose	Categorisation (Company number and nature where appropriate)	Governance and Board make up	Council shareholder interest where appropriate	Notes
	respective Housing Revenue Accounts.			Ownership of voting rights - More than 25% but not more than 50% Right to surplus assets - More than 25% but not more than 50%	
Lewes Housing Investment Company Ltd (LHICL) (4 July 2017)	Company Active To undertake more commercial development, place shaping activities and hold associated respective assets, in a way which meets legal and regulatory requirements and ensures that the council has distinct control over such assets.	Company LDC only Company number: 10848011	Governed by Articles of Association and a Board of 5 directors made up of senior staff and Elected Members from Lewes District Council.	Wholly owned by Lewes District Council	To enable the council to undertake non HRA development and use associated forms of tenancies www.lewes-eastbourne.gov.uk/about-the-councils/wholly-owned-companies-and-other-incorporated-entities

Managers' Assurance Statements

One of the sources of assurance for the Annual Governance Statement should come from Senior Managers responsible for the operation, management and monitoring of controls within their area of responsibility. The Managers' Assurance Statement is intended to collect this assurance by covering operational, project and partnership responsibilities as well as the Bribery Act, Safeguarding, Regulation of Investigatory Powers Act. The senior manager can highlight concerns and the necessary actions required to improve governance. Assurance statements are sent out to Directors, Assistant Directors and Heads of Service. Once completed their contents are used to inform the governance statement.

Issues raised this year that were considered by the Corporate Management Team were:

Capacity: It was noted that there is a shortage of workers in the employment market that is affecting all sectors and is a national issue. Where demand has increased over Covid, these teams have been given increased resources. The employment market is also monitored with consideration given to collaboration and partnerships working to further navigate these national challenges.

Economy: In response to the financial implications of the response to the Covid pandemic, early engagement with the Department for Levelling Up, Housing and Communities, regular return of all financial information, close working of cashflow transactions, cost controls, regular member briefings and engagements have all been put in place. Transactional changes and solutions to financial shortfalls are in place and are expected to be continued.

The Corporate Management team are therefore of the opinion that there are no significant governance issues. However, it is acknowledged that the following areas are of considerable concern:

- Longer term impact of the pandemic on the council's finances
- Longer term local government funding allocation
- Increasing demand for key services

The council maintains a strategic risk register and carries out regular reviews of its internal controls to ensure early prevention and/or mitigation of risks and governance concerns.

Statement by Head of Democratic Services

One minor governance issue is that, on occasions, there is a lack of understanding over delegated powers currently available to officers. However, the scheme of delegation and council constitutions continue to be reviewed and aligned to improve clarity, wherever possible. As Head of Democratic Services, I am not aware of any major governance issues in my area or elsewhere in the organisation.

Statement by the Monitoring Officer

Work is underway to align the schemes of delegation to officers. In addition, there is a piece of work to incorporate into the Code of Conduct for Members, the best elements of the Local Government Association's model code. This is at an early stage and may not be complete until the end of 2022/23. In the meantime, there is nothing inherently inadequate or defective with the existing code (in so far as legislation allows). Whilst the amendments planned will be improvements, the current state of affairs does not represent a significant governance issue.

Covid-19 pandemic

2020-21 was the second year of the Covid-19 pandemic. The council again faced a loss of income and cost pressures. However, financial management and the control environment provided a sound structure to mitigate risks.

UPDATE ON SIGNIFICANT GOVERNANCE ISSUES 2020/21

No significant issues were reported in 2020/21.

SIGNIFICANT GOVERNANCE ISSUES 2021/2022

There are no significant governance issues to report.

STATEMENT

We have been advised on the implications of the result of the review of effectiveness of the governance framework by the Audit and Standards Committee and that, subject to the actions identified above, the arrangements continue to be regarded as fit for purpose in accordance with the governance framework.

Signed on behalf of Lewes District Council:

.....
