## **1 Introduction**

- 1.1 This report summarises the key findings (Appendix A) arising from Deloitte final audit work in relation to the Council's 2019/20 financial statements, and on the Council's arrangements to secure economy, efficiency and effectiveness in its use of resources ('VFM conclusion').
- 1.2 The completion of the audit was delayed, primarily due various resource issues and challenges of determining the appropriate accounting treatment, valuation, entries in respect of the Council's financial guarantee arrangements and Group financial statements issues.

## **2.0 2019/20 Statement of Accounts**

2.1 Under its terms of reference, it is the role of this Committee to review/approve the annual statement of accounts and the external auditor's report to those charged with governance, having considered whether appropriate accounting policies have been followed, and any issues raised by Deloitte from the audit of the accounts.

2.2 The auditors envisage issuing an unqualified audit opinion on the 2019/20 Council's financial statements subject to resolution of outstanding areas for completion, which include:

- review of the updated statement of accounts;
- completion of work on ICE financial instrument valuations;
- completion of working through support received for sundry open areas of testing;
- completion of quality assurance review procedures;
- receipt of signed management representation letter; and
- review of subsequent events through to signing.

2.3 Deloitte has also completed the review of the arrangements made by the Council to secure economy, efficiency, and effectiveness in the use of resources (Value for Money - VFM) and did not identify any significant VFM risks in 2019/20. Deloitte is satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ending 31 March 2020, and did not feel it necessary to report on any particular points on value for money issues.

### **Letter of Representation 2019-20**

2.4 Each year, on completion of the audit of the Council's Financial Statements, the Chief Finance Officer is required to submit a Letter of Representation to the Council's external auditor. The letter formally and publicly confirms the accuracy and completeness of the presented Statement of Accounts.

2.5 On receipt of the signed Letter of Representation, the Council's external auditor will formally issue an opinion on the Financial Statements.
