

Pay Policy Statement 2023/24

This Pay Policy Statement is provided in accordance with Section 38(1) of the Localism Act 2011 and this will be updated annually from April each year.

This Pay Policy Statement sets out the councils policies relating to the pay of its workforce for the financial year 2023/24, in particular:

- a) The remuneration of its Chief Officers;
- b) The remuneration of its 'lowest paid employees'
- c) The relationship between:
 - i) The remuneration of its Chief Officers and;
 - ii) The remuneration of its employees who are not Chief Officers

New Appointments

Full Council shall agree salary packages in excess of £100,000 for new appointments. Salary packages shall include salary, bonuses, fees, benefits in kind or allowances that would be routinely payable to the appointee. The salary package shall be agreed before recruitment for the post begins.

Publication of Information

The authority will publish appropriate details of those relevant staff whose salary is at least £50,000.

Pay Multiples

The authority will publish information on pay multiples – the ratio between the highest paid employee and the median salary across the organisation.

The authority shall publish the actual pay multiple as at 31 March each year. The authority recognises that the actual pay multiple will vary slightly year on year for the reasons set out above, but will usually aim to maintain a multiple no greater than 6 to 1.

Local Election Duties

Fees for local election duties will be paid separately to the remuneration paid for an officer's employment. Those fees are set in accordance with a scale of fees and charges agreed and reviewed annually jointly by all authorities in East Sussex. For parliamentary elections (national and European) and national referenda, those fees are set nationally by parliament.

Pay Determination

The pay for the highest paid employee has previously been set through benchmarking exercises within the local government employment market, pay levels in the local area, relative cost of living in the local area, including housing costs, and through the application of nationally negotiated pay awards by the Joint National Council for Chief Executives. For 2023/24 this current remuneration level will continue and any nationally negotiated pay awards will be paid.

Members of the Corporate Management Team shall have their salary levels set based on compliance with equal pay, discrimination and other relevant employment legislation, whilst also ensuring that remuneration packages broadly align with market norms for relevant local government and public sectors. The appropriate banding shall be determined, depending on the current responsibilities and accountabilities, size of department, market pressures and any other relevant information. Total salary packages above £100,000 will be subject to agreement by full Council.

The basic pay of all other employees comprises a core grade derived from the national pay spine as set out in the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Services. This grade range consists of a number of salary points through which employees may progress until the top of the grade is reached.

The salary grade for each post shall be determined using the Council's agreed job evaluation scheme.

Low Pay

The lowest paid employees within the council are those permanent workers who are paid on the councils' lowest hourly rate.

The councils' consider this to be the most appropriate definition as this is the lowest pay point/pay level on its substantive pay structure and which normally applies to new entrants to the lowest graded jobs within the councils. The councils' has had regard to guidance issued by the Local Government Association and JNC for Local Authority Chief Executives in agreeing this definition.

For the purposes of this policy statement, remuneration includes the employee's basic annual salary and any other allowances or other similar payments, benefits in kind, any increases or enhancements to any pension entitlement and any termination or other severance payments.

Pension provision

All employees are eligible to join the Local Government Pension Scheme in accordance with the statutory terms of that scheme.

The authority shall maintain a policy on discretionary payments for early termination of employment as required by the Local Government (Early

Termination of Employment) (Discretionary Compensation) Regulations 2006 and all severance payments made shall follow the approach of that policy.

Termination or severance payments

Any proposal to offer a severance payment of £100,000 or more to a member of staff leaving the organisation will be referred to full council.
