

Addendum to Planning Committee

Addendum Date: 22nd July 2024

Meeting date: 23rd July 2024

Agenda Item No 9 – Application No: 240180 – Land adjacent to 25 Beverington Close

No further representations have been received following completion of the Committee report.

No further updates for Members.

Agenda Item No 10 – Application No: 220556 – 35 Windermere Crescent

Consultation response received from East Sussex County Council as the Local Highway Authority (LHA) raising concerns over the visibility splay for the parking proposed.

An amended parking layout has been received and has been passed to the LHA for their review and comment.

The recommendation to Members remains that this application should be approved with conditions (including landscaping details that would allow for suitable visibility splays), but that delegated authority be provided to the Head of Development Management to ensure that the LHA do not raise any objections on highway safety grounds.

Agenda Item No 11 – Application No: 220708 – The Oval, Channel View Road

No further updates for Members.
