Public question time

(Agenda item no 5)

The following written question has been submitted (in relation to agenda item 15 – Asset Management)

Questioner: Dr Jennifer Chibnall

Question (to Councillor Nicholson):

- 1) Question: Will the Council include benefits for our existing local galleries and artistic community in Lewes, in consultation with them, within the agreement that they negotiate with Charleston Lewes?**

- 2) Question: As the Lewes Low-Cost Housing policy in our Town Council's Neighbourhood Plan establishes our need for locally affordable housing can you assure us that the potential of the Council's land to provide this is not compromised?**
