Annex 2 – Conditions consistent with the operating schedule

All Licensing Objectives

As a business we strive to put our customers' needs and safety as a priority. As we do not serve alcohol, it is not believed we will attract anti-social behaviour.

Prevention of Crime and Disorder

We have an eight camera CCTV system installed, an intruder alarm and an emergency Police panic button. If needs be we will hire a security guard on the weekends.

CCTV: Digital CCTV and appropriate recording equipment to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV systems (PSDB publication 09/05) operated and maintained throughout the premises internally and externally to cover all public areas, including the entrance to the premises. The system shall be on and recording at all times the premises licence is in operation.

-CCTV cameras and recording equipment must be of sufficient quality to work in all lighting levels inside the premises at all times. -CCTV footage will be stored for a minimum of 28 days

-The management will give full and immediate cooperation and technical assistance to the police in the event that CCTV footage is required for the prevention and detection of suspected or alleged crime. -The CCTV images will record and display dates and times and these times will be checked regularly to ensure their accuracy. -Subject to Data Protection guidance and legislation, the management of the premises will ensure that key staff are fully trained in the operation of the CCTV, and will be able to download selected footage onto a disk for the police without difficulty or delay and without charge to Sussex Police.

- Any breakdown or system failure will be notified to the police immediately and remedied as soon as practicable.

Public Safety

We monitor and clean the reception regularly and will always prioritise serving takeaway customers quickly to prevent a build-up of waiting customers in the reception.

Prevention of Public Nuisance

We have built up a good relationship with the local Police in Eastbourne and have the Police response button to use in emergencies.

Protection of Children from Harm

Our drivers are trained to drive safely and to take extra care in the town centre and built up areas. Our reception and customer toilets are monitored and cleaned regularly.
