Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We will install and diligently operate strong management controls and effective training of all staff so that they are aware of the premises licence and the requirements to meet the four licensing objectives with particular attention to: a/ no selling of alcohol to under-age people b/ no drunk and disorderly behaviour on the premises area c/ vigilance in preventing the use and sale of illegal drugs d/ no violent and anti-social behaviour. To further promote these licensing objectives no vertical drinking will be permitted on the premises. All drinks must be consumed seated at a table after they have been delivered to them by a member of staff.

The designated premises supervisor is obligated and committed to be in day-to-day control of the premises, to provide good training for all staff on the Licensing Act (Training Record), to make or authorise each sale, to effectively operate and train others in the 'Challenge 25' policy to prevent the supply of alcohol to under-age drinkers.

The premises will also be sufficiently equipped to meet the four licensing objectives. A CCTV system, fire alarm and emergency lighting are all installed and regularly maintained. Documentation will ensure compliance with the objectives by logging sales refusals, health & safety incidents and accidents.

We know that it is necessary to carry out our functions with the purpose of promoting these four objectives. We promise to support these objectives through their operating schedules and other measures (including staff training and qualifications, policies, and strategic partnerships with other agencies).

b) The prevention of crime and disorder

The coffee shop is fitted with CCTV cameras with a record function that covers all main public areas (shop floor & outside tables).

As drinking will only be permitted whilst seated there will not be an opportunity for groups of people to loiter. A set of clear and legible notice will also advise customers:

- that any offensive language or violent behaviour will not be tolerated.
- warning of potential criminal activity, such as theft, that may target customers will be displayed
- Not selling of alcohol to drunk or intoxicated customers.

Staff will be well trained in asking customers to use premises in an orderly and respectful manner. Staff will also receive conflict resolution training to diffuse any potential issues with intoxicated customers as quickly as possible.

The cafe will not offer any irresponsible drinking promotions such as BOGOF. Drinking water will be provided and made easily available for all customers. There will be no vertical drinking permitted. All drinks must be consumed sitting down at a table. All drinks are delivered to customer's tables.

c) Public safety

The coffee shop is fitted with a fire alarm and emergency lighting system throughout the premises that is regularly tested and maintained.

Continued from previous page...

A fire risk assessment (FRA) was completed in January 2017 and the findings acted upon. If any significant changes are made to the building, a new FRA will be immediately sought. In any case, the FRA will be reviewed annually by the company Directors who are familiar with the original FRA. The coffee shop also has a fire emergency plan that all staff receive training on and are familiar with.

The coffee shop has a health & safety policy that is regularly reviewed and updated where necessary.

An accident register will be kept on the premises to record any incidents that resulted in the public or staff being hurt or nearly hurt. Each incident will be acted upon to reduce the risk of it reoccurring.

All key parts of the premises and all fittings are regularly checked and maintained to ensure that they are in a good order at all times and in a safe condition.

d) The prevention of public nuisance

A Prominent, clear and legible notice will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Customers will be asked not to stand around loudly talking in the street outside the premises

Deliveries of goods necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents.

We will ensure that staff who arrive early morning or depart late at night when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents. The movement of bins and rubbish outside the premises will be kept to a minimum after 11.00pm.

The music in the café will always be kept at a reasonable volume. As the music is for background purposes only it will never reach a loud volume. However, to prevent music and chatter escaping the premises, the café's entrance door and windows will not be left open. Furthermore, outside seating will be removed after 9pm to prevent customers from making noise outside the café after this time.

e) The protection of children from harm

All staff will receive training on and operate the 'Challenge 25' policy. The 'Challenge 25' sign will be clearly displayed within the café. Staff will only accept the following forms of genuine identification as proof of age:

- Passport;
- European Union photocard driving licence
- Photographic identity card bearing the national Proof of Age Standards Scheme (PASS) hologram
- National identity card issued by a European Union member state (other than the United Kingdom), Norway, Iceland, Liechtenstein or Switzerland.
- Biometric Immigration Document.

A refusal of sale log book will also be kept to record all the instances where persons were refused alcohol by a member of staff because they did not meet the 'Challenge 25' policy requirements.
