

## **Cabinet**

**14 September 2023**

**Public question time**

**(Agenda item no 5)**

**The following written question have been submitted by Mary Campbell which she wishes to ask the Cabinet Member for Planning and Infrastructure, Councillor O'Connor**

**Question 1:**

Will the publication of the new National Planning Policy Framework (NPPF) significantly affect LDC's policies with reference to developing its next local Development Plan, and if so how? In particular will it enable more concentration on where housing development sites should be, rather than where developers offer sites?

**Question 2:**

Does the new NPPF have significance for those developing Neighbourhood Development plans, and if so how?

**Question 3:**

In what main ways will/should consideration of planning applications by Planning Authorities like LDC and Planning Inspectors who consider Appeals be changing as a result of the cumulative changes in Government Policy since the 2021 NPPF?
